Re: 945 Schrader Road. Property ID 25142

From: Richard Dadamo and Cathryn Dadamo

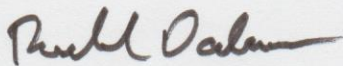

We purchased the property at 945 Schrader Road in October 2024 and are requesting the property be re-zoned to A-R1. We plan to build our retirement home on the property and understand the lot has to be re-zoned to begin the process of obtaining an address, connecting water, electric and other utilities.

The property is located on a private road that our deed provides right-of-way access to. We do not believe that building our house will impact the surrounding properties.

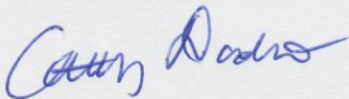

Our request to re-zone is consistent with the Future Land Use Management (FLUM) plan.

Thank you for considering our Zoning Change Application.

Sincerely,

Richard Dadamo
