## STAFF REPORT

**DATE:** November 14, 2017

**TO:** Ronald L. Olson, City Manager

**VIA:** Kathy Davis, City Attorney

**FROM:** Traci Briggs, Deputy City Attorney

**SUBJECT:** Granting a deed without warranty to Tanja K. Robinson-Malone for property located at 501 Lisa Lane in Killeen, Texas for property erroneously deeded to the City of Killeen

### **BACKGROUND AND FINDINGS:**

By instrument number 2012-00053708, dated December 29, 2012, Tanja K. Robinson (now Robinson-Malone) erroneously deeded a single-family residence she owned at 501 Lisa Lane in Killeen to the City of Killeen. As staff understands it, Ms. Robinson married a veteran who was entitled to the veteran tax exemption. She apparently received bad advice from someone, and rather than deeding the property to her and her spouse, she deeded it to the city. This was done without the knowledge or consent of the city, and the city has no use for the property. Ms. Robinson-Malone is unable to correct the error without city action.

Because the city does not pay property taxes, no taxes have been assessed or collected since the conveyance. The Bell County Tax Appraisal District has confirmed that the taxes back to December 29, 2012, will be due from Ms. Robinson-Malone if the deed returning the property to her is dated back to the date of the original transfer.

The intent of this action is to reject the erroneous conveyance, deed the property back to Ms. Robinson-Malone and get the property back on the tax rolls.

### **THE ALTERNATIVES CONSIDERED:**

The options are to reject the conveyance to the city and deed it back to Ms. Robinson-Malone, or to take no action.

### **Which alternative is recommended? Why?**

Staff recommends rejecting the conveyance to the city and deeding it back to Ms. Robinson-Malone. While the Appraisal District shows the city as the owner, no taxes are being assessed or collected. Also, Ms. Robinson-Malone and her husband are limited on the options they have on the property, including financing, unless they can show ownership.

**CONFORMITY TO CITY POLICY:**

This action conforms to state law and city policy.

**FINANCIAL IMPACT:**

**What is the amount of the expenditure in the current fiscal year? For future years?**

There is no expenditure related to this action. The executed deed will be provided to Ms. Robinson-Malone's attorney for filing.

**Is this a one-time or recurring expenditure?**

N/A

**Is this expenditure budgeted?**

N/A

**If not, where will the money come from?**

N/A

**Is there a sufficient amount in the budgeted line-item for this expenditure?**

N/A

**RECOMMENDATION:**

Staff recommends that the City Council reject the December 29, 2012, conveyance of 501 Lisa Lane to the city, and authorize the City Manager to execute a Deed Without Warranty to return title to Tanja K. Robinson-Malone.

## STAFF REPORT

**DATE:** November 14, 2017

**TO:** Ronald L. Olson, City Manager

**FROM:** Charles F. Kimble, Chief of Police

**SUBJECT:** Acceptance of Grant Funds for Rifle Resistant Body Armor Program

### **BACKGROUND AND FINDINGS:**

The Office of the Governor, Criminal Justice Division, announced the Rifle-Resistant Body Armor Grant Program earlier this year. There are no matching funds requirements as the grant funds the entire cost of body armor. The Police Department has applied for this grant in accordance with City of Killeen Grant Policy.

As part of the grant application, the department was required to select a make and model of body armor for the project. Department subject matter experts looked at available options and selected the Safariland/Protech Shift 360 Body Armor package offered exclusively by GT Distributors, Inc. It offers the best combination of maximum protection, value, and features that the department was searching for including modular pouches, identification panels, and a storage bag. The armor carrier is scalable and capable of being upgraded to meet any future needs.

The Police Department is requesting authority to accept \$127,350 in grant funding and purchase 225 units of rifle-resistant body-armor from GT Distributors, Inc. through a state purchasing cooperative. The body armor package is exclusively available from GT Distributors, Inc., through the Texas Association of School Boards (TASB) BuyBoard, making this purchase in compliance with state competitive purchasing requirements as found in the Texas Local Government Code. GT Distributors, Inc. TASB Buyboard contract # 524-17 is effective through March 31, 2018.

