

FAMILY AQUATIC CENTER REPAIRS DUE TO FREEZE DAMAGE

RS-24-074

April 16, 2024

Background

2

- ❑ The Family Aquatic Center (FAC) experienced significant damages to the pumps operating the water park features due to January freeze conditions.
- ❑ Parks and Recreation obtained three quotes for repairs.
- ❑ The lowest responsible bid was from Commercial Swim.

Background

3

- ❑ A claim has been filed with TML and a settlement offer is pending.
- ❑ Staff has identified funding from departmental salary savings and supplies accounts. (Funding will supplement any settlement amount received from TML)
- ❑ Waterpark portion of the pool may experience a delayed opening. Competition pool is operational and will open on Memorial Day Weekend.
- ❑ Parks and Recreation staff will offer reduced pricing until all amenities are fully operational.

Recommendation

4

- Staff recommends Council approve the quote for repair of the Family Aquatics Center pumps/strainers/VFDs for \$250,000.00.
