The space shall be considered substantially complete only if the space may be used for its intended purpose.
9. "Work" means all alterations, improvements, modifications, and other things required for the preparation or continued occupancy of the premises by the Government as specified in this lease.

B. Real Property Terms.

1. "ANSI/BOMA" is an acronym for American National Standards Institute/Building Owners and Managers Association.
2. "ANSI/BOMA Occupant Area" or "ABOA" means the measurement standard (Z65.1-2017) provided by ANSI/BOMA for Occupant Area, which is "the total aggregated area used by an Occupant before Load Factors are applied, consisting of Tenant Area and Tenant Ancillary Area." The Method A – Multiple Load Factor Method shall apply.

3. "Appurtenant Areas" means those areas and facilities on the property that are not located within the premises, or for which rights are expressly granted under this lease, or for which rights to use are reasonably necessary or reasonably anticipated with respect to the Government's enjoyment of the premises and express appurtenant rights (e.g. parking areas).

Rentable space may include a share of common areas such as elevator lobbies, building corridors, and floor service areas. Floor service areas typically include restrooms, janitor rooms, telephone closets, electrical closets, and mechanical rooms. Rentable space does not include vertical building penetrations and their enclosing walls, such as stairs, elevator shafts, and vertical ducts. To determine the RSF, the ABOA SF is multiplied by the sum of one (1) plus the CAF, for each type of space included in the premises.
13. "Space" means that part of the premises to which the Government has exclusive use, such as occupant area, or other types of space. Appurtenant areas (e.g., parking areas) to which the Government has rights under the lease are not included in the space.

- E. If the Building's fire alarm control unit is over 25 years old as of the Lease Award Date, Lessor shall install a new fire alarm system in accordance with the requirements of NFPA 72, National Fire Alarm and Signaling Code (current as of the Lease Award Date), prior to Government acceptance and occupancy of the Space.

3.05 ENERGY INDEPENDENCE AND SECURITY ACT (OCT 2024)

A. Energy-related Requirements.

1. The Energy Independence and Security Act (EISA) establishes the following requirements for Government Leases in Buildings that have not earned the ENERGY STAR® Label conferred by the Environmental Protection Agency (EPA) within one year prior to the due date for final proposal revisions ("most recent year").
2. If this Lease was awarded under any of EISA's Section 435 statutory exceptions, the Lessor shall either:
 - a. Earn the ENERGY STAR® Label prior to acceptance of the Space (or not later than one year after the Lease Award Date of a succeeding or superseding Lease); or
 - b.
 - I. Complete energy efficiency and conservation improvements if any, agreed to by Lessor in lieu of earning the ENERGY STAR® Label prior to acceptance of the Space (or not later than one year after the Lease Award Date of a succeeding or superseding Lease); and
 - II. Obtain and publicly disclose the Building's current ENERGY STAR® score (using EPA's Portfolio Manager tool), unless the Lessor cannot access whole building utility consumption data, or there is no building category within Portfolio Manager to benchmark against, including spaces—
 - (i) That are located in States with privacy laws that provide that utilities shall not provide such aggregated information to multitenant building owners; and
 - (ii) For which tenants do not provide energy consumption information to the commercial building owner in response to a request from the building owner. (A Federal agency that is a tenant of the space shall provide to the building owner, or authorize the owner to obtain from the utility, the energy consumption information of the space for the benchmarking and disclosure required by this subparagraph D).
 - (iii) That cannot be benchmarked (scored) using EPA's Portfolio Manager tool because of excessive vacancy; in which case Lessor agrees to obtain the score and publicly disclose it within 120 days of the eligibility to obtain a score using the EPA Portfolio Manager tool.

Note: "public disclosure" means posting the Energy Star® score on state or local websites in those areas that have applicable disclosure mandates and reporting the score to the Government via Portfolio Manager. In the absence of an applicable state or local disclosure mandate, Lessor shall either generate and display the Energy Star® score in a public space at the building location or post the score on Lessor's or Lessor's Parent/Affiliate website.

3. If this Lease was awarded to a Building to be built or to a Building predominantly vacant as of the due date for final proposal revisions and was unable to earn the ENERGY STAR® label for the most recent year (as defined above) due to insufficient occupancy, but was able to demonstrate sufficient evidence of capability to earn the ENERGY STAR® label, then Lessor must earn the ENERGY STAR® label within 18 months after occupancy by the Government.
- B. Hydrology-related Requirements. Per EISA Section 438, the sponsor of any development or redevelopment project involving a Federal facility with a footprint that exceeds 5,000 square feet shall use site planning, design, construction, and maintenance strategies for the property to maintain or restore, to the maximum extent technically feasible, the predevelopment hydrology of the Property with regard to the temperature, rate, volume, and duration of flow. If the Lessor proposes to satisfy the Government's space requirements through a development or redevelopment project, and the Government will be the sole or predominant tenant such that any other use of the Property will be functionally or quantitatively incidental to the Government's use, the Lessor is required to implement hydrology maintenance and restoration requirements as required by EISA Section 438.