### **THE ALTERNATIVES CONSIDERED:**

Accept grant funding and purchase the body armor from GT Distributors, Inc. through the state purchasing cooperative as proposed.

Request budget funds for rifle-resistant body armor in future years.

Do not issue rifle-resistant body armor to police officers.

### **Which alternative is recommended? Why?**

The first alternative is the most reasonable since the grant funds 100% of the cost of the body armor with no matching funds requirement.

**CONFORMITY TO CITY POLICY:**

This purchase conforms to City Policy and applicable laws.

**FINANCIAL IMPACT:**

There is no immediate financial impact. The grant funds \$127,350 to purchase the rifle-resistant body armor. There is no matching funds requirement.

The following statement is a specific grant requirement:

In the event of the loss or misuse of grant funds, the City of Killeen will return all funds to the Office of the Governor, Criminal Justice Division.

**What is the amount of the expenditure in the current fiscal year? For future years?**

\$127,350 in grant funds (\$0 in City of Killeen funds)

This body armor has a warranty period and recommended service life of five years. After five years, the department will seek additional funding through budget or grant sources in order to continue the program. Current cost to replace armor plates is \$81,675. The vest carriers will not be subject to replacement at five years.

**Is this a one-time or recurring expenditure?**

One time

**Is this expenditure budgeted?**

Following approval of the corresponding budget amendment

**If not, where will the money come from?**

Grant funds from the Office of the Governor, Criminal Justice Division, Rifle-Resistant Body Armor Grant Program.

**Is there a sufficient amount in the budgeted line-item for this expenditure?**

N/A

**RECOMMENDATION:**

The city staff recommends that the city manager be authorized to accept the grant funds and execute the purchase of body armor from GT Distributors, Inc. through the TASB State BuyBoard and that the City Manager or designee is expressly authorized to execute any and all change orders within the amounts set by state and local law.

## MEMORANDUM Killeen Police Department

To: Mr. Ron Olson, City Manager  
From: Commander Alex Gearhart  
Date: August 4, 2017  
Subject: BG-Rifle-Resistant Body Armor Grant Program (BAGP)

Senate Bill 12 was recently signed into law which authorized the Criminal Justice Division (CJD) of the Governor's Office to create a grant program to assist agencies in the purchase of rifle-resistant body armor. The law was passed in response to last year's ambush attack in Dallas by a lone assailant armed with a rifle. Four Dallas Police Officers and one DART Police Officer were killed in the attack and others were injured. The legislature realized that regular body armor does not protect officers from this threat. Killeen is facing an uptick in violent crime including crimes committed with rifles. Current armor leaves a gap in the protection we are providing to our officers who must respond to these threats.

The department is seeking approval to apply for this grant. **The deadline to apply is September 6, 2017.** Attached to this memorandum, you will find a Grant Pre-Application Assessment Cover Page for the BG-Rifle-Resistant Body Armor Grant Program (BAGP), a flyer with description of armor package selected and Grant Announcement.

The following information is provided in response to city grant policy regarding pre-application assessment considerations:

**Total Cost:**

\$127,350 (\$566 per unit)

**Match Requirement:**

There is no matching funds requirement with this grant. The grant pays for 100% of the cost of the armor.

**Staffing Requirement:**

None

**Continuation Plan:**

Most body armor, including the armor plates selected for this grant, have a five-year warranty and replacement cycle. The initial cost to start this grant is \$127,350. This cost includes the ceramic armor plates and the plate carrier. The current cost to replace the plates alone after the

warranty period expires is \$81,675. As we believe this to be a critical piece of protective equipment, we will seek funding sources, including budgeted funds and future grant opportunities in order to continue the program.

