

INCINERATOR BUILDING

RS-25-052

April 15, 2025

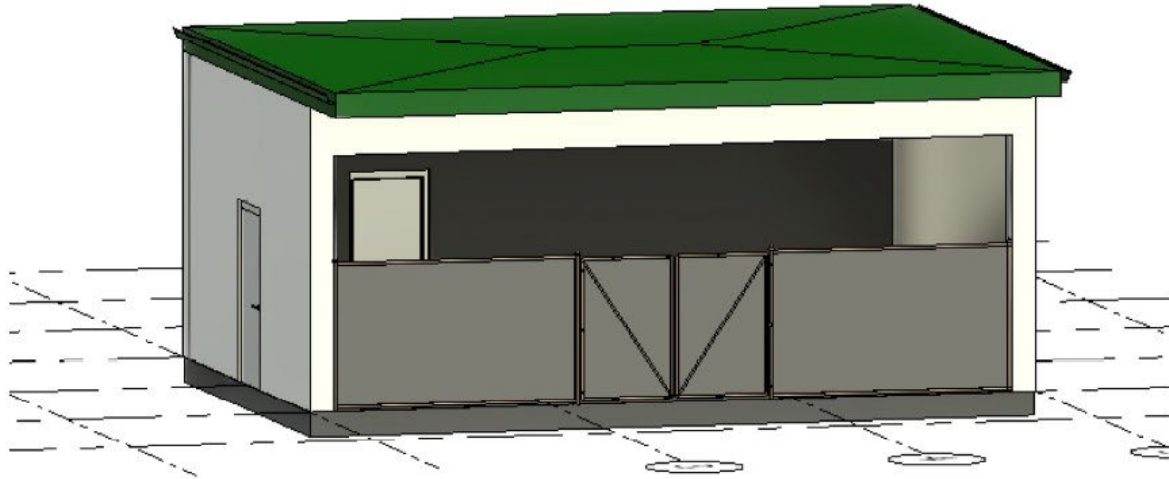

Background

2

- ❑ Animal Services recommends replacing the 17-year-old incinerator that is no longer working.
- ❑ A building will be required to house the incinerator to safeguard against external elements and ensure consistent ability to utilize the equipment in any weather.
- ❑ A quote was received from J Poole Group from the Co-Op TIPS, Contract No. 25010402 in the amount of \$210,201.
- ❑ This quote includes the building, plumbing, slab of concrete and electrical needed to run the new incinerator.
- ❑ The incinerator will be used by Animal Services to properly dispose of deceased animals, and by PD for drug burns.
