 COMMENTS: None of the residents or Home owners "R-1" and "A" to "B-3" have no desire to have a business so close to their homes. I feel that this would create a potential hazard to our neighborhood of inviting robberies and other unsavory crimes.

<i>We do not agree with rezoning the property for case # Z17-20 to go from R1 single family residential District to B-3 Local Business District zoning. This is concerning because of the traffic of vehicles and for our children. Building a business in my backyard would be a terrible eye sore. I was told when I bought my home nothing would be built behind my house.</i>

To whom it may concern,

We the residents of Lake Crest on the Hill strongly disagree with case #Z17-20 for rezoning approximately 3.754 acres from R-1 (Single-Family Residential District) and "A" (Agricultural District) to "B-3" (Local Business District) zoning for property generally located of Watercrest Road and West of Prestige Loop, Killeen Texas.

Attached to this petition you will find the signatures of several residents who are in agreement of keeping this area completely residential. The possibility of having a business so close to our homes is alarming and could become very disruptive to our lives. We would be even more concerned about the safety of our children and our homes as traffic of vehicles, people, and crime would increase in our area.

Respectfully,

Residence of Lake Crest on the Hill
