

# COHESITY BACKUP EXPANSION AND LICENSE TRUE-UP

RS-24-003

January 9, 2023

# Background

2

- ❑ In April 2021, council approved the purchase of Cohesity Backup Solution
- ❑ This system creates copies of data that can be restored and recovered to an operating state in the event of disaster, security breach or missing and deleted files
- ❑ The expansion of two nodes and license true-up provides the city with one year of subscription licensing and an additional 72 terabytes of storage to continue use of the solution

# Background continued

3

- NetSync is a certified Cisco partner and pricing is through the Texas Department of Information Resources DIR-CPO-4430
- Cost of the expansion and license true-up is \$68,699.04; includes hardware equipment, Cisco support on hardware and software, and professional services

# Alternatives

4

- Do not authorize the purchase of Cohesity expansion and license true-up
- Authorize the purchase of Cohesity expansion and license true-up not to exceed \$68,699.04

# Recommendation

5

- Staff recommends that the City Manager or his designee be authorized to execute the purchase of the Cohesity expansion and license true-up with Netsync, a Cisco certified vendor utilizing DIR-CPO-4430 contract in an amount not to exceed \$68,699.04
