

REJECTION OF CONCRETE, STREET MATERIALS, TOP SOIL, ROCK, AND SLURRY SEAL BID NO. 18-16

RS-18-060

July 17, 2018

Background and Conclusion

- City conducts annual bid for materials used in maintenance practices such as concrete, topsoil, rock, etc.
- Seven (7) bids were received; however, numerous anomalies were observed such as: missing addendums, missing pages, unfilled pages, etc.
- Two material bids were deemed complete; however they do not represent a broad enough spectrum of services to award a contract.

Alternatives/Recommendation

3

□ Alternatives

- ▣ Accept the complete bids and rebid the remaining items.
- ▣ Renew the bid award from previous years (requires agreement of both parties).
- ▣ Reject and rebid all items.

□ Recommendation

- ▣ City staff recommends that the City Council authorize the rejection of all bids received to allow readvertisement for a complete bid.
