Staff Report

File Number: PH-25-027

Hold a public hearing on a Substantial Amendment to Annual Action Plans for Program Years 2017, 2021, 2022, and 2023 to reprogram HOME funds to provide for affordable housing activities and to remove the City's requirement under the 2020-24 Consolidated Strategic Plan for HUD Certified Housing Counseling to provide services to recipients as a provision of the HOME Program Tenant Based Rental Assistance (TBRA).

DATE: June 3, 2025

TO: Kent Cagle, City Manager

FROM: Tiffanie McNair, Executive Director of Community Development

SUBJECT: A reprogramming of HOME funds for affordable housing activities and the removal of the City's requirement for recipients of Tenant Based Rental Assistance (TBRA) to receive housing counseling from a HUD Certified Housing Counselor as a provision to receiving TBRA assistance.

BACKGROUND AND FINDINGS:

A request was made to HUD to convert prior year Community Housing Development Organization (CHDO) set-asides to Entitlement funds as staff has been unable to identify eligible CHDOs. Once converted, funds can be allocated and expended on other eligible activities in a timelier manner. Staff has received approval from HUD and the Office of Affordable Housing Programs for the conversion. The Ft. Hood Area Habitat for Humanity was recommended for funding in FY 2023 for the purchase of lots to construct homes but, did not execute a funding agreement due to a long-lasting project delay and other pending commitments. In addition, due to the use of HOME program income prior to the use of Entitlement funds for expenditures, Entitlement funds from FY 2017 were identified and available for reprogramming. On April 3, 2025, the Community Development Advisory Committee met to discuss and consider the reprogramming of the 2017 funds in the amount of **\$1,573.80**, the reprogramming of the converted CHDO funds in the amount of **\$162,059.55** and the Ft. Hood Area Habitat for Humanity allocation in the amount of **\$456,007.68** to fund affordable housing activities. In accordance with the Citizen's Participation Plan, a substantial amendment is required whenever there is a substantial change in the purpose, scope, location, or beneficiaries of an activity (project) and reprogramming is necessitated. During the development and subsequent acceptance of the 2020-2024 Consolidated Strategic Plan (Con Plan), the Tenant Based Rental Assistance Program (TBRA) proposed the use of a HUD Certified Housing Counselor (CHC) to provide person to person housing counseling to persons receiving assistance under the TBRA. As the use of a HUD CHC is not a regulatory requirement under the TBRA and the lack of availability of HUD CHCs in the area creates an undue burden on recipients, the removal of this requirement is recommended.

THE ALTERNATIVES CONSIDERED:

N/A

Which alternative is recommended? Why?

Hold a public hearing on June 3, 2025 and consider an ordinance on July 15, 2025, on a Substantial Amendment to Annual Action Plans 2017, 2021, 2022, and 2023 to provide funding for affordable housing activities and the removal from the 2020-24 Con Plan the requirement for HUD CHCs to provide services to TBRA recipients.

CONFORMITY TO CITY POLICY:

This action conforms to the Citizen Participation Plan adopted by City Council.

FINANCIAL IMPACT:

What is the amount of the revenue/expenditure in the current fiscal year? For future years?

\$619,641.03

Is this a one-time or recurring revenue/expenditure?

This is a one-time expenditure.

Is this revenue/expenditure budgeted?

This expenditure is budgeted.

If not, where will the money come from?

N/A

Is there a sufficient amount in the budgeted line-item for this revenue/expenditure?

Yes, sufficient funding is budgeted within the program accounts of the existing programs identified for reprogramming. Upon approval of this amendment, a budget transfer will move the funds to the newly approved programs.

RECOMMENDATION:

Hold a public hearing on June 3, 2025 and consider an ordinance on July 15, 2025, approving a Substantial Amendment to Annual Action Plans 2017, 2021, 2022, and 2023 to provide funding for affordable housing activities and the removal from the 2020-24 Con Plan the requirement for HUD CHCs to provide services to TBRA recipients.

MINUTES
COMMUNITY DEVELOPMENT ADVISORY COMMITTEE
April 3, 2025
Killeen Community Development Training Room
802 N. 2nd Street, Building E
Killeen, TX 76541
1:00 P.M.

CALL TO ORDER: Meeting was called to order at 1:07 P.M. by Mr. Frederick.

ROLL CALL: Committee members present – Mr. Frederick, Ms. Bracey, Ms. Cossey, Mr. Moss, Ms. Ringgold, Ms. Subree, Ms. Santos and Ms. Taylor and it was noted that Ms. Galbreth entered the meeting at 1:15 P.M. Absent: LaDonna Barbee. City Staff present – Tiffanie McNair, Rashawn Smith, Celeste Sierra, Donna Esquenazi and Asha Pender, Deputy City Attorney.

APPROVAL OF AGENDA: Ms. Bracey moved, seconded by Ms. Santos to approve the meeting agenda. Motion carried unanimously.

APPROVAL OF MINUTES of last meeting from December 5, 2024: Angela Santos moved to approve the minutes from December 5, 2024, subject to audit, motion seconded by Ms. Cossey to approve the December 5, 2024, CDAC minutes as written, no discussion and motion carried unanimously.

DISCUSSION ITEMS

A. Discuss update to HUD Section 108 Loan Guarantee program application submission process.

Ms. Smith provided a brief overview and update on the Section 108 Loan Guarantee Program. She noted that the City of Killeen submitted a letter of intent for the program on October 22, 2024. The original submission deadline of July 1, 2025, has been changed.

Community Development staff met with HUD's Section 108 Division and were informed that the application can be submitted alongside the Five-Year Consolidated Plan. As a result, a substantial amendment is no longer necessary. The new submission deadline is August 15, 2025.

Mr. Frederick inquired about when this item would be presented to the council. Ms. Smith stated that the presentation would take place after July 1. With no further questions, Mr. Frederick moved on to the next item.

B. Discuss and review substantial amendments to current 2020-2024 Consolidated Plan.

Ms. Smith provided an update on the current 2020–2024 Five-Year Consolidated Plan, which was adopted on July 28, 2020. She noted that there have been a few substantial amendments:

1. In March 2023, the City of Killeen (COK) received supplemental HOME-ARP funding.
2. A conditional substantial amendment was made in 2023 when CDBG funds were reprogrammed for the Rosa Hereford Center.

The proposed substantial amendment involves a language change to the current plan. Currently, the plan states that beneficiaries assisted with HOME-funded activities—particularly tenant-based rental assistance—must attend a HUD-certified housing counseling course. However, staff research revealed that this is not a HUD requirement, even though it was included in the current Consolidated Plan. The language will be revised to reflect that housing counseling is not required.

