

ATTACHMENT A

**REQUEST TO PLACE ITEM ON THE AGENDA**

(Per Section 1-20 of Governing Standards and Expectations)

Requestor(s): Councilman Ken Wilkerson

Date: June 12, 2022

Problem/Issue/Idea Name for Agenda:

Council Meetings are unduly long and inefficient due to presentations for budget items that have already been approved by Council because of the State mandate that we approve each purchase of >\$50,000 individually.

Description of Problem/Issue/Idea:

Because it is a State mandate that individuals approve each purchase of \$50,000 or more, I suggest we move those items immediately to a consent agenda item requiring a council member to request it be removed if they want to entertain discussion.

Requested Action:

Move to have all <sup>pre approved</sup> budgetary items be placed on a consent agenda only to be discussed if 4 or more Council Members <sup>Vote</sup> agree to remove it.