1. For the purposes of applying EISA Section 438 in this Lease, "sponsor" shall mean "Lessor", and "exceeds 5,000 square feet" shall mean construction that disturbs 5,000 square feet or more of land area at the Property or on adjoining property to accommodate the Government's requirements, or at the Property for whatever reason. Information regarding implementation of the hydrology maintenance and restoration requirements can be found at [HTTP://WWW.EPA.GOV/GREENINGEPA](http://www.epa.gov/greeningepa).
2. Lessor is required to implement these hydrology maintenance and restoration requirements to the maximum extent technically feasible, prior to acceptance of the Space, (or not later than one year after the Lease Award Date or Lease Term Commencement Date, whichever is later, of a succeeding or superseding Lease). Additionally, this Lease requires EISA Section 438 storm water compliance not later than one year from the date of any applicable disturbance (as defined in EISA Section 438) of more than 5,000 square feet of ground area if such disturbance occurs during the term of the Lease if the Government is the sole or predominant tenant. In the event the Lessor is required to comply with EISA Section 438, Lessor shall furnish the Government, prior to the filing for permits for the associated work, with a certification from Lessor's engineer that the design meets the hydrology maintenance and restoration requirements of EISA Section 438.

3.06 ACCESSIBILITY (OCT 2024)

The Building, leased Space, and areas serving the leased Space shall be accessible to persons with disabilities in accordance with the Architectural Barriers Act Accessibility Standard (ABAAS), Appendices C and D to 36 CFR Part 1191 (ABA Chapters 1 and 2, and Chapters 3 through 10) and 36 CFR 1190 to the extent applicable. To the extent the standards referenced in the preceding sentence conflicts with local accessibility requirements, the more stringent shall apply.

3.07 MECHANICAL, ELECTRICAL, PLUMBING: GENERAL (APR 2011)

The Lessor shall provide and operate all Building equipment and systems in accordance with applicable technical publications, manuals, and standard procedures. All equipment and systems shall be maintained to provide reliable, energy efficient service without unusual interruption, disturbing noises, exposure to fire or safety hazards, uncomfortable drafts, excessive air velocities, or unusual emissions of dirt. The Lessor's maintenance responsibility includes initial supply and replacement of all supplies, materials, and equipment necessary for such maintenance. Maintenance, testing, and inspection of appropriate equipment and systems shall be done in accordance with current applicable codes, and inspection certificates shall be displayed as appropriate. Copies of all records in this regard shall be forwarded to the Government's designated representative.

4.06 SAFEGUARDING AND DISSEMINATION OF CONTROLLED UNCLASSIFIED INFORMATION (CUI) BUILDING INFORMATION (OCT 2022) INTENTIONALLY DELETED**4.07 INDOOR AIR QUALITY (OCT 2024)**

- A. The Lessor shall control airborne contaminants at the source and/or operate the Space in such a manner that indoor air quality action limits identified in the PBS Desk Guide for Indoor Air Quality Management (Companion to GSA Order PBS 1000.8), OSHA regulatory limits, and generally accepted consensus standards are not exceeded.

- B. The Lessor shall avoid the use of products containing toxic, hazardous, carcinogenic, flammable, or corrosive ingredients as determined from the product label or manufacturer's safety data sheet. The Lessor shall use available odor-free or low odor products when applying paints, glues, lubricants, and similar wet products. When such equivalent products are not available, lessor shall use the alternate products outside normal working hours. Except in an emergency, the Lessor shall provide at least 72 hours advance notice to the Government before applying chemicals or products with noticeable odors in occupied Spaces and shall adequately ventilate those Spaces during and after application.
- C. The Lessor shall serve as first responder to any occupant complaints about indoor air quality (IAQ). The Lessor shall promptly investigate such complaints and implement the necessary controls to address each complaint. Investigations shall include testing as needed by a board-certified industrial hygienist, to ascertain the source and severity of the complaint. The hygienist shall inspect and evaluate the Space and air zones serving the Space; inspection shall take place as soon as possible but no later than 15 calendar days following the identification of a potential IAQ issue. Notwithstanding the above, when a board-certified industrial hygienist is not available to perform this inspection, the Lessor may, upon written request and the Government's approval, employ an environmental professional with documented experience performing IAQ assessments. The Lessor shall provide written results of any testing along with recommendations to GSA.
- D. The Government reserves the right to conduct independent IAQ assessments and detailed studies in Space that it occupies, as well as in space serving the Space (e.g., common use areas, mechanical rooms, HVAC systems, etc.). The Lessor shall assist the Government in its assessments and detailed studies by:
 1. Making available information on Building operations and Lessor activities;
 2. Providing access to Space for assessment and testing, if required; and
 3. Implementing corrective measures required by the LCO. The Lessor shall take corrective action to correct any tests or measurements that do not meet GSA policy action limits in the PBS Desk Guide for Indoor Air Quality Management (Companion to GSA Order PBS 1000.8), OSHA regulatory limits and generally accepted consensus standards.

- F. The Lessor shall use high efficiency (HEPA) filtration vacuums for cleaning.
- G. Air handling units shall have the highest-level MERV filtration that is compatible with the HVAC system and does not significantly diminish airflow. Upon request, the Lessor shall provide to the Government a list of the highest-level of MERV filtration that each air handling unit is designed to handle.