Next, the discussion moved to the reprogramming of CDBG and HOME funds for the 2025–2026 program year activities. These funds cannot be reallocated to Public Service programming; instead, they must fall within the 65% allocation for another public facilities category.

An award of **\$456,074.68** was previously granted to Habitat for Humanity, but the organization was unable to expend the funds. These funds, along with the 2021–2024 HOME set-asides and HOME Entitlement Funds from the 2017–2018 program year, are now targeted for reprogramming. The city has attempted to identify a CHDO in the area to assist with housing activities but has been unsuccessful.

The proposed use for the reprogrammed funds is **Tenant-Based Rental Assistance (TBRA)**, which will provide rental and security deposit assistance.

Mr. Frederick asked about time limits for CDBG and whether HOME funds have similar restrictions. Ms. McNair explained that HOME funds have an **eight-year** time limit. She emphasized that the priority is to have the funds reprogrammed to proceed.

Ms. Cossey inquired about the administration of the TBRA program and whether it would be managed separately from the City of Killeen. Ms. McNair clarified that COK staff would not oversee it directly; instead, a **subrecipient** would manage the program.

With no further questions, Mr. Frederick moved on to the next item.

C. Discuss and consider the reprogramming of CDBG funds in the amount of \$40,375.09 to FY 25-26 eligible activities.

Mr. Frederick read the item and stated we have gone over this information, and this will complete Agenda items C, D and E and will be handled under one motion combined. Mr. Frederick explained that if a motion is made, it would be to approve agenda items C, D and E combined. Motion to approve agenda items C, D and E made by Miss Sabree and seconded by Ms. Santos. Mr. Frederick asked if there was any discussion and hearing none motion passed unanimously.

D. Discuss and consider the reprogramming HOME funds in the amount of \$457,581.48 to FY 24-25 eligible activities.

Approved in combined motion under Agenda item C.

E. Discuss and consider Community Housing Development Organization set-aside in the amount of \$333,230.72.

Approved in combined motion Under Agenda item C.

DISCUSS FUTURE AGENDA ITEMS

Mr. Frederick reminded the CDAC of the importance of attending the Zoom Grants training. He reiterated the three available training dates and times.

Ms. Smith proposed tentative meeting dates for the next CDAC meetings, scheduled for May 14 and 15, 2025, to accommodate applicant presentations. A calendar hold has been placed for:

- **May 14, 2025:** 10:00 AM – 4:00 PM
- **May 15, 2025:** 12:00 PM – 4:00 PM (tentatively adjusted to 5:00 PM based on applicant volume)

During the meeting, an email was sent as a reminder for members to reserve these times on their calendars.

Mr. Frederick asked if there were any further discussions. Ms. Asha Pender noted that the scheduling is strict and emphasized the importance of CDAC members attending to review applications, observe presentations, and score applicants.

ADJOURNMENT:

With no further questions or comments, Mr. Frederick entertained a motion to adjourn. Ms. Cossey made the motion, which was seconded by Ms. Ringgold. The meeting was adjourned at 1:37 P.M.

PUBLIC HEARING FOR SUBSTANTIAL AMENDMENT
TO ANNUAL ACTION PLANS PY2017, 2021, 2022
& 2023 AND REVISION TO CON PLAN 2020-24

PH-25-027

June 3, 2025

Background

2

- ❑ A substantial amendment occurs when there is a change in the purpose, scope, location, or beneficiaries of an activity/project.
- ❑ HOME grant funds remain from previously eligible projects that were completed or cancelled without utilizing the entire amount allocated or when CHDO funds are converted into entitlement funds.
 - ▣ Reprogramming is necessary to maintain compliance with HUD and HOME expenditure regulations.

Background

3

- The Community Development Advisory Committee (CDAC) met April 4, 2025, to discuss a substantial amendment, reprogramming of excess HOME funds, and the timely expenditure of HOME.
- Reprogramming HOME funds will allow for use in the HOME Housing Programs, specifically, the Tenant Based Rental Assistance Program which will achieve timely performance with regulatory expenditure requirements of HOME funds.

Consolidated Plan Amendment FY 2020-2024

4

- ❑ HUD Certified Housing Counseling (HCHC) is not required under the Tenant Based Rental Assistance (TBRA) Program unless the jurisdiction elects to include it as part of their program.
- ❑ Killeen has only 1 agency certified to provide HCHC.
- ❑ The number of persons expected to experience an undue burden with the requirement of attending HCHC prior to receiving rental assistance will increase the wait period and likelihood that the household will experience housing instability and/or eviction.
- ❑ Removing this requirement under the goals and objectives of the TBRA Program from the FY 2020-24 Consolidated Plan is recommended as this will allow the City to assist households expeditiously and address the immediate need for assistance.

Staff Report

File Number: PH-25-028

Hold a public hearing and inform the public of a comment period from June 9 - July 15, 2025, to receive citizen participation and comment regarding the five-year 2025-29 Consolidated Plan draft and the proposed activities under the FY 2025-26 Annual Action Plan describing use of Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and the use of HOME American Rescue Plan (ARP) program funds (1st of 2 Public Hearings).

DATE: June 3, 2025

TO: Kent Cagle, City Manager

FROM: Tiffanie McNair, Executive Director of Community Development

SUBJECT: A public hearing and approval of comment period for the FY 2025-29 Consolidated Plan/Year-One FY 2025-26 Community Development Block Grant (CDBG) and Home Investments Partnerships (HOME) Program, and the use of FY 2021-22 HOME ARP Program funds.

BACKGROUND AND FINDINGS:

The City of Killeen will receive entitlement funds from the U.S. Department of Housing and Urban Development (HUD) for FY 2025-2026 Community Development Block Grant Program (CDBG) in the amount of \$1,350,070.00 and \$545,001.73 in Home Investment Partnerships (HOME) activities. Additionally, the city has re-programmable CDBG funds from FY 23-24 in the amount \$31,308.18 from CDBG Admin and Planning, \$42.89 from Community Engagement Unit, and \$9,024.02 from the Reunification Program for a total of \$40,375.09. The City is also administering remaining HOME American Rescue Plan (ARP) Program grant funds allocated during FY 21-22.

The FY 2025-26 grant cycle began on February 26, 2025, with the first Community Planning Meeting and concluded with the deadline for submitting Annual Funding Applications (AFF) on April 11, 2025. The process included a required in-person Pre-App Technical Workshop for first-time applicants on February 20, 2025. Pre-Applications were made available to interested organizations from February 24 to March 7, 2025. The AFF was made available to pre-application eligible entities for both the CDBG, HOME, and HOME ARP programs via the online application portal. Thirteen (13) CDBG, one (1) HOME, and three (3) HOME ARP AFFs were submitted by the deadline. Two (2) CDBG and one (1) HOME ARP applicants withdrew their requests prior to the Community Development Advisory Committee (CDAC) making its recommendations for funding. One (1) HOME ARP applicant withdrew their request after CDAC recommendation for funding.

