

Empowering Killeen's Economic Future

A strategic Professional Services Agreement between the City of Killeen and the Innovation Black Chamber of Commerce (IBCC).

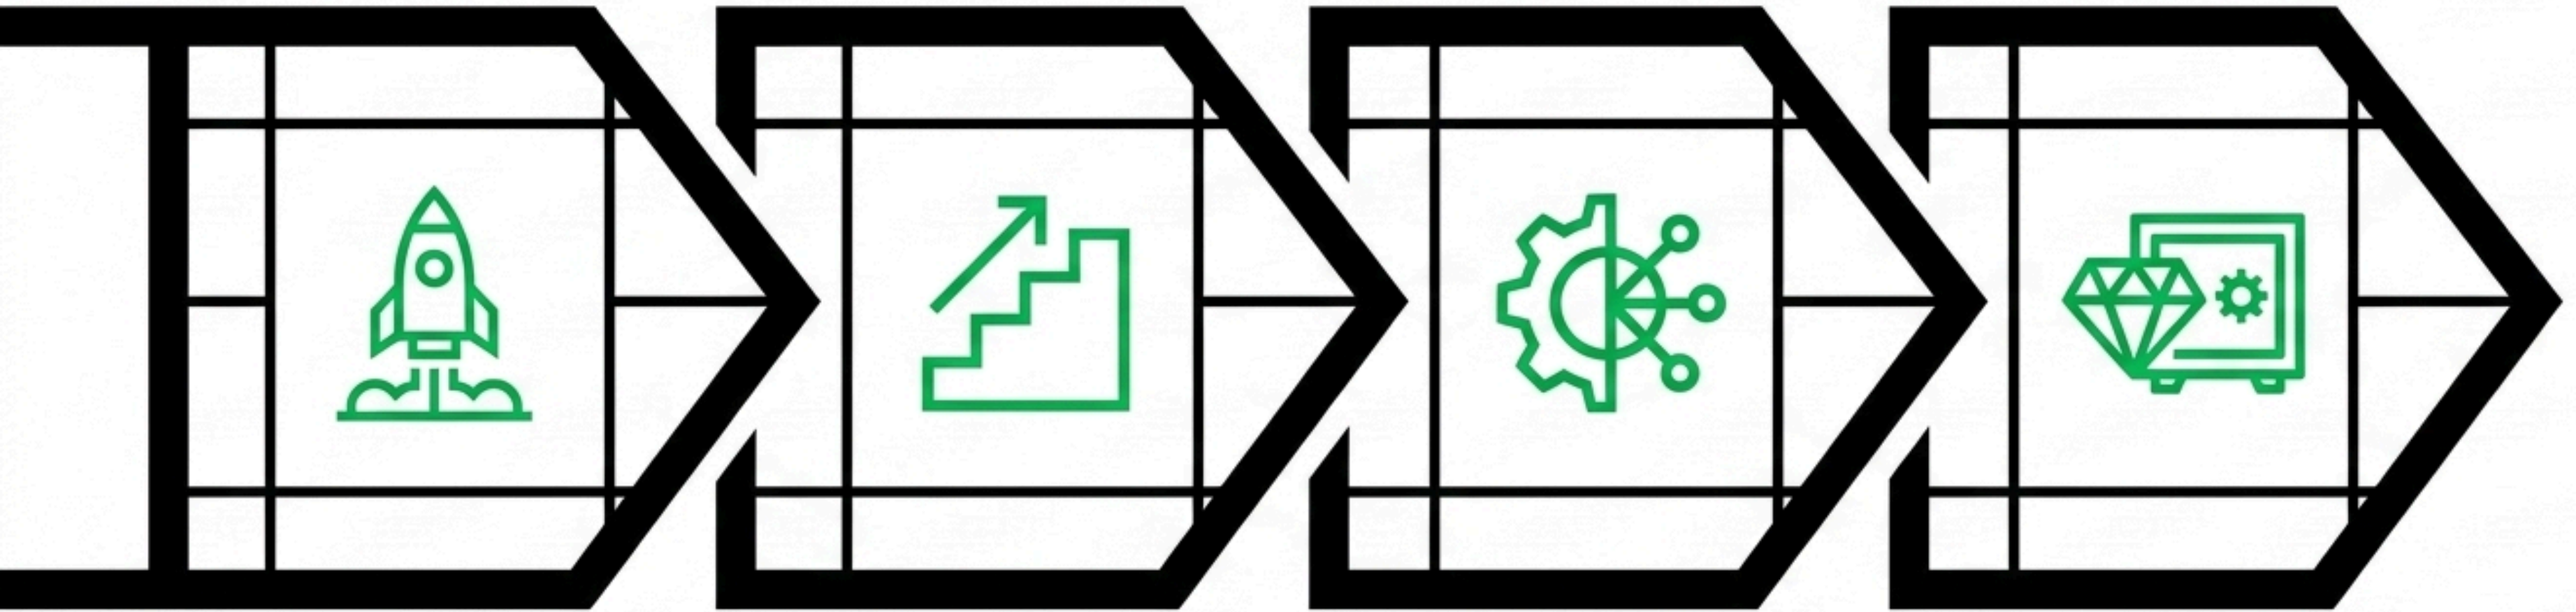

Installing an implementation-focused engine for small business formation, AI integration, and veteran entrepreneurial success.

Fueling the Economic Engine: Inputs, Outputs, and Projected Returns

A Phased Pipeline for Business Acceleration

Phase 1: Launch

Business intake, operational diagnostics, entity structure guidance, and startup compliance reviews.

Phase 2: Scale

One-on-one strategic consultations, operational planning, technical assistance, and structured implementation sprints.

Phase 3: Innovate

Dedicated AI consulting to assess processes, recommend automation workflows, and support the implementation of AI-enabled tools.

Phase 4: Fund

Capital-readiness diagnostics, funding pathway navigation, and targeted business network facilitation.

Rigorous Oversight and Quarterly Transparency

To guarantee accountability, the IBCC submits comprehensive reporting and invoicing deliverables every quarter:

Governance & Transparency Matrix	
Summary of Services Delivered	✓
Activity & Engagement Counts	✓
Progress to Annual Targets (Tracking toward 96 clients)	✓
Notable Outcomes & Emerging Challenges	✓
AI Consulting Summary & Implementation Rates	✓
Business & Veteran Formation Summary	✓
Supporting Information & Invoicing Documentation	✓

Cultivating a Modern, Innovative Ecosystem

Transforming the City of Killeen into a hub of formalized, profitable and transformative small businesses.

Moving beyond passive resource support to establish an implementation-focused partnership that actively engineers local economic growth.