4.08 HAZARDOUS MATERIALS, MOLD AND WATER INTRUSION (ON-AIRPORT) (OCT 2024)

The leased Space shall be free of hazardous materials, substances, and wastes, as defined by and according to applicable Federal, state, and local environmental regulations. The Space must be maintained to prevent water intrusion and accumulation, ensuring that no conditions exist that could promote mold growth. These include, but not limited to, the following:

- A. The leased Space shall be free of all asbestos containing materials, except undamaged asbestos flooring in the Space or undamaged boiler or pipe insulation outside the Space, in which case an asbestos management program conforming to EPA guidance shall be implemented.
- B. Actionable Condition. An actionable condition is defined as either:
 1. Visible mold or airborne mold of types and concentrations in excess of that found in the local outdoor air or non-problematic control areas elsewhere in the same building, whichever is lower, or
 2. Water-Damaged Building materials which could potentially create conditions for mold or microbial amplification.
- C. The Lessor shall provide Space to the Government that is free from ongoing water leaks or moisture infiltration. The Space and ventilation zones serving the Space shall also be free of actionable conditions, as defined by subparagraph B.
 1. The Lessor shall safely remediate all actionable conditions in accordance with sub-paragraph C.2 below.
 2. The Lessor shall safely remediate all actionable conditions identified by the consultant using a qualified remediation contractor following methods identified in EPA's Mold Remediation in Schools and Commercial Buildings (EPA 402-K-01-001, September 2008 or the current version of ANSI/IICRC S520-2015: Standard for Professional Mold Remediation), and all applicable state laws pertaining to mold remediation practices. The Lessor shall provide GSA with a detailed work plan from the remediation contractor on how they plan to address the actionable conditions and include qualifications of the remediation contractor. The Lessor shall employ a qualified industrial hygienist, independent of the remediation contractor to verify that remediation has been completed per the industry standards listed above and that the space is safe for re-occupancy.

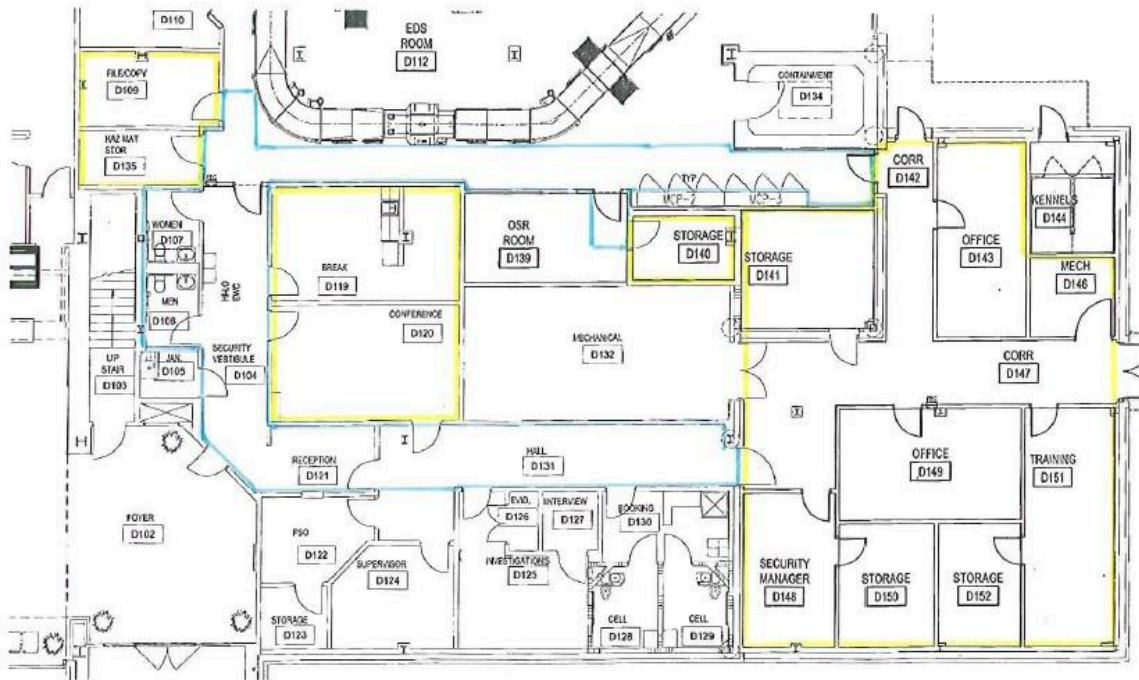

3. The Lessor acknowledges and agrees that the Government shall have a reasonable opportunity to inspect the leased Space after conclusion of the remediation. If the results of the Government's inspection indicate that the remediation does not comply with the plan or any other applicable Federal, state, or local laws, regulatory standards, or guidelines, the Lessor, at its sole cost, expense, and risk, shall immediately take all further actions necessary to bring the remediation into compliance.
4. If the Lessor fails to exercise due diligence, or is otherwise unable to remediate the actionable conditions, the Government may implement a corrective action program and deduct its costs from the rent.