Activities undertaken with CDBG, and HOME Program funds must meet goals and objectives established in the 5-year Consolidated (Con) Plan (PY 2025-2029) and year-one FY 25-26 Annual Action Plan (AAP) meeting affordable housing and community development needs. HOME ARP

activities must meet objectives described in the HOME ARP Allocation Plan and must assist identified Qualified Populations. Applications considered and recommended for funding align with identified priority community needs, affordable housing needs, goals, and objectives for specific priority categories. To ensure that priority needs are addressed, the CDAC used established scoring criteria for each program that places major emphasis on project significance, project feasibility, ability to comply with applicable HUD requirements (statutory and regulatory) applicable to each grant program, and the leveraging of funds from other federal, state, local, and private resources to be directed to the most pressing community development and affordable housing needs.

The CDAC met on May 14 and 15, 2025, to review and make recommendations for the proposed use of FY 2025-26 CDBG and HOME Program funds and the HOME ARP Program funds. Results are detailed in the attached CDAC meeting minutes.

HUD regulation allows for 20% of CDBG and 10% of HOME funds to be expended on administration/planning of CDBG and HOME activities and for a required 15% set-aside for Community Housing Development Organizations (CHDO) from HOME funds. All eligible project expenditures under the CDBG, HOME, and HOME ARP Programs will be reimbursed to the City by the U.S. Department of Housing and Urban Development.

THE ALTERNATIVES CONSIDERED:

1. Do not accept the FY 2025-26 grant funds and return funding to HUD.
2. Accept the CDAC recommendations until such time the 30-day comment period is complete, and incorporating any public comments received, and hold the final public hearing on July 15, 2025, to adopt the FY 2025-29 Con Plan and Year 1 AAP with citizen comment as appropriate.

Which alternative is recommended? Why?

Accept the CDAC recommendations until such time the 30-day comment period is complete, incorporate any public comments received, and hold the final public hearing on July 15, 2025, to adopt the FY 2025-29 Con Plan and Year 1 AAP with citizen comment as appropriate.

CONFORMITY TO CITY POLICY:

Yes, as described in the Citizen Participation Plan, approved by city council.

FINANCIAL IMPACT:

What is the amount of the revenue/expenditure in the current fiscal year? For future years?

\$0 in the current fiscal year and \$1,350,070.00 in CDBG funds, \$545,001.73 in HOME and \$40,375.09 in reprogramed CDBG grant funds, and \$100,000.00 in HOME ARP funds during FY 2025-26

Is this a one-time or recurring revenue/expenditure?

This is a one-time expenditure.

Is this revenue/expenditure budgeted?

If not, where will the money come from?

MINUTES
COMMUNITY DEVELOPMENT ADVISORY COMMITTEE
May 14 and 15, 2025
Killeen Community Development Training Room
802 N. 2nd Street, Building E
Killeen, TX 76541
10:00 A.M.

CALL TO ORDER: Meeting was called to order at 10:20 A.M. by Mr. Frederick.

ROLL CALL: Committee members present – Mr. Frederick, Ms. Bracey, Ms. Cossey, Mr. Moss, Ms. Subree, Ms. Santos and Ms. Taylor. Absent: LaDonna Barbee, Tony Ringgold and Angela Galbreth. City Staff present – Tiffanie McNair, Celeste Sierra, Donna Esquenazi and Asha Pender, Deputy City Attorney.

APPROVAL OF AGENDA: Ms. Cossey moved, seconded by Ms. Santos to approve the meeting agenda. Motion carried unanimously.

APPROVAL OF MINUTES of last meeting from April 4, 2025: Mr. Frederick advised the committee that there is a typo on the date of the meeting they are approving the minutes for. They are approving minutes from April 4, 2025, and the agenda reads April 3, 2025. Ms. Cossey moved to approve the minutes from April 4, 2025, motion seconded by Mr. Moss to approve the April 4, 2025, CDAC minutes as written, no discussion and motion carried unanimously.

DISCUSSION ITEMS

A. Review the schedule of applicant presentations.

Ms. Esquenazi distributed a handout and updated the committee on the applicant presentation schedule. Killeen Creators withdrew both applications on May 14th and will not present. The remaining schedule is unchanged.

B. Discuss and consider current federal grant funding and alternate approval methods for applicant funding.

Ms. McNair explained that when the agenda was prepared and posted, we had not received notification of our allocation. The City of Killeen has just received notification that \$1,350,070.00 is allocated for Community Development Block Grant and \$545,001.73 for HOME. Ms. McNair advised that CDAC can still elect an alternate plan for example awarding a percentage of the total allocation when it would have been received as opposed to reconvening when the allocation was received. Mr. Frederick explained that in the past the committee used last year's allocation numbers if the new allocation was not received in time when funding was recommended and depending on whether the allocation received was higher or lower than last years, the amounts were corrected by the higher or lower percentages without having to reconvene just to make that one change. Mr. Frederick entertained a motion and Ms. Santos moved to approve the motion to accept the alternate approval method so that if there is a change in the grant allocations, a percentage would be used to change the allocation amounts that CDAC recommends so CDAC would not need to reconvene. Ms. Bracey seconded the motion. No further discussion and motion carried unanimously.

C. Discuss and consider recommendations for the grant awards of CDBG, HOME and HOME- ARP Program Year 2025-2025 applications. The committee heard in-person presentations from the following agencies for the indicated programs:

Maureen Jouett, Bring Everyone in the Zone Recourse Manager salary assistance;
Michael Dewees and Cinnamon Clay for Communities in Schools caseworker salary assistance;
William Hall for Families in Crisis for homeless shelter caseworker salary assistance;

TaNeika Driver-Moultrie for Greater Killeen Community Clinic office manager salary assistance.

Mr. Frederick advised members that the meeting would recess for lunch and would resume with the presentations. Meeting recessed at 12:05 PM. Meeting resumed at 12:50 P.M. Committee members resumed listening to presentations from the following entities for the indicated programs/projects:

Jamie Hunt for Hill Country Community Action for center director salary assistance;
Sgt. Kyle Moore for the Community Engagement Unit;
Sgt. Kyle Moore for the Homeless Outreach Team Reunification Program.

After presentations, Mr. Frederick called for a break at 2:10 PM. The meeting resumed the meeting at 2:25 PM.

