RE: Bid No. 22-29 | SOLAR LED LIGHTS FOR CONDER AND LONG BRANCH PARKS  
Due: 3pm, August 2, 2022  
Attn: Lorraine Luciano

Dear Lorraine,

On behalf of Green Way, LLC DBA Star LED, I would like to thank you for the opportunity to prepare this bid for the City of Killeen. This bid has been prepared in compliance with the Terms and Conditions for the City of Killeen and submitted to the Negometrix e-Procurement platform as recommended.

Please find enclosed the documentation per checklist provided for our bid, including:

- Procurement card questions answered, p.8
- Delivery information noted, p.8
- City of Killeen Terms and Conditions signed, p.18
- Conflict of interest Questionnaire Form C1Q (signed, not required, please see explanation below), p.33
- Bid form completed, p.42
- List of references completed, p.36
- Product sheets and information:
  - Star LED SUN EATER Series Product Sheet
  - Photometric Report
  - Star LED Round Straight Steel Pole Specification - 20FRSS
  - Star LED Fiberglass Pole Specification 20FRDBF
  - Star LED Tenon Adaptor Specification- TA4S
- Acknowledged Addendum No. 1

The suitable equivalent for this project is the Star LED SUN EATER model. This recommendation meets and or exceeds all required specifications (p.38) and is entirely suitable for lighting of Conder and Long Branch Parks, as demonstrated in the photometric report enclosed. The luminaire is an AIO or *All In One* solution with integrated light source, bifacial solar panels and battery cell. It operates comfortably for 5-7 rainy or overcast days on intelligent mode and is offered with a 10yr Warranty. We trust you will find the product pleasing.

The only deviation from specifications comes at the recommendation of our Product Department and Engineer and sees the posts for Long Branch park adjusted to meet local wind and safety requirements. The recommended product for this application is a tapered, fiberglass post, adequately supporting load of the quad (4) light tenon specified and subsequent luminaires. These posts meet and exceed all specifications found in the bid document and are the only suitable solution for this application. The posts for Conder Park portion of the project remain as specified in the bid document.

In relation to the conflict of interest questionnaire, Green Way LLC (DBA Star LED) does not have, nor has ever had a conflict of interest with this or any city in Texas State. In the interest of completeness, the form has been signed, with no options selected indicating any such relationships, however we did want to clarify in this letter.

If the city would like a sample Luminaire, or if you have any product specific questions to assist in the decision making process, please do contact me and our product team / engineer will prepare a detailed response.

A little about us; Green Way LLC (DBA Star LED) has been in operating since 2015, priding ourselves on quality and reliability to deliver on projects of all scales.