4.09 OCCUPANT EMERGENCY PLANS (OCT 2020)

The Lessor is required to cooperate, participate, and comply with the development and implementation of the Government's Occupant Emergency Plan (OEP) and a supplemental Shelter-in Place (SIP) Plan. Periodically, the Government may request that the Lessor assist in reviewing and revising its OEP and SIP. The Plan, among other things, will include evacuation procedures and an annual emergency evacuation drill, emergency shutdown of air intake procedures, and emergency notification procedures for the Lessor's Building engineer or manager, Building security, local emergency personnel, and Government agency personnel.

LESSOR: _____ GOVERNMENT: _____

GENERAL CLAUSES
(Acquisition of Leasehold Interests in Real Property)

1. GSAR 552.270-4 DEFINITIONS (AUG 2023) (DEVIATION)

When a solicitation or contract uses a word or term that is defined in the Federal Acquisition Regulation (FAR) or General Services Acquisition Manual (GSAM), the word or term has the same meaning as the definition in FAR 2.101, GSAM 502.101, or GSAM 570.102 in effect at the time the solicitation was issued or lease contract was awarded, unless

- (a) The solicitation, amended solicitation, or lease contract provides a different definition (e.g., R100, L100);
- (b) An applicable part, subpart, or section of the FAR or GSAM provides a different meaning.

2. GSAR 552.270-5 SUBLETTING AND ASSIGNMENT (SEP 2022) (DEVIATION)

The Government may sublet any part of the premises but shall not be relieved from any obligations under this lease by reason of any such subletting. The Government may at any time assign this lease, and be relieved from all obligations to Lessor under this lease excepting only unpaid rent and other liabilities, if any, that have accrued to the date of said assignment. Any subletting or assignment shall be subject to prior written consent of the Lessor, which shall not be unreasonably withheld.

3. GSAR 552.270-11 SUCCESSORS BOUND (SEP 1999)

This lease shall bind, and inure to the benefit of, the parties and their respective heirs, executors, administrators, successors, and assigns.

4. GSAR 552.270-23 SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT (SEP 1999)

- (a) Lessor warrants that it holds such title to or other interest in the premises and other property as is necessary to the Government's access to the premises and full use and enjoyment thereof in accordance with the provisions of this lease. Government agrees, in consideration of the warranties and conditions set forth in this clause, that this lease is subject and subordinate to any and all recorded mortgages, deeds of trust and other liens now or hereafter existing or imposed upon the premises, and to any renewal, modification or extension thereof. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect the present or subsequent subordination of this lease. Government agrees, however, within twenty (20) business days next following the Contracting Officer's receipt of a written demand, to execute such instruments as Lessor may reasonably request to evidence further the subordination of this lease to any existing or future mortgage, deed of trust or other security interest pertaining to the premises, and to any water, sewer or access easement necessary or desirable to serve the premises or adjoining property owned in whole or in part by Lessor if such easement does not interfere with the full enjoyment of any right granted the Government under this lease.
- (b) No such subordination, to either existing or future mortgages, deeds of trust or other lien or security instrument shall operate to affect adversely any right of the Government under this lease so long as the Government is not in default under this lease. Lessor will include in any future mortgage, deed of trust or other security instrument to which this lease becomes subordinate, or in a separate non-disturbance agreement, a provision to the foregoing effect. Lessor warrants that the holders of all notes or other obligations secured by existing mortgages, deeds of trust or other security instruments have consented to the provisions of this clause, and agrees to provide true copies of all such consents to the Contracting Officer promptly upon demand.
- (c) In the event of any sale of the premises or any portion thereof by foreclosure of the lien of any such mortgage, deed of trust or other security instrument, or the giving of a deed in lieu of foreclosure, the Government will be deemed to have attorned to any purchaser, purchasers, transferee or transferees of the premises or any portion thereof and its or their successors and assigns, and any such purchasers and transferees will be deemed to have assumed all obligations of the Lessor under this lease, so as to establish direct privity of

LESSOR: _____ GOVERNMENT: _____

estate and contract between Government and such purchasers or transferees, with the same force, effect and relative priority in time and right as if the lease had initially been entered into between such purchasers or transferees and the Government; provided, further, that the Contracting Officer and such purchasers or transferees shall, with reasonable promptness following any such sale or deed delivery in lieu of foreclosure, execute all such revisions to this lease, or other writings, as shall be necessary to document the foregoing relationship.

- (d) None of the foregoing provisions may be deemed or construed to imply a waiver of the Government's rights as a sovereign.

5. GSAR 552.270-24 STATEMENT OF LEASE (SEP 1999)

- (a) The Contracting Officer will, within thirty (30) days next following the Contracting Officer's receipt of a joint written request from Lessor and a prospective lender or purchaser of the building, execute and deliver to Lessor a letter stating that the same is issued subject to the conditions stated in this clause and, if such is the case, that (1) the lease is in full force and effect; (2) the date to which the rent and other charges have been paid in advance, if any; and (3) whether any notice of default has been issued.
- (b) Letters issued pursuant to this clause are subject to the following conditions:
- (1) That they are based solely upon a reasonably diligent review of the Contracting Officer's lease file as of the date of issuance;
 - (2) That the Government shall not be held liable because of any defect in or condition of the premises or building;
 - (3) That the Contracting Officer does not warrant or represent that the premises or building comply with applicable Federal, State and local law; and
 - (4) That the Lessor, and each prospective lender and purchaser are deemed to have constructive notice of such facts as would be ascertainable by reasonable pre-purchase and pre-commitment inspection of the Premises and Building and by inquiry to appropriate Federal, State and local Government officials.

