BID PROPOSAL, PAGE 2 OF 2

Notes & Clarifications

- 1.) On materials that are furnished, but not installed in this proposal, all materials shall be delivered FOB jobsite. All labor and equipment necessary for unloading is Customer's responsibility.
- 2.) Upon delivery, Customer is responsible for immediately checking the delivery ticket, and noting any shortages, damage, or discrepancies. Integrity Builders Supply assumes no responsibility for replacing materials that are not noted as deficient upon delivery.
- 3.) This bid is made contingent upon reasonable and continuous access to all work areas. Customer must provide reasonable flow of work.
- 4.) Accessory items such as hinges, kickplates, pulls, stops and weatherstripping may be quoted as Assa Abloy materials in lieu of specified manufacturer.