**Alignment with strategic plan and/or department's business plan:**

Body Armor is a critical piece of equipment for police officers. Regular soft body armor does not provide protection from rifles. Killeen is experiencing an uptick in violent crime, including crimes committed with rifles. Providing this level of protection to officers is critical and aligns with the current KPD Strategic Plan Objectives 1.7 (Improve Workplace Safety) and 3.24 (Procure Adequate Ballistic Protection for Operations.) One of the key strategies for achieving these objectives is to budget necessary ballistic devices for police operations.

The selected armor package is available from GT Distributors at this contract price through the state purchasing cooperative. Please contact me if you need any further information or documentation.

Respectfully,

Cdr. Alex Gearhart  
Chief of Staff  
Killeen Police Department

Office of the Governor

# Rifle-Resistant Body Armor Grant Program

---

The goal of the Governor’s Criminal Justice Division (CJD) is to provide needed funding to improve public safety and support victims of crime by filling system gaps and promoting innovative solutions to common problems. In 2017, in response to the July 7<sup>th</sup>, 2016, shooting of numerous police officers in Dallas, Texas, the Legislature passed and the Governor signed Senate Bill 12, which created a grant program within the governor’s office to increase the safety of Texas’ law enforcement officers by assisting agencies in the purchase of rifle-resistant body armor. CJD is now accepting applications for projects under this program.

If you are interested in applying for a grant under this program, follow the four-step process outlined below.

- **Step One - Review the Process:** Get familiar with the funding announcement and the process used for this particular program.
- **Step Two - Consider the Requirements:** Consider the eligibility requirements as well as what will be required of successful applicants.
- **Step Three - Apply in eGrants.** Compile and submit your grant application. To understand how to apply online or to register for the system go to <https://eGrants@gov.texas.gov>.
- **Step Four – Funding Decisions and Grant Acceptance.** Await the funding decision, which is provided through a grant award or other notice from CJD. If you receive an award, complete the acceptance process to access funds.

## Step 1: Review the Process

### Timeline

Action	Date
Funding Announcement Release	July 7, 2017
Online System Opening Date	July 7, 2017
Final Date to Submit an Application	September 6, 2017 5PM CST
Earliest Start Date	January 1, 2018
Latest Start Date	March 1, 2018

### Submission Method

Applicants must submit applications through via eGrants ([eGrants.gov.texas.gov](https://eGrants@gov.texas.gov)) by the deadline above.

## Step 2: Consider the Requirements

### Organizational Eligibility

Applications may be submitted by the Texas Department of Public Safety, and units of local government and educational institutions that operate law enforcement agencies employing peace officers under Article 2.12, Texas Code of Criminal Procedure, including municipalities, counties, independent school districts, universities, public and private colleges and universities, federally recognized Native American tribes, community colleges and hospital districts. (This announcement has been revised to remove restrictions on state public universities.)

State agencies other than the Texas Department of Public Safety are not authorized under law to apply for funds under this grant program.

*With the exception of the Texas Department of Public Safety, applications must be submitted by the entity operating the law enforcement agency, not the agency itself, e.g. the county government, not the sheriff's office.*

### Funding and Project Period Limits

It is anticipated that up to \$25 million may be funded under this announcement. This amount represents the full level of funding available. (Funds are authorized under Senate Bill 12 and appropriated by the 85<sup>th</sup> Legislature.) The number and amount of awards will depend upon the reasonableness of costs of individual, eligible applications, and the total volume of applications received.

A project funded may not exceed a one-year grant period.

### Match Requirement

There is no match requirement under this program.

### Eligible Expenses

**Eligible equipment.** Grant funds are restricted to obtaining body armor compliant with the National Institute of Justice (NIJ) standard (Ballistic Resistance of Body Armor NIJ Standard-0101.06) type III (rifles) or type IV (armor piercing rifle) body armor, including bullet-resistant vests, ballistic plates, and plate carriers.