6. GSAR 552.270-25 SUBSTITUTION OF TENANT AGENCY (SEP 1999)

The Government may, at any time and from time to time, substitute any Government agency or agencies for the Government agency or agencies, if any, named in the lease.

7. GSAR 552.270-26 NO WAIVER (SEP 1999)

No failure by either party to insist upon the strict performance of any provision of this lease or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial rent or other performance by either party during the continuance of any such breach shall constitute a waiver of any such breach of such provision.

8. GSAR 552.270-27 INTEGRATED AGREEMENT (SEP 2022) (DEVIATION)

This lease, upon execution, contains the entire agreement of the parties and no prior written or oral agreement, express or implied, shall be admissible to contradict the provisions of the lease. Except as expressly attached to and made a part of the lease, neither the request for lease proposals nor any pre-award communications by either party shall be incorporated in the lease.

9. GSAR 552.270-28 MUTUALITY OF OBLIGATION (SEP 1999)

The obligations and covenants of the Lessor, and the Government's obligation to pay rent and other Government obligations and covenants, arising under or related to this Lease, are interdependent. The Government may, upon

LESSOR: _____ GOVERNMENT: _____

issuance of and delivery to Lessor of a final decision asserting a claim against Lessor, set off such claim, in whole or in part, as against any payment or payments then or thereafter due the Lessor under this lease. No setoff pursuant to this clause shall constitute a breach by the Government of this lease.

10. GSAR 552.270-10 DEFAULT BY LESSOR (JUL 2023) (DEVIATION)

Occurrence of the following constitutes default by the Lessor and gives rise to the following rights and remedies of the Government:

- (a) *Prior to acceptance of the space.* Failure by the Lessor to perform diligently any obligations required for acceptance of the space or other required improvements within the times specified, other than due to an excusable delay, shall constitute a default by the Lessor. Subject to provision of notice of default to the Lessor, and provision of a reasonable opportunity for the Lessor to cure its default, the Government may, in its sole discretion, terminate the lease on account of the Lessor's default.

- (b) *After acceptance of the space.* Failure by the Lessor to perform any service, to provide any item, or satisfy any requirement of this lease, other than due to an excusable delay, constitutes a default by the Lessor. Subject to provision of notice of default to the Lessor, and provision of a reasonable opportunity for the Lessor to cure its default, the Government may, in its sole discretion, take one or more of the following actions:
 - (1) Perform the service, provide the item, or obtain satisfaction of the requirement by its own employees or contractors. If the Government elects to take such action, the Government may deduct from rental payments its costs, including administrative costs, incurred in connection with taking the action;

 - (2) Reduce the rent by an amount reasonably calculated to approximate the cost or value of the service not performed, item not provided, or requirement not satisfied, such reduction effective as of the date of the commencement of the default condition. If default renders the leased premises untenable, the reduction of rent may be calculated as the prorated portion of the monthly rent represented by all such days the leased premises is untenable;

 - (3) Terminate the lease if:
 - (i) The Lessor's default persists notwithstanding provision of notice and reasonable opportunity to cure by the Government, or

 - (ii) The Lessor fails to take such actions as are necessary to prevent the recurrence of default conditions, and such conditions substantially impair the safe and healthful occupancy of the premises, or render the premises unusable for its intended purposes.

- (c) *Damages.* The Lessor and the Lessor sureties, if any, are jointly and severally liable for any damages to the Government resulting from default or termination, as provided in this clause.
 - (1) Damages include all costs associated with the replacement lease(s), which include but are not limited to the following: the Government's aggregate rent, estimated real estate taxes, operating costs, administrative costs, or other procurement costs.

 - (2) If the Government procures replacement premises for a term (including all option terms) in excess of this lease term, the Lessor is not liable for excess Government rent or adjustments during such excess lease term.

 - (3) Damages to which the Government is entitled to under this clause are due and payable thirty (30) days following the date the Lessor receives notice from the Contracting Officer specifying such damages.

LESSOR: _____ GOVERNMENT: _____

(d) *Excusable delays.*

- (1) The Government shall not terminate this lease under this clause nor charge the Lessor with damages under this clause, if:
 - (i) the delay in substantially completing any work or performing any services arises from excusable delays, and
 - (ii) the Lessor, within ten (10) days from the beginning of any such delay (unless extended in writing by the Contracting Officer) provides notice to the Contracting Officer of the causes of delay.
 - (2) The Contracting Officer shall ascertain the facts and the extent of delay. If the facts warrant, the Contracting Officer shall extend the delivery date commensurate with the delay at no additional costs to the Government. A time extension is the sole remedy of the Lessor.
- (e) No deduction from rent, termination of lease, or any other action pursuant to this clause will constitute a default by the Government under this lease.
- (f) The rights and remedies specified in this clause are in addition to any and all remedies to which the Government may be entitled as a matter of law.

