City of Killeen  
City Council  
101 North College Street  
Killeen, TX 76541

Dear Council Members:

Families In Crisis, Inc., a 501 (c) (3) non-profit organization, house supports and empowers individuals experiencing family violence, sexual assault, and homelessness.

Due to recent funding cuts in federal and state funding, we will be unable to fund the homeless shelter project for the entire year. Please consider our request for funding from the City of Killeen ARP funds. We are requesting \$347,0004 for the period 1 March to 31 September 2024. This is the amount needed until our next grant funding cycle. We are confident we will be successful in securing additional funding at that time.

The funds will be used for our homeless shelter project as follows:

Shelter Services – Wages and benefits \$42,813 per month.

Operations – food, cleaning supplies, telephone, electricity, water and repair and maintenance \$6,759 per month.

Thank you for your consideration. Should you have questions, please contact me at 254-634-1184.

Sincerely,

William K. Hall  
Director of Operations  
Families In Crisis, Inc.