**Eligible purchase models.** Funds may be used for the outright purchase of eligible equipment, or other supply-service or subscription models. However, grant funds are restricted to the one-year project period, and costs for any subscription models or additional extended warranties that extend beyond the project period must be prorated to correspond to the project period.

**Eligible officers to equip.** Grant funds may only be used to equip peace officers (as defined by Article 2.12, Texas Code of Criminal Procedure) directly employed by a law enforcement agency operated by the applicant. Funds may not be used to equip officers employed by other agencies that are not eligible to apply. CJD may prioritize the equipping of certain types of officers or applicants if the total requested

funds exceed the funds appropriated by the Legislature. (See “Selection and Fund Allocation Criteria” below under Step 4.) Only one set of body armor (partial or complete) per officer may be purchased.

**Equipment purchasing.** The Texas Comptroller of Public Accounts’ Statewide Procurement Division (SPD) has developed a list of Bullet Proof Vest and Body Armor that local government members may order on [Texas SmartBuy](http://www.txsmartbuy.com/) ( <http://www.txsmartbuy.com/> ). Grantees may find more information about available products and get assistance with purchasing equipment on the [SB12 Body Armor web page](http://comptroller.texas.gov/purchasing/contracts/body-armor.php) ( <http://comptroller.texas.gov/purchasing/contracts/body-armor.php> ), or contact SPD for help in evaluating vendor offers against the pricing on statewide contracts.

Because CJD is attempting to equip the maximum number of law enforcement officers in Texas, if the total funding requested by applicants exceeds available funding, applicants with more reasonable and competitive project budgets may receive priority. Not all body armor listed at the Comptroller’s website complies with the requirements of this grant program.

### Ineligible Costs and Activities

Costs under this grant program are strictly limited to the procurement of eligible body armor. Grant funds may not be used to support services, activities, and costs including but not limited to:

- 1) Salaries or personnel costs, including any portion of the salary of, or any other compensation for an elected or appointed government official;
- 2) Supplanting or use of grant funds to replace any other existing federal, state or local funds;
- 3) Indirect costs;
- 4) Training and/or maintenance costs;
- 5) Travel;
- 6) Any costs ancillary to the purchase of eligible body armor, such as policy development, training costs, staff, or any other item determined ineligible or unreasonable by CJD;
- 7) Any other prohibition imposed by federal, state, or local law.

### Reporting Requirements

**Financial Report.** At the end of each state fiscal quarter during the one-year grant period, grantees will be required to submit a financial status report via eGrants in the format required by CJD.

**Progress Report.** Grantees will be required to submit a single close-out report via the Public Policy Research Institute at Texas A&M University ( <https://ppri.tamu.edu/> ) 12 months after their project start date. Close-out reports will be very brief and will principally ask for:

- 1) Number of officers employed by the law enforcement agency;
- 2) Number of officers equipped with NIJ-compliant level III & IV body armor; and
- 3) A brief description of any shooting events in which an officer equipped with body armor purchased with grant funds was struck by gunfire.

## Program-Specific Requirements

**Required Agency Policies.** As required by Chapter 772.0073, Texas Government Code (as passed in Senate Bill 12), an eligible organization may apply for grant funds only after its law enforcement agency adopts a policy addressing the:

- 1) Deployment and allocation of vests or plates to its officers; and
- 2) Usage of vests or plates by its officers.

CJD requires that the policy on usage of vests or plates include mandatory training on the proper care, fitting, inspection, use, storage, and maintenance of the armor. CJD also requires that the policy specify that body armor may not be left in patrol vehicles when an officer is not on duty to minimize the heat damage to the armor.

In crafting these policies, applicants should be aware that the inspection, storage, and replacement of body armor were identified as potential points of failure in body armor use by the Police Executive Research Forum. See [\*“A Practitioner’s Guide To the 2011 National Body Armor Survey of Law Enforcement Officers”\*](#) for more information.