11. GSAR 552.270-9 INSPECTION – RIGHT OF ENTRY (SEP 1999)

- a) At any time and from time to time after receipt of an offer (until the same has been duly withdrawn or rejected), after acceptance thereof and during the term, the agents, employees and contractors of the Government may, upon reasonable prior notice to Offeror or Lessor, enter upon the offered premises or the premises, and all other areas of the building access to which is necessary to accomplish the purposes of entry, to determine the potential or actual compliance by the Offeror or Lessor with the requirements of the solicitation or this lease, which purposes shall include, but not be limited to:
- (1) Inspecting, sampling and analyzing suspected asbestos-containing materials and air monitoring for asbestos fibers;
 - (2) Inspecting the heating, ventilation and air conditioning system, maintenance records, and mechanical rooms for the offered premises or the premises;
 - (3) Inspecting for any leaks, spills, or other potentially hazardous conditions which may involve tenant exposure to hazardous or toxic substances; and
 - (4) Inspecting for any current or past hazardous waste operations, to ensure that appropriate mitigative actions were taken to alleviate any environmentally unsound activities in accordance with Federal, State and local law.
- b) Nothing in this clause shall be construed to create a Government duty to inspect for toxic materials or to impose a higher standard of care on the Government than on other lessees. The purpose of this clause is to promote the ease with which the Government may inspect the building. Nothing in this clause shall act to relieve the Lessor of any duty to inspect or liability which might arise as a result of Lessor's failure to inspect for or correct a hazardous condition.

12. GSAR 552.270-17 DELIVERY AND CONDITION (SEP 2022) (DEVIATION)

- (a) Unless the Government elects to have the space occupied in increments, the space must be delivered ready for occupancy as a complete unit.
- (b) The Government may elect to accept the space notwithstanding the Lessor's failure to deliver the space substantially complete; if the Government so elects, it may reduce the rent payments.

LESSOR: _____ GOVERNMENT: _____

13. GSAR 552.270-19 PROGRESSIVE OCCUPANCY (SEP 1999)

The Government shall have the right to elect to occupy the space in partial increments prior to the substantial completion of the entire leased premises, and the Lessor agrees to schedule its work so as to deliver the space incrementally as elected by the Government. The Government shall pay rent commencing with the first business day following substantial completion of the entire leased premise unless the Government has elected to occupy the leased premises incrementally. In case of incremental occupancy, the Government shall pay rent pro rata upon the first business day following substantial completion of each incremental unit. Rental payments shall become due on the first workday of the month following the month in which an increment of space is substantially complete, except that should an increment of space be substantially completed after the fifteenth day of the month, the payment due date will be the first workday of the second month following the month in which it was substantially complete. The commencement date of the firm lease term will be a composite determined from all rent commencement dates.

14. GSAR 552.270-6 MAINTENANCE OF THE PROPERTY, RIGHT TO INSPECT (SEP 2022) (DEVIATION)

The Lessor shall maintain the property, including the building, building systems, and all equipment, fixtures, and appurtenances furnished by the Lessor under this lease, in good repair and tenable condition so that they are suitable in appearance and capable of supplying such heat, air conditioning, light, ventilation, safety systems, access and other things to the premises, without reasonably preventable or recurring disruption, as is required for the Government's access to, occupancy, possession, use and enjoyment of the premises as provided in this lease.

- (a) For the purpose of so maintaining the premises, the Lessor may at reasonable times enter the premises with the approval of the authorized Government representative in charge.
- (b) Upon request of the Lease Contracting Officer (LCO), the Lessor shall provide written documentation that building systems have been properly maintained, tested, and are operational within manufacturer's warranted operating standards.
- (c) The Lessor shall maintain the premises in a safe and healthful condition according to applicable OSHA standards and all other requirements of this lease, including standards governing indoor air quality, existence of mold and other biological hazards, presence of hazardous materials, etc.
- (d) The Government shall have the right, at any time after the lease award date and during the term of the lease, to inspect all areas of the property to which access is necessary for the purpose of determining the Lessor's compliance with this clause.

15. GSAR 552.270-7 FIRE AND CASUALTY DAMAGE (SEP 2022) (DEVIATION)

- (a) If the building in which the premises are located is totally destroyed or damaged by fire or other casualty, this lease shall immediately terminate.
- (b) If the building in which the premises are located are only partially destroyed or damaged, so as to render the premises untenable, or not usable for their intended purpose:
 - (1) The Lessor shall have the option to elect to repair and restore the premises or terminate the lease.
 - (2) Unless otherwise approved by the Lease Contracting Officer, the Lessor shall be permitted a reasonable amount of time, not to exceed 270 days from the event of destruction or damage, to repair or restore the premises, provided that the Lessor submits to the Government a reasonable schedule for repair of the premises within 60 days of the event of destruction or damage.
 - (i) If the Lessor fails to timely submit a reasonable schedule for completing the work, the Government may elect to terminate the lease effective as of the date of the event of destruction or damage.
 - (ii) If the Lessor elects to repair or restore the premises, but fails to repair or restore the premises within 270 days from the event of destruction or damage, or fails to diligently pursue such repairs or restoration so as to render timely completion commercially impracticable, the Government may terminate the lease effective as of the date of the destruction or damage.

