| COMMENTS: | A to PUD w/SR-1 |
| <p><i>I am opposed to this PUD going with SR-1, because it is not comparable to our lot size. We could accept SR-2. We feel the going purpose would cause our homes to lose value, and cause other people problems such as congestion, and a danger to children with less green space. Please reconsider.</i></p> | |

| COMMENTS: | A to PUD w/SR-1 |
| <p><i>SR-1 allows for 75 foot fronts which allows 5 houses to be built directly behind my property. When this number is reduced to 20 which means 148 ft fronts (i.e. 1/2 acre lots) we will have something to consider. Until such time, the backyards are wasting everyone's time. Additionally, we are not supposed to be doing this again for 1 year.</i></p> | |