**NIJ Body Armor Standards.** Body armor purchased with grant funds must comply with the National Institute of Justice (NIJ) standard (Ballistic Resistance of Body Armor NIJ Standard-0101.06) for type III (rifles) or type IV (armor piercing rifle) body armor, including bullet-resistant vests, ballistic plates, and plate carriers. Grantees are responsible for ensuring that any purchases meet this requirement and must certify compliance at the time of application.

**Personally Fitted Vest Requirement.** All body armor vests purchased with grant funds must be personally fitted for individual officers, including vests specifically fitted to individual female law enforcement officers. “Personally fitted” does not require armor be individually manufactured based on the measurements of a specific wearer, but rather that it provide the best possible fit and coverage, through a combination of:

- 1) Correctly-sized panels and carrier, determined through appropriate measurement; and
- 2) Properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features.

The American Society for Testing and Materials (ASTM) International has made available the Standard Practice for Body Armor Wearer Measurement and Fitting of Armor ([\*Active Standard ASTM E3003\*](#)) available at no cost. The [\*Personal Armor Fit Assessment checklist\*](#), is excerpted from ASTM E3003.

Grantees are responsible for ensuring that all purchases meet this requirement and must certify compliance at the time of application.

## Standard CJD Requirements

**CJD Regulations.** Grantees must comply with the standards applicable to this funding source cited in the Texas Administrative Code (1 TAC Chapter 3), and all statutes, requirements, and guidelines applicable to this funding.

**Uniform Crime Reports.** Eligible applicants operating a law enforcement agency must be current on reporting Part I violent crime data to the Texas Department of Public Safety (DPS) for inclusion in the annual Uniform Crime Report (UCR). To be considered eligible for funding, applicants must have submitted a full twelve months of accurate data to DPS for the most recent calendar year.

**Criminal History Reporting.** The county (or counties) in which the applicant is located must have a 90% average on both adult and juvenile criminal history dispositions reported to the Texas Department of Public Safety for calendar years 2012 through 2016 as of August 31, 2017

**Immigration and Customs Enforcement Requests:** An application requirement pertaining to full compliance with Department of Homeland Security detainer requests applies to all municipal or county governments that operate a subdivision or department that detains individuals after arrest for a criminal violation. Full text of this certification can be found on the Narrative tab of each application or at [http://gov.texas.gov/cjd/dhs\\_detainerrequest](http://gov.texas.gov/cjd/dhs_detainerrequest). All applicants must select one of four options in their eGrants application to be considered for funding under this announcement.

## Step 3: Apply via eGrants

### Basics

To apply to CJD for these grants, you must complete or make sure you have already completed some standard requirements. All of the following are needed to apply within eGrants:

- Applicants must have a DUNS (Data Universal Numbering System) number assigned to its agency (to request a DUNS number, go to <http://fedgov.dnb.com/webform/displayHomePage.do>).
- Applicants must be registered in the federal System for Award Management (SAM) database located at <https://www.sam.gov/> and maintain an active registration throughout the grant period.
- Applicants must have or register for an account in eGrants [eGrants@gov.texas.gov](mailto:eGrants@gov.texas.gov).

### Profile Tab – Grant.Vendor Sub-Tab Direct Deposit Procedures

New Direct Deposit procedures: Applicants must upload the required [Direct Deposit forms](#), [New Payee Identification Form](#), and [W9 Form](#) for each application prior to submission. The eGrants system will not allow an application submission until these forms are attached to the application. These forms are available at <https://egrants.gov.texas.gov/updates.aspx> under the Financial Management Tools section or by clicking on the hyperlinks above.