Committee members resumed listening to presentations from the following entities for the indicated programs/projects:

Sgt. Kyle Moore for the Tenant Based Rental Assistance Program;
Tanya Roper for the Faith-Based Chemical Dependency Treatment Facility Program.

Staff Report

File Number: PH-25-029

Hold a public hearing and inform the public of a comment period from June 9 - July 15, 2025, to receive citizen participation and comment regarding revision to the City of Killeen Citizen Participation Plan (1st of 2 Public Hearings).

DATE: June 3, 2025

TO: Kent Cagle, City Manager

FROM: Tiffanie McNair, Executive Director Community Development

SUBJECT: A public hearing and approval of comment period to receive citizen participation and comment regarding revision to the City of Killeen Citizen Participation Plan.

BACKGROUND AND FINDINGS:

Pursuant to the citizen participation requirements of 24 CFR Section 91.105, the U.S. Department of Housing and Urban Development (HUD) requires a participating jurisdiction (PJ) have an approved Citizen Participation Plan (CPP) that outlines policies and procedures for ensuring that residents have an opportunity to be fully engaged in community improvement activities. The Citizen Participation Plan provides the framework through which residents can have input and influence over proposed community development activities particularly the development, implementation, and assessment of programs as outlined in the Five-Year Consolidated Plan (CP), Annual Action Plan (AAP), Consolidated Annual Performance and Evaluation Report (CAPER), Analysis of Impediments to Fair Housing (AI), and other city administered HUD-funded programs.

As a recipient of Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) entitlement funds, the City of Killeen is a designated PJ.

The first CPP was approved and adopted by the Killeen City Council in July 1988 with revisions in January 1995, April 1998, January 2011, January 2015, and April 2020; all comply with revised regulations for Community Planning and Development Programs.

The current revision to the CPP will further clarify CD staff and Community Development Advisory Committee (CDAC) responsibilities, modernize the Substantial Amendment criteria, and update other relevant information. Public Notice of the CPP comment period was published in the Killeen Daily Herald on May 18, 2025.

HUD requires that revisions to the CPP be adopted and followed by the PJ until a subsequent revision proposed.

PREFACE

In order to receive CDBG funding, the U.S. Department of Housing and Urban Development (HUD) requires that the City of Killeen have an approved Citizen Participation Plan (CPP) that outlines policies and procedures for ensuring that residents have an opportunity to be fully engaged in community improvement activities. The Citizen Participation Plan provides the framework through which residents can have input and influence improvement activities particularly the development, implementation, and assessment of programs for the Consolidated Plan and other local HUD-funded programs. The first Citizen Participation Plan for the City of Killeen was developed by the Community Development Department under the guidance and requirements of 24 CFR Part 91.105 and complying with Section 104(a)(3) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(A)(3)). The CPP was approved and adopted by the Killeen City Council in July 1988 with revisions in January 1995, April 1998, January 2011, January 2015, and April 2020; all comply with revised regulations for Community Planning and Development Programs.

The consolidated submission process envisions that housing and community development planning and programming will be accomplished through a unified and comprehensive framework that will open new opportunities for collaboration and collective problem solving, involving all residents with citizen participation being an integral part of the City's relationship with the residents it serves. The City of Killeen encourages participation of local and regional institutions and other organizations (including businesses, developers, and community and faith-based organizations) in the process of developing and implementing the consolidated plan. The City will encourage, in consultation with the Housing Authority of Killeen [public housing agency], the participation of residents of public and assisted housing developments, along with residents of targeted revitalization areas in the process of developing and implementing the consolidated plan.

The CPP emphasizes the involvement of all residents, particularly residents of predominantly low- and moderate-income neighborhoods, minorities, and non-English speaking persons, persons with disabilities and persons residing in designated areas proposed to utilize CDBG funds.

The CPP also outlines the process through which the public can participate in the development of the consolidated plan, access general information, receive technical assistance, and to provide comments on any substantial amendments, the annual performance report, and receive timely responses to questions. The City will continue to explore alternative public involvement techniques and quantitative ways to measure efforts that encourage citizen participation in a shared vision for change in the community and neighborhoods, and the review of program performance through focus groups, and use of the Internet.

Involving the community is more than a formality or program requirement; it is the heart of the community development process. The community knows its own needs, and the advice and participation of each member of the community is essential to successful planning and implementation of community development programs. To that end, it is with great expectations that the community, its residents, and elected officials will resolve community and neighborhood concerns through the citizen participation process.

~CITY OF KILLEEN RESPONSIBILITY~

The Citizen Participation Plan is developed so as not to restrict the responsibility or the authority of the City to develop and execute its consolidated plan, annual action plans, program amendments, or performance report.

The Community Development Department (CDD) is responsible for the administration in the development and implementation of community development plans, programs, and services assisting eligible residents, sub-recipient organizations, and City Departments in obtaining and making use of the services and benefits provided by the Community Development Department. The Community Development Department, City staff will:

- Encourage residents to provide input for the Consolidated Plan (CP) and Annual Action Plans (AP) through letters, postings, and notices of such opportunities;
- Make available to all interested parties, information that includes the amount and proposed use of program funds, the estimated number of low- and moderate-income persons estimated to benefit from proposed activities, and the efforts to minimize adverse effects of any program activity on Killeen's residents, including displacement¹;
- Publish notices pertaining to the Consolidated Plan, Annual Action Plans, program/plan amendments, and the Consolidated Annual Performance Report;
- Ensure that each report, plan, or summary provides a detailed overview of each program or service's objectives, outcomes, and performance measurements in compliance with the requirements of HUD Community Planning and Development program funds; and
- Ensure compliance with all federal requirements associated with the use and expenditure of HUD Community Planning and Development program funds.

~CITIZEN PARTICIPATION COORDINATOR~

The administrative authority for the operation of Community Planning and Development programs shall rest with the office of the City Manager. The Executive Director of the Community Development Department (EDCDD) will serve as the approving office for program implementation. In order to provide consistency and a single point-of-contact, the EDCDD and staff will be responsible for insuring that the CPP is carried out and that the City's citizen participation efforts are carefully documented and monitored. The EDCDD will serve as an advisor and secretary to the Community Development Advisory Committee (CDAC), keeping minutes, contacting committee members of hearings and meetings, and providing general program information to the members on a timely basis. The EDCDD may be contacted during regular business hours at 254.501.7847, at Community Development Department offices-802 N. 2ND Street, Building E, or by electronic mail to lhinkle@killeentexas.gov. All requests for information and/or assistance will be channeled through the EDCDD.

~COMMUNITY DEVELOPMENT ADVISORY COMMITTEE~

The Killeen City Council has established a Community Development Advisory Committee to encourage the amount of citizen participation in the planning and implementation of community planning and development programs. The committee consists of ten (10) members directly appointed by the City Council who are broadly representative of all elements in the community.

