

AWARD BID 23-02, WATER & SEWER MATERIALS

RS-22-156

November 1, 2022

Project Background

2

- ❑ Water and Sewer utilizes various supplies to operate and maintain the water distribution and sewer collection systems
- ❑ Supply items are procured through the bid process on an annual basis and bidders are selected by individual supply line items based on the low bid for that item
- ❑ In FY 22, incomplete bids were received and rejected due to instability in the market
- ❑ Supply items needed throughout FY 22 were procured via three quote purchasing policy on an “as needed” basis

Bid Information

3

- On September 15, 2022, three bids were received for Bid No. 23-02, Water and Sewer Supply Items at estimated quantities for a six-month period
 - ▣ Aqua Metric
 - ▣ Ferguson Waterworks
 - ▣ Zenner Performance Meters
- Selected vendors are Ferguson Waterworks and Zenner Performance Meters for an amount not to exceed \$199,163 for a six-month period

Alternatives

4

- ❑ Reject all bids and continue purchasing items on an “as needed” basis
- ❑ Authorize the award of contracts to selected vendors in an amount not to exceed \$199,163

Recommendation

5

- City Council authorize the City Manager, or designee, to award contracts to Ferguson Waterworks and Zenner Performance Meters in an amount not to exceed \$199,163