### Narrative Tab – Program-Specific Questions

Applicants must enter the number of officers currently employed by the agency, the number of officers currently equipped with Type III and Type IV body armor, and the number proposed to be equipped under the grant for the following four categories:

- 1) Officers within a tactical response (SWAT-style) unit or specifically assigned tactical response duties;

- 2) Officers who are engaged in traffic or highway patrol, otherwise regularly detain or stop motor vehicles, are primary responders to calls for assistance from the public, or execute arrest or search warrants for criminal offenses;
- 3) All other officers employed by the agency;
- 4) All other reserve officers.

### **Narrative Tab – Required Certifications**

There are a variety of certifications on the eGrants application that applicants are required to make when submitting their application. Applicants should carefully review these certifications, which are also found in this funding announcement’s “Appendix A: Required Certifications”.

### **Narrative Tab – Project Narrative**

The eGrants system contains nine narrative boxes, but only one is required for this grant program. Using the headings indicated below in bold type, applicants should use the “Project Abstract” box, to describe:

- 1) **Duties.** The duties of the four categories of officers proposed to be equipped under the project, including how those duties would expose the officers to gunfire that necessitates Type III and Type IV body armor.
- 2) **History.** Any recent history of shootings that demonstrates the need for Type III and Type IV body armor.
- 3) **Non-Tactical Duties.** If the project proposes equipment for reserve officers and/or officers not engaged in tactical response duties, regular patrol, response to calls for assistance, or the execution of warrants related to criminal offenses, why such officers have a need for this level of body armor.
- 4) **Multi-Agency Breakdown.** If the project will equip more than one agency operated by an applicant, how many of each category of officer (tactical response officers; patrol/response/warrant-serving officers; other employed officers; other reserve officers) work in each agency. (For example, if a county’s application contains equipment for officers in a constable’s office and a sheriff’s office, those total should be broken-out here.)

Applicants should enter “n/a” in all other project narrative boxes.

### **Activities Tab – CJD Purpose Areas**

Applicants must estimate the percentage of time officers proposed to be equipped under their project will be specifically assigned to:

- 1) Educational campuses;
- 2) Jails or prisons;
- 3) Juvenile facilities (not regular K-12 or college campuses);
- 4) Victim services facilities;
- 5) General (all other areas)

### **Activities Tab – Fund Source Information and Requirements**

If the officers to be equipped with grant funds are explicitly assigned to specific educational campuses (K-12 or higher education), the applicant must enter the TOTAL students at ALL campuses that will be served by the project.

### **Activities Tab – OOG-Defined Project Activity Area**

Applicants should assign 100% of their project activity to “Equipment and Technology”. For the Description of Activity, “Equipping officers with Type III and Type IV body armor” is sufficient.

### **Measures Tab**

There are no additional measures required for this grant program.

### **Budget Tab**

Applicants must submit a budget line item for each type of item being purchased, including the expected make and model of the item and the quantity of item to be purchased. For example, a budget line item listing a quantity of one and a description reading “12 bullet resistant vests” is incorrect. That budget line item should list a quantity of 12 and a description reading “Bullet resistant vests by [manufacturer] of model [model of vest]”.

Applicants receiving awards are not locked-in to the make and model of equipment in their application, but must consult with their grant manager and request a budget adjustment changing the make and model *before* making any purchases. CJD reserves the right to deny a requested change, and any purchases of equipment not listed in the approved budget are not guaranteed to be reimbursed.

### **Submit.Application and Certify.Application Tabs**

After completing the application, submit the application by selecting the “Submit Initial Application” button on the bottom of the Submit.Application tab. (If your application is missing information, a list of errors will appear on the Submit.Application tab.)

After the initial submission, the project officials will receive an email notification. The Authorized Official must then log-in to the application and certify the application by selecting the “Certify Official Application” button at the bottom of the Certify.Application tab (only visible once the application has been initially submitted).

Applications are not complete until the Authorized Official has CERTIFIED the application, and they must do so BEFORE the application deadline.

For support documents and “how-to” videos and other resources, including the Guide to Creating an Application, see the eGrants support page at <https://egrants.gov.texas.gov/updates.aspx>.