LESSOR: _____ GOVERNMENT: _____

- (3) During the time that the premises are unoccupied, rent shall be abated. Termination of the lease by either party under this clause shall not give rise to liability for either party.
- (4) Nothing in this lease shall be construed as relieving Lessor from liability for damage to or destruction of property of the United States of America caused by the willful or negligent act or omission of Lessor.

16. GSAR 552.270-8 COMPLIANCE WITH APPLICABLE LAW (SEP 2022) (DEVIATION)

Lessor shall comply with all Federal, state, tribal, and local laws applicable to its ownership and leasing of the property, including, without limitation, laws applicable to the construction, ownership, alteration or operation of all buildings, structures, and facilities located thereon, and obtain all necessary permits, licenses and similar items at its own expense. The Government will comply with all Federal, state, tribal, and local laws applicable to and enforceable against it as a tenant under this lease, provided that nothing in this lease shall be construed as a waiver of the sovereign immunity of the Government. This lease shall be governed by Federal law.

17. GSAR 552.270-12 ALTERATIONS (SEP 1999)

The Government shall have the right during the existence of this lease to make alterations, attach fixtures, and erect structures or signs in or upon the premises hereby leased, which fixtures, additions or structures so placed in, on, upon, or attached to the said premises shall be and remain the property of the Government and may be removed or otherwise disposed of by the Government. If the lease contemplates that the Government is the sole occupant of the building, for purposes of this clause, the leased premises include the land on which the building is sited and the building itself. Otherwise, the Government shall have the right to tie into or make any physical connection with any structure located on the property as is reasonably necessary for appropriate utilization of the leased space.

18. GSAR 552.270-29 ACCEPTANCE OF SPACE AND CERTIFICATE OF OCCUPANCY (SEP 2022) (DEVIATION)

- (a) Ten (10) working days prior to the completion of the space, the Lessor shall issue written notice to the Government to schedule the inspection of the space for acceptance. The Government shall accept the space only if the construction of building shell and tenant improvements conforming to this lease and the approved design intent drawings (DIDs) is substantially complete, and a certificate of occupancy has been issued as set forth below.
- (b) The space shall be considered substantially complete only if the space may be used for its intended purpose and completion of remaining work will not unreasonably interfere with the Government's enjoyment of the space. Acceptance shall be final and binding upon the Government with respect to conformance of the completed tenant improvements to the approved DIDs, with the exception of items identified on a punchlist generated as a result of the inspection, concealed conditions, latent defects, or fraud, but shall not relieve the Lessor of any other lease requirements.
- (c) The Lessor shall provide a valid certificate of occupancy, issued by the local jurisdiction, for the intended use of the Government. If the local jurisdiction does not issue certificates of occupancy or if the certificate of occupancy is not available, the Lessor may satisfy this condition by providing a report prepared by a licensed fire protection engineer that indicates that the premises and building are compliant with all applicable local codes and ordinances and all fire protection and life safety-related requirements of this lease to ensure an acceptable level of safety is provided. Under such circumstances, the Government shall only accept the space without a certificate of occupancy if a licensed fire protection engineer determines that the offered space is compliant with all applicable local codes and ordinances and fire protection and life safety-related requirements of this lease.

LESSOR: _____ GOVERNMENT: _____

This clause is incorporated by reference.

The Government will make payments under the terms and conditions specified in this clause. Payment shall be considered as being made on the day a check is dated or an electronic funds transfer is made. All days referred to in this clause are calendar days, unless otherwise specified.

(a) *Payment due date*—

- (1) *Rental payments.* Rent shall be paid monthly in arrears and will be due on the first workday of each month, and only as provided for by the lease.
 - (i) When the date for commencement of rent falls on the 15th day of the month or earlier, the initial monthly rental payment under this contract shall become due on the first workday of the month following the month in which the commencement of the rent is effective.
 - (ii) When the date for commencement of rent falls after the 15th day of the month, the initial monthly rental payment under this contract shall become due on the first workday of the second month following the month in which the commencement of the rent is effective.
- (2) *Other payments.* The due date for making payments other than rent shall be the later of the following two events:
 - (i) The 30th day after the designated billing office has received a proper invoice from the Contractor.
 - (ii) The 30th day after Government acceptance of the work or service. However, if the designated billing office fails to annotate the invoice with the actual date of receipt, the invoice payment due date shall be deemed to be the 30th day after the Contractor's invoice is dated, provided a proper invoice is received and there is no disagreement over quantity, quality, or Contractor compliance with contract requirements.

(b) *Invoice and inspection requirements for payments other than rent.*

- (1) The Contractor shall prepare and submit an invoice to the designated billing office after completion of the work. A proper invoice shall include the following items:
 - (i) Name and address of the Contractor.
 - (ii) Invoice date.
 - (iii) Lease number.
 - (iv) Government's order number or other authorization.
 - (v) Description, price, and quantity of work or services delivered.
 - (vi) Name and address of Contractor official to whom payment is to be sent (must be the same as that in the remittance address in the lease or the order).
 - (vii) Name (where practicable), title, phone number, and mailing address of person to be notified in the event of a defective invoice.