¹ To minimize and mitigate the effects of displacement, the City will follow the procedures set out under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (the Uniform Act)

Insofar as practical, the committee will include some residents of low-and moderate-income neighborhoods.

The general duties of the Community Development Advisory Committee will include:

- Conduct community-planning meetings to solicit community input from residents and stakeholders, and assess community needs;
- Assist in the assessment and determination of community needs at both citywide and neighborhood levels and in the development of realistic goals and objectives to meet these needs;
- Assist in the evaluation and recommendation of proposals from community organizations and other eligible entities requesting funding and assistance;
- Assist in the development of specific project proposals for community development in the Consolidated Plan;
- Assist in the development of goals for housing assistance by type and location, and make recommendations to the City Council;
- Assist in the monitoring of current program activities and the evaluation of past program performance; and
- Assist in the implementation of HUD Community Planning and Development programs and modifications as determined by community assessment and HUD requirements.

~PUBLIC NOTICES~

The City of Killeen publicizes information pertaining to community planning and development programs. The EDCDD is responsible for insuring timely and descriptive notices are conveyed to the community through conventional and alternative mediums including methods such as newspaper, radio, television announcements, bulletin board postings, Internet, email, web page postings, and other acceptable means of communication. The various means of communication may include:

- Posting notices at various public places frequented by low-and moderate-income persons, i.e. City Utility Collections offices, City Hall, City Public Library, area Community Centers, and at the Killeen Housing Authority, etc.
- Providing notices to social and community service agencies that assist children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, and homeless persons; and
- Providing notices to local and regional institutions and other organizations including businesses, developers, and community, neighborhood, civic, and faith-based organizations

Notices may incorporate measures to allow for immediate response to current and/or future declarations of disaster and emergencies whereby the use and expenditures of funding may address and the need for immediate response to a declared disaster and/or emergency. Such notices will contain community planning and development information and be published on the Internet at the City web page in advance of scheduled specific actions to be considered. As budgeting permits, publication will be in a newspaper of general circulation and daily publication primarily serving the Killeen area.

Notices published in the daily newspaper will appear in the non-legal, non-classified section of the publication. At a minimum, the notices shall be written in the English language, easily readable and include the date, time, place, and general topics to be considered.

Notices will be published in English language. Additionally, notices will be published in non-English language(s) at such time the population of persons in Killeen equal 15% or more of the total population of Killeen city [according to U.S. Census Bureau Data]. (i.e., an estimated 22.9%² of the population of Killeen is Hispanic; therefore notices will also be published in the Spanish language).

~MEETINGS~

The City will provide citizens reasonable and timely access to local meetings **whether virtual or live** including, but not limited to Community Development Advisory Committee Meetings, Community Planning Meetings, Town Hall Meetings, and City Council Meetings. These meetings will be typical of informal “community” meetings where attendees will be given an opportunity to participate and engage in communications on housing and community development needs including priority non-housing community development needs.

The City will require a register of all persons attending the meeting and minutes of the meeting will be recorded. A copy of the attendee register and the minutes of the meeting will be available to the public within five (5) business days after the date of the meeting.

Community Development Advisory Committee Meetings and Community Planning Meetings will be held at easily accessible locations where a large percentage of very low- and low-income persons have been identified to reside.

Because it is anticipated that representatives of the local Hispanic population will attend these meetings, the City will have a bilingual representative available, fluent in both English and Spanish languages. The City shall provide translators for non-English speaking groups (e.g. Korean) upon requests received at least 48 hours prior to the meeting.

~USE OF THE CITIZEN PARTICIPATON PLAN~

The City of Killeen will follow guidelines established in the Citizen Participation Plan and will provide for any revisions or changes in accordance to the CPP. The CPP will be made available to all citizens and in a format accessible to persons with disabilities.

GOALS OF THE CITIZEN PARTICIPATION PLAN

The goals of the Citizen Participation Plan are to:

- Identify the authority and responsibilities of the City of Killeen with regard to adherence of federal statutory, regulatory, and written guidance associated with application, receipt and use of U.S. Department of Housing and Urban Development-Community Planning and Development Programs funding;
- Ensure that development of the Consolidated Plan is responsive to the needs of Killeen’s low- and moderate-income residents;

² U.S. Census bureau State & County QuickFacts. Data derived from Population Estimates, American Community Survey, Census of Population and Housing. Last Revised: Thursday December 4, 2014 09:57:02 EST.

- Provide a framework for residents, and community and neighborhood-based organizations to have input in the planning implementation, coordination, and assessment of the Consolidated Plan. The CPP details the proposed use of the City's HUD funded Community Planning and Development Programs;
- Ensure maximum participation from all interested local and regional developers including Community Housing Development Organizations (CHDOs), Community Based Development Organizations (CBDOs), and Community Development Corporations (CDCs) in partnership with the City to secure decent housing, create suitable living environments and expand economic opportunities for residents of the Killeen community.

~REVISION OF THE CITIZEN PARTICIPATION PLAN~

At such time the Citizen Participation Plan requires revision, the Community Development Department will publish a notice on its Internet web site. The notice will indicate that the Citizen Participation Plan has been revised, identify how a copy of the document may be obtained, and invite public comments.

Unforeseen events, emergency situations, and declarations of disaster requiring revisions to the CPP will provide a public review/comment period for a minimum of five (5) days. Citizens will have 5 days to review the amended CPP and submit comments to the City of Killeen through the Community Development Department otherwise the public review/comment period will be for fifteen (15) days. All citizen comments will be maintained on file. Upon request, arrangements will be made to accommodate requirements for persons with disabilities to access the amended CPP.

~PUBLIC HEARINGS~

The EDCDD will initiate, schedule and publicize any public hearings pertaining to the receipt, use, and expenditure of HUD Community Planning and Development program funds. A minimum of two (2) public hearings, per year, will be conducted in the program year to obtain citizens' views and to respond to proposals and questions. Together, the hearings will address housing and community development needs, development of proposed activities, and review of program performance. At least one of the hearings will be held before the proposed consolidated plan is published for comment.

Public hearing notices may incorporate measures to allow for immediate response to current and/or future declarations of disaster and emergencies whereby use and expenditures associated with allocations and receipt of funding provided by the U.S. Department of Housing and Urban Development (HUD) will require statutory and regulatory requirements to address an immediate response to the declared disaster and/or emergency. This type of public hearing notice will be published on the Internet at the City web page in advance of the public hearing date, otherwise public hearing notices will be published in accordance with the PUBLIC NOTICES section of this plan. All public hearing notices will include sufficient information about the subject of the hearing. Public Hearings notices will be published on the Internet at the City web page in advance of the public hearing date.

