# Alternatives

- The Council has two (2) alternatives:
  - ▣ Do not approve the disannexation ordinance; or
  - ▣ Approve the disannexation ordinance.

# Recommendation

- Staff recommends that the City Council approve the disannexation ordinance as presented.
- Staff finds that relinquishing the subject area from the City's jurisdiction is in the best interest of both the property owner and the City. The provision of municipal services in this area would likely result in a financial strain on various City departments and resources.