- (2) The Government will inspect and determine the acceptability of the work performed or services delivered within seven days after the receipt of a proper invoice or notification of completion of the work or services unless a different period is specified at the time the order is placed. If actual acceptance occurs later, for the purpose of determining the payment due date and calculation of interest, acceptance will be deemed to occur on the last day of the seven day inspection period. If the work or service is rejected for failure to conform to the technical requirements of the contract, the seven days will be counted beginning with receipt of a new invoice or notification. In either case, the Contractor is not entitled to any payment or interest unless actual acceptance by the Government occurs.

(c) *Interest Penalty.*

- (1) An interest penalty shall be paid automatically by the Government, without request from the Contractor, if payment is not made by the due date.
- (2) The interest penalty shall be at the rate established by the Secretary of the Treasury under Section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611) that is in effect on the day after the due date. This rate is referred to as the "Renegotiation Board Interest Rate," and it is published in the **Federal Register** semiannually on or about January 1 and July 1. The interest penalty shall accrue daily on the payment amount approved by the Government and be compounded in 30-day increments inclusive from the first day after the due date through the payment date.
- (3) Interest penalties will not continue to accrue after the filing of a claim for such penalties under the clause at 52.233-1, Disputes, or for more than one year. Interest penalties of less than \$1.00 need not be paid.
- (4) Interest penalties are not required on payment delays due to disagreement between the Government and Contractor over the payment amount or other issues involving contract compliance or on amounts temporarily withheld or retained in accordance with the terms of the contract. Claims involving disputes, and any interest that may be payable, will be resolved in accordance with the clause at 52.233-1, Disputes.

(d) *Overpayments.* If the Lessor becomes aware of a duplicate payment or that the Government has otherwise overpaid on a payment, the Contractor shall—

- (1) Return the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the—
 - (i) Circumstances of the overpayment (e.g., duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);
 - (ii) Affected lease number; (iii) Affected lease line item or sub-line item, if applicable; and
 - (iii) Lessor point of contact.
- (2) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

21. FAR 52.232-23

ASSIGNMENT OF CLAIMS (MAY 2014)

(Applicable to leases over the micro-purchase threshold.)

- (a) The Contractor, under the Assignment of Claims Act, as amended, [31 U.S.C. 3727](#), [41 U.S.C. 6305](#) (hereafter referred to as "the Act"), may assign its rights to be paid amounts due or to become due as a result of the performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency. The assignee under such an assignment may thereafter further assign or

LESSOR: _____ GOVERNMENT: _____

reassign its right under the original assignment to any type of financing institution described in the preceding sentence.

- (b) Any assignment or reassignment authorized under the Act and this clause shall cover all unpaid amounts payable under this contract, and shall not be made to more than one party, except that an assignment or reassignment may be made to one party as agent or trustee for two or more parties participating in the financing of this contract.
- (c) The Contractor shall not furnish or disclose to any assignee under this contract any classified document (including this contract) or information related to work under this contract until the Contracting Officer authorizes such action in writing.

22. GSAR 552.270-20 PAYMENT (AUG 2023) (DEVIATION)

- (a) When space is offered and accepted, ANSI/BOMA Occupant Area (ABOA) square footage delivered will be confirmed by either:
 - (1) The Government's measurement of plans submitted by the successful offeror as approved by the Government, and an inspection of the space to verify that the delivered space conforms with such plans; or
 - (2) A mutual on-site measurement of the space if the Contracting Officer determines it necessary.
- (b) The Government will not pay for space in excess of the amount of ABOA square footage stated in the lease.
- (c) If the amount of ABOA square footage delivered is less than the amount agreed to in the lease, the lease will be modified to reflect the amount of ABOA space delivered and the annual rental will be adjusted as follows:

ABOA square feet not delivered multiplied by one plus the common area factor (CAF), multiplied by the rate per rentable square foot (RSF). That is:

$$(1 + CAF) \times \text{Rate per RSF} = \text{Reduction in Annual Rent}$$

- (d) Common Area Factor (CAF). The CAF is expressed as a percentage of the difference between the amount of rentable square feet (SF) and ABOA SF, divided by the ABOA SF. For example 11,500 RSF and 10,000 ABOA SF will have a CAF of 15% $(11,500 \text{ RSF} - 10,000 \text{ ABOA SF}) / 10,000 \text{ ABOA SF}$.
- (e) Rentable Square Footage (RSF). The RSF is calculated using the following formula for each type of space (e.g., office, warehouse, etc.) included in the premises: $\text{ABOA SF of Space} \times (1 + \text{CAF}) = \text{RSF}$.

 - (1) Reduce the monthly rental under this lease by five percent of the amount of the rental for each month of the remaining term of the lease, including any option periods, and recover five percent of the rental already paid;
 - (2) Reduce payments for alterations not included in monthly rental payments by five percent of the amount of the alterations agreement; or
