

PROCUREMENT OF FLEET TIRES

RS-18-088

October 2, 2018

Background

2

- Fleet Services purchases tires for the City's fleet.
 - ▣ Costs are charged to departments as the tires are used.
 - ▣ Annual tire costs:
 - FY 2016 - \$226,000
 - FY 2017 - \$220,000
 - FY 2018 - \$195,000 (Estimated)
 - FY 2019-21 - \$200,000 (Estimated per year)
- Southern Tire Mart offers up to 37% off list pricing through the Texas Association of School Boards (TASB) BuyBoard and The Interlocal Purchasing System (TIPS) purchasing cooperatives.
- TASB BuyBoard and TIPS cooperative contract pricing is effective through February 2021 and August 2021, respectively.

Recommendation

3

Staff recommends City Council approval to purchase tires from Southern Tire Mart through the effective contract dates utilizing the Texas Association of School Boards BuyBoard and The Interlocal Purchasing System cooperative pricing, and that the City Manager or designee be authorized to execute any change orders as permitted by state and local law.
