

# PAVEMENT MARKING SERVICES

RS-18-059

July 17, 2018

# Background

- Pavement markings included the painted stripes, words, arrows, etc. that help to guide traffic for safe and efficient vehicle operation.
- FY 2018 is the first year of the pavement marking program in Killeen.
- City staff is capable of performing pavement marking in small areas; however, large quantities require more robust equipment.
- Two (2) bids were received for pavement marking services.
- 39 street segments were bid, and funding is available in FY 2018 for 12 of those segments.
- DIJ Construction was the lowest responsive and responsible bidder at \$263,532.

# Alternatives

3

- Defer pavement marking maintenance to future fiscal years.
- Perform pavement marking and repairs in-house with City employees and equipment.
- Award a contract for pavement marking services to DIJ Construction.

# Recommendation

- Staff recommends award of contract to DIJ Construction for pavement marking services in the amount of \$263,532.
- Authorize the City Manager to enter into contracts with the same, including proposed terms as described.
- Authorize City Manager to execute any and all change orders allowed within state and local law.