Public Hearings will be held primarily in City Council Chambers, 101 N. College Street, Killeen, Texas. Public Hearings required to address immediate response to current and/or future declarations of disaster and emergencies may be held by “virtual” means using live streaming video, audio, and/or text to allow people, regardless of their location, to receive and comment on information and data in real-time without being physically located together. Citizens will be provided reasonable notification of and access to public hearings as relevant information permits.

In the case of public hearings where significant number of non-English speaking residents can be reasonably expected to participate, the City shall have a person fluent in both English and the non-English language. Requests for accommodations for persons with disabilities or persons requiring language translation shall be met providing a minimum of 48 hours’ notice prior to the date and time of the hearing.

Public hearings will be held primarily after 5:00 PM to accommodate persons who work during the day.

~TECHNICAL ASSISTANCE~

The City of Killeen will provide technical assistance to all interested persons/parties so they may adequately participate in the planning, implementing, and assessing of community development programs. Technical assistance will also be available for assisting community organizations serving low- and moderate-income persons or that provide services in target areas in developing their proposals for HUD-CPD funded programs.

Technical assistance will include review and analysis of proposals by City staff specialists, the use of public meeting rooms, and access to program information. Technical assistance may be offered as one-on-one sessions, group training, or at community meetings and/or workshops. If staff capability does not exist to handle a request within a reasonable time period or an expenditure of funds is required, then the request will be routed through the City Manager to determine what action can be taken to more expeditiously resolve the issue.

~THE CONSOLIDATED PLAN AND ANNUAL ACTION PLANS~

Development of the Consolidated Plan

Every three to five years the City will submit to HUD, a strategic plan of action describing local housing and community conditions, general and geographical priorities including the rationale for establishing priorities, identification of obstacles to meeting underserved needs, a summarization of specific objectives and expected outcomes addressing-affordable housing, public housing, homelessness, other special needs of categorized persons, non-housing community development needs, neighborhood revitalization, anti-poverty strategy, the institutional structures and its strengths and weaknesses in its delivery system. Local resources and coordination of those resources, and the lead agency or entity responsible for overseeing the development of the plan will be identified and the significant aspects of the process by which the consolidated plan was developed. The Consolidated Plan will also identify the agencies, groups, organizations, and others who participated in the development process, a description of the City’s consultations

with social service, health, housing, child services, and other entities, and a concise summary of the citizen review process and public comments.

Development of Annual Action Plans

In accordance with the requirements of the Consolidated Plan (CP), annually, the City will submit a concise summary of objectives and expected outcomes of proposed activities that the jurisdiction will undertake during the next year to address priority needs and objectives identified in the Consolidated Plan. The Annual Action Plan (AP) will also include an evaluation of past performance, geographic distribution of available resources, consultation efforts, and a summary of citizen participation.

At a minimum, the planning and development of the Consolidated Plan and Annual Action Plans will include:

Notice of Community Planning Meetings. A notice of community planning meetings, to be conducted at designated locations, will be published in the local daily newspaper and on the Internet at the City's web page. These meetings will be conducted by the Community Development Advisory Committee and the EDCDD to provide program information and to offer technical assistance to citizens, community organizations, and other eligible entities. The notice will be published at least seventy-two hours (72) hours / three (3) calendar days in advance of the meeting(s) in the non-legal section of the local newspaper and at least three (3) days in advance on the Internet at the City's Community Development Department Community Planning Meetings web page. The notice will contain:

- Information on program funds made available from the U.S. Department of Housing and Urban Development-Community Planning and Development programs;
- The scheduled date, time, location, and general topics of discussion for the meetings; and
- The notice will be published in other non-English languages as described in the Public Notices section of this plan.

Accessible Meeting Materials. General information will be provided at the meeting either in the form of a brochure/handout or in an audio-visual presentation of program and meeting content. The City will use such means as signing interpretation for deaf persons, non-English language interpreters, and large print materials for sight impaired persons. Such material will include:

- The anticipated amount of HUD Community Planning and Development Program funds;
- The summary of requirements and the type of activities that may be undertaken including the type of activities previously funded in Killeen;
- The processes to be followed in the application/proposal process;
- The role of citizens in the planning process;
- The schedule of meetings and hearings associated with the Consolidated Plan and Action Plans

Location of Community Planning Meetings. The community planning meetings will be held throughout the City in locations easily accessible by low- and moderate-income persons, and to interested groups, and organizations.

Project Proposal/Application.

The Community Development Department is responsible for development of an annual project proposal/application. The proposal/application will aid City staff and CDAC in the review and recommendation of eligible activities [projects, programs, or services] to be funded by the HUD-CPD programs. The proposal submittal will be open for a period not less than thirty-days. The CDD will provide applicants with technical assistance in completing the proposal/application.

Any oral project suggestions during planned meetings will be followed by encouragement to submit written project proposals.

Committee Review and Recommendation of Proposals. Upon the close of the proposal/application period, the Community Development Advisory Committee will meet, receive presentations from proposal applicants, discuss, and rank/prioritize the eligible projects submitted based on the priority needs expressed in the Community Planning Meetings and consistent with established goals and objectives identified by community stakeholders. The CDAC will then submit their recommendation to the Killeen City Council during two public hearings.

Review and Recommendation Associated With Response to Emergencies, Declarations of Disaster. Measures requiring immediate response to emergencies or declarations of disaster will be guided by the U.S. Department of Housing and Urban Development, or other fund source, to immediately address a response to an emergency, disastrous/catastrophic condition, or other such situation that requires protection, preparation and prevention of a potentially disastrous/catastrophic condition from occurring. The Killeen City Manager and/or his/her designee and the EDCDD will discuss proposed uses that will, to the greatest extent feasible, offer relief to the affected residents and the Killeen community.

Public Hearings. Following the community planning meetings and the annual request for proposals, the City Council will hold two public hearings to consider and review the recommendations from the CDAC and to hear citizen comments pertaining to these recommendations. CITY OF KILLEEN CITIZEN PARTICIPATION PLAN

I. Background

Participating Jurisdictions (PJs) that receive U.S. Department of Housing and Urban Development (HUD) entitlement grant funds must develop a Citizen Participation Plan (CPP). The CPP describes efforts that will be undertaken to encourage community members to participate in the development of the City's federal reports: Assessment of Fair Housing/Analysis of Impediments (AFH/AI/AI), Consolidated Plan (CP), Annual Action Plan (AAP), and the Consolidated Annual Performance and Evaluation Report (CAPER).

