

# INSTALLATION OF AUDIO-VISUAL EQUIPMENT FOR THE EMERGENCY OPERATIONS CENTER

RS-25-067

May 6, 2025

# Background

2

- In December 2024, the Information Technology department published a Request for Proposals (RFP) to provide EOC audio-visual equipment and received four responses
- An evaluation team consisting of staff from the Finance, Information Technology, Emergency Operations, and Fire Departments evaluated the four proposals
- Of those four, GTS/Uplink was selected as the vendor that had the best qualifications and fully met the City's operational, technological, and fiscal requirements

# Background

3
