

City of Killeen Planning and Development Services Department

I am buying the property at 112 South 38th Street in Killeen, Texas. This property is 13.16 in size and it zoned M-1 Commercial. I want to leave this property commercial except for 1 acre at the end of Quinn along Gail Street over to Steve. This piece of the property is out of the flood plain. I would like to use it to set a 2018 - 28' x 56' manufactured home here to live in. This will allow me to watch after my business and equipment that will be located on the front of this property at 38th street. The business name is MH Services a manufactured housing service company specializing in Sales and Service with transports and installations of manufactured housing.

Thank you,