The CPP is designed to encourage the participation of city residents in the development of the federal reports listed above, particularly those residents who are predominantly low- and moderate-income. For purposes of CDBG funding, a resident is considered to be low-income if their family income equals 50% or less of area median income (AMI), as estimated by HUD. A person is considered to be moderate-income if their household income is between 50% and 80% of AMI. Predominately low-to moderate-income neighborhoods are defined as any neighborhood where at least 51% of the residents have incomes equal to or below 80% of the AMI for any given year. The determination of whether a neighborhood meets the low-to moderate income definition is made by the City at the time a project of area-wide benefit is funded based on current data provided by HUD.

Any person that resides in the City of Killeen is encouraged to provide input about the federal reporting process as outlined in this CPP. The City takes appropriate actions to encourage the participation of persons of minority backgrounds, persons with limited-English proficiency, and persons with disabilities.

The City of Killeen is committed to compliance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, as amended. Reasonable modifications and equal access to communications will be provided upon request. The City of Killeen does not discriminate on the basis of disability in the admission or access to, or treatment or employment in its programs and activities.

The City of Killeen also encourages participation of local and regional institutions and other organizations (including businesses, developers, and community and faith-based organizations) in the process of developing and implementing the Consolidated Plan and related reports. The City will encourage, in consultation with the Killeen Housing Authority, the participation of residents of public and assisted housing developments, along with residents of targeted revitalization areas in the process of developing and implementing the consolidated plan.

The City of Killeen considers it the right of all Killeen's residents to have the opportunity to provide input and comment on the use of public funds and the community's needs related to affordable housing and community and economic development.

II. Purpose

Pursuant to the citizen participation requirements of 24 CFR Section 91.105 and 24 CFR Part 5, the City of Killeen sets forth the following amended Citizen Participation Plan as it relates to the administration of the Community Planning and Development (CPD) programs funded by

the U.S. Department of Housing and Urban Development (HUD). The Citizen Participation Plan presents the City's plan for providing for and encouraging all citizens to participate in the development, revision, amendment, adoption, and implementation of:

- 1) The Citizen Participation Plan
- 2) The Assessment of Fair Housing/Analysis of Impediments (AFH/AI)
- 3) The Consolidated Plan (CP)
- 4) The Annual Action Plan (AAP)
- 5) The Consolidated Annual Performance and Evaluation Report (CAPER), and
- 6) Substantial Amendment to the CP or AAP.

The purpose of programs that are covered by this CPP is to improve the Killeen community by providing: decent housing, a suitable living environment, and growing economic opportunities – all principally for low- and moderate- income households.

This document outlines how members of the Killeen community may participate in the six planning areas listed above. General requirements for all or most activities are described in detail in “Section x. General Requirements” of the CPP. The CPP is developed so as not to restrict the responsibility or the authority of the City to develop and execute its consolidated plan, annual action plans, consolidated annual performance and evaluation report, or amendments.

III. HUD PROGRAMS

The City of Killeen receives two (2) entitlement grants from HUD, to help address the City's affordable housing, community and economic development needs. The two (2) grant programs are described below:

1. ***Community Development Block Grant Program (CDBG):*** Title I of the Housing and Community Development Act of 1974 (PL 93-383) created the CDBG program. It was reauthorized in 1990 as part of the Cranston-Gonzalez National Affordable Housing Act. The primary objective of the CDBG program is to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic development opportunities for persons of low-and moderate income.

The City develops locally defined programs and funding priorities for CDBG, but activities must address one or more of the national objectives of the CDBG program. The three national objectives are: (1) to benefit low- and moderate- income persons; (2) to aid in the prevention or elimination of slums or blight; and/or (3) to meet other urgent community development needs. The City of Killeen's CDBG program emphasizes activities that directly benefit low- and moderate-income persons.

2. ***HOME Investment Partnerships Program (HOME):*** HOME was introduced in the Cranston- Gonzalez National Affordable Housing Act of 1990 and provides funding for housing rehabilitation, new housing construction, acquisition of affordable housing, and tenant-based rental assistance. A portion of the funds (15 percent) must be set aside for community housing development organizations (CHDOs) that are certified by the City of

Killeen.

The City of Killeen's program/fiscal year begins October 1 and ends September 30.

A summary of all comments or views received in writing, or orally during the comment period will be attached to the revision upon submission to HUD.

C. CONSOLIDATED PLAN. Every three to five years, the City will submit a Consolidated Plan to HUD that describes local housing and community conditions; establishes general and geographic priorities along with the rationale for those priorities; identifies obstacles to meeting the needs of underserved populations; and summarizes specific objectives and anticipated outcomes. The Plan will address affordable housing, public housing, homelessness, special needs populations, non-housing community development needs, neighborhood revitalization, and anti-poverty strategies. It will also outline the institutional structure, including strengths and weaknesses in the service delivery system, identify available local resources and how they are coordinated, name the lead agency responsible for overseeing the Plan, and describe the significant elements of the planning process.

Community member participation is an essential component in the development of the Consolidated Plan, including amending the plan as well as reporting on program performance. Consultations, public hearings, community meetings, surveys and opportunities to provide written comment are all a part of the strategy to obtain community member input. The City will make special efforts to encourage the participation of all community members including minorities, the non-English speaking population, and persons with disabilities. Actions for public participation in the Consolidated Plan follow:

1. ***Consultations with Other Community Institutions.*** In developing the Consolidated Plan, the City will identify and consult with public and private agencies, both for-profit and non-profits that either provide or have direct impact on the broad range of housing, health, and social services needed by Killeen residents. Consultations may take place through meetings, committees, or other means with which to coordinate information and facilitate communication. The purpose of these meetings is to gather information and data on the community and economic development needs of the community. The City will seek specific input to identify the needs of persons experiencing homelessness or at -risk of homelessness, persons with disabilities, and other special populations.
2. ***Utilize Quantitative and Qualitative Data on Community Needs.*** City staff shall review relevant data and conduct necessary evaluation and analysis to provide an accurate assessment of community needs and priorities on which to base strategic recommendations.

3. **Public Hearings.** There will be a minimum of two (2) public hearings at two different stages of the program year before the City of Killeen Council to obtain citizens' views and to respond to proposals and questions. At least one of these hearings shall held before the proposed consolidated plan is published for comment. Together, the hearings will address housing and community development needs, development of proposed activities, and review of program performance.

Public Hearings will primarily be held in the City Council Chambers at 101 N. College St., Killeen, Texas. In response to current or future disasters or emergencies, hearings may be conducted virtually via live video, audio, or text to ensure real-time public access and participation. Notices and access details will be provided in a reasonable timeframe.

Public hearings will be held primarily after 5:00 PM to accommodate persons who work during the day.

