

DEAAG Application – WCID #1 Plant Power Resilience Project

RS-22-106

August 2, 2022

Background

2

- The Defense Economic Adjustment Assistance Grant Program (DEAAG) funding is available to local municipalities. Grants awarded may range from \$50k to \$5 million
- WCID issued \$11.3 million in debt to purchase and install the backup power system

Background

3

- Killeen's portion of the debt is 43.24% or \$4,899,092
- City of Killeen will receive 43.24% of any grant award with a maximum possible amount of \$2,162,000

Recommendation

4

- Staff recommends submitting an application for a DEAG Grant to partially reimburse the construction cost of a backup power system for the WCID #1 plant.
