

**FAMILY RECREATION CENTER  
FITNESS EQUIPMENT**

**RS-24-141**

**August 20, 2024**

# Background

- The Family Recreation Center (FRC) originally purchased equipment at the time of the facility opening in 2008 and replaced approximately half of the equipment in 2013.
- No new major equipment purchases have been made since 2013. Moreover, modern workout machines have advanced considerably since the facilities opening in 2008.
- The current equipment has experienced extensive use, wear and tear, and is in need of replacement.

# Background

3

- Quotes have been obtained, all of which were on BuyBoard. Vendors: Marathon Fitness, Fit Supply, and Johnson Fitness & Wellness.
- The lowest responsible quote was from Johnson Fitness and Wellness BuyBoard contract #665-22.
- The purchase of fitness equipment will total \$177,563.51 with \$98,426.52 being for Lion's Club Park (LCP) cardio equipment, \$79,136.99 being for LCP strength equipment.

# Background

- This fitness equipment manufacturer standard warranty encompasses coverage from the frame to wear items like headphone jack, USB ports, Batteries, and straps.
- The length of the warranty varies on the specific parts, ranging from 1 to 10 years, and is based on protecting against manufacturer defects.