A period of no less than 30 calendar days will be provided to receive written comments on the draft Consolidated Plan. The draft plan will be made available at Killeen City Hall, Killeen public libraries, public housing authorities, community centers, at the Community Development Division's office, and on the Community Development Department website (www.KilleenTexas.gov/289/Community-Development). In addition, upon request, federal reports will be provided in a form accessible to persons with disabilities.

Final action by the City Council will occur at the close of the second City Council public hearing on the draft plan. When approved by City Council, the Consolidated Plan will be submitted to HUD by no later than August 15 each year.

3. City staff will gather public input and statistical data to prepare the draft Annual Action Plan. A draft Annual Action Plan will be available for not less than 30 days for public comment after reasonable notice to the public is given.
4. During this comment period, the EDCD shall receive public comments on the draft Annual

Action Plan and Consolidated Plan.

5. The CDAC will be given the opportunity to make recommendations to the City Council prior to its final action.

Final Action on the Annual Action Plan. All written or oral comment provided will be considered in preparing the final Annual Action Plan. A summary of comment received, and the City's reasons for accepting or not accepting the comments must be included in the final document. The City Council will consider these comments, CDAC recommendations, and the recommendations of the City Manager before taking final action on the Annual Action Plan. Final action by the City Council will occur at the close of the second City Council public hearing on the draft plan. When approved by City Council, the Annual Action Plan will be submitted to HUD by no later than August 15 each year.

E. SUBSTANTIAL AMENDMENTS TO CONSOLIDATED/ACTION PLAN. Recognizing that changes during the year may be necessary to the Consolidated Plan and Annual Action Plan after approval, the Citizen Participation Plan allows for "substantial amendments" to plans. These "substantial amendments" apply only to changes in CDBG funding allocations. Changes in funding allocation for the HOME program received by the City of Killeen is not required to secure public review and comment. The CPP defines a substantial amendment as:

The addition or deletion of projects during the program year or substantially changes the purpose, scope, location, or beneficiaries of an activity. Amendments include changes in objectives, goals, strategies, resources available, etc. Reprogramming of funds may be necessitated by cost overruns, unforeseen circumstances, or low bids.

The CDD has identified the following criteria for the requirement of a substantial change or amendment in the planned or actual activities of the Consolidated Plan or Annual Action Plan:

1. **Purpose:** When the purpose of a project/program/activity is redesigned because of a significant change in how the funds will be used or the inclusion of a funding component not previously described in the Consolidated Plan or Annual Action Plan.
2. **Scope/Budget:** When the scope or a monetary change, of a project/program/activity, by an increase to the budget equal to 25% or more from the originally approved allocation and not previously described in the Consolidated Plan or Annual Action Plan.
3. **Location:** When the location of a project/program/activity is changed from the original site(s)/location(s) and not previously described in the Consolidated Plan or Annual Action Plan.
4. **Beneficiaries:** When the beneficiary population is changed from the original type [limited clientele to area benefit, seniors to children, job benefit to housing, etc.] and not previously described in the Consolidated Plan or Annual Action Plan.

In the event of a proposed substantial amendment to the governing Consolidated Plan or Annual Action Plan:

1. CD staff will present the proposed substantial amendment to the CDAC at a regular or special called meeting of that committee.

2. CD staff will draft the amendment and publish a brief summary of the proposed substantial amendment(s) and identify where the amendment(s) may be viewed.
3. After reasonable notice, there will be a written public comment period for not less than 30 days.
4. During the 30-day comment period, the City Council shall receive oral comments in public hearings.
5. There shall be two public hearings to receive community member input on the community needs, including funding allocations. One public hearing shall be before the proposed AAP is published for comment.
6. The CDAC will be given the opportunity to make recommendations to City Council prior to its final action.
7. Final action by the City Council will occur at the close of the second City Council public hearing on the draft substantial amendment. If approved by City Council, the substantial amendment will be submitted to HUD within 15 business days.

Disaster Response and Recovery Funds

In the event of a declared emergency situations, or current and/or future declarations of disaster, it may be necessary for the City to apply for new emergency grant funding from HUD, such as CDBG-Disaster Recovery grants, or any other grants issued to jurisdictions in the event of a disaster which requires an urgent response to address the needs of the community.

In order to expedite the distribution of emergency funding during a disaster response situation the City Council, City Manager, or HUD may determine it is necessary to waive certain substantial amendment provisions described in Section VII(E) or certain General Requirements Provisions described in Section E. Any such waiver is subject to the requirements of the respective emergency funding appropriation. The proposed substantial amendment will be published for five (5) days.

The City Council will act on the proposed amendment at a City Council Meeting in which proper notice of program amendment has been given.

The criteria HUD used to qualify local “urgent needs” (e.g., events of “particular urgency” because existing conditions pose a serious and immediate threat to the health or welfare of the community for which other funding is not available) can be found at 24 CFR 570.483(d). To comply with the national objective of meeting community development needs having a particular urgency, a project must alleviate existing conditions which:

1. Pose a serious and immediate threat to the health and welfare of the community;
2. Are of recent origin or recently became critical within 18 months preceding the certification by the grantee;
3. Are unable to be financed by the City on its own; and
4. Other funding resources are not available to completely carry out the activity.

In the event of a disaster that requires a response to address local urgent needs, the City will:

1. Notify HUD at least five (5) days before implementing changes or amendments to the Consolidated Plan and/or Action Plan; and
2. Make reasonable efforts to provide the public opportunity to comment on

changes and amendments to the Consolidated Plan and/or Annual Action Plan.

These actions do not require the City to comply with all of the substantial amendment provisions related to the citizen participation requirements described in Section VII(E) or all of the General Requirements Provisions described in Section X.

HUD Waiver Process

Upon determination of good cause, HUD has the authority to waive certain regulatory provisions of the CDBG and HOME programs subject to statutory limits. The City reserves the right to submit waiver notifications to HUD when expedited assistance is offered through programs covered by the Consolidated Plan. Following completion of a waiver process as determined by HUD, the City may carry through actions as prescribed by the approved waiver determinations authorized by HUD.

VIII. CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (CAPER).

The City is required to submit annually by December 30th, a CAPER to HUD that describes the City's progress in meeting the goals in the Consolidated Plan.

1. CD staff prepares the draft CAPER.
2. After reasonable notice is provided, the CAPER is available for not less than 15 days for written public comment.
3. The City Council shall hold a public hearing to receive oral public comments on the CAPER.
4. The final CAPER and public comments will be submitted to HUD.
5. The CAPER will be available at Killeen City Hall (City Secretary Office), Community Development Department, and the Community Development Department webpage (www.killeentexas.gov/289/Community-Development).
