Good afternoon,

In accordance with Sec 2.80, I would like to request IBCC Juneteenth Festival be up for a recommendation for the Council to be added as a Special Event supported by the City.

The Juneteenth Festival is a free community event that is held every Juneteenth weekend. The Juneteenth Festival is also a fundraising event that invests back into the small business community. In the first year, we raised \$5,000. In the second year we raised \$15,000 and this year we have a goal to raise \$20,000.

Last year's small business grant recipient received \$5k, 2nd runner-up received \$3k and the final grant recipient received \$2k.

Our ultimate goal is to one day raise \$100k and stimulate the small business community with this Juneteenth Grant.

We would love to be the 12th event listed.

Sec. 2-80. Assistance to Community Organizations for Special Events.