## Step 4: Review your Funding Decision

### Selection and Fund Allocation Criteria

CJD will review applications to understand the overall demand for the program and for significant variations in costs per item. After this review, CJD will determine if all eligible applications can be funded based on funds available, if there are cost-effectiveness benefits to normalizing or setting limits on the range of costs, and if other fair-share cuts may allow for broader distribution and a higher number of projects while still remaining effective.

In the event that the total requested funds exceed available funding, CJD may also prioritize applications for municipal police departments, sheriff's offices, or – within projects – officers engaged in tactical response and regular patrol/response or warrant-execution duties.

**Final Decisions – All Projects:** The executive director will consider the analysis described above along with other factors and make all final funding decisions. Other factors may include need, cost effectiveness, overall funds availability, CJD or state government priorities and strategies, legislative directives, need, geographic distribution, balance of focuses and approaches, or other relevant factors.

CJD may not fund all applications or may only award part of the amount requested. Per Title 1, Section 3.9 of the Texas Administrative Code, all funding decisions made by the executive director are final and are not subject to appeal. The receipt of an application by CJD does not obligate CJD to fund the grant or to fund it at the amount requested.

### Announcements

After CJD makes final funding decisions, each applicant will receive either an unfunded notice, a preliminary decision notification, or a final grant award. The award will provide all of the conditions and requirements of the grant. Release of final grant awards are always contingent on CJD's receipt of the federal grant award under which the program is funded and CJD cannot release or guarantee funding to any applicant until that award is received and acceptance is processed and a determination is made that adequate funding is available. All grantees receiving federal and state funds must comply with the applicable statutes, rules, regulations, and guidelines related to the funding source under which the grant is funded. In instances where both federal and state requirements apply to a grantee, the more restrictive requirements apply.

## Appendix: Required Certifications

Applicants must certify that they will comply with the following requirements to the extent that they are applicable. CJD, at its sole discretion, will determine the applicability of requirements:

**A. Constitutional Compliance:** Applicant assures that it will not engage in any activity that violates Constitutional law including profiling based upon race.

**B. Required Agency Policies:** Applicant assures that it has adopted policies addressing the deployment and allocation of vests or plates to its officers; and the usage of vests or plates by its officers. CJD requires that the policy on usage of vests or plates include mandatory training on the proper care, fitting, inspection, use, storage, and maintenance of the armor. CJD also requires the policy specify that body armor may not be left in patrol vehicles when an officer is not on duty in order to minimize the heat damage to the armor.

In crafting these policies, applicants should be aware that the inspection, storage, and replacement of body armor were identified as potential points of failure in body armor use by the Police Executive Research Forum. See [“A Practitioner’s Guide To the 2011 National Body Armor Survey of Law Enforcement Officers”](#) For more information.

**C. NIJ Body Armor Standards.** Applicant assures that body armor purchased with grant funds will comply with the National Institute of Justice (NIJ) standard (Ballistic Resistance of Body Armor NIJ Standard-0101.06) for type III (rifles) or type IV (armor piercing rifle) body armor, including bullet-resistant vests, ballistic plates, and plate carriers.

**D. Personally Fitted Vest Requirement.** Applicant assures that all body armor vests purchased with grant funds will be personally fitted for individual officers, including vests specifically fitted to individual female law enforcement officers. “Personally fitted” does not require armor be individually manufactured based on the measurements of a specific wearer, but rather that it provide the best possible fit and coverage, through a combination of:

- 1) Correctly-sized panels and carrier, determined through appropriate measurement; and
- 2) Properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features.

The American Society for Testing and Materials (ASTM) International has made available the Standard Practice for Body Armor Wearer Measurement and Fitting of Armor ([Active Standard ASTM E3003](#)) available at no cost. The [Personal Armor Fit Assessment checklist](#), is excerpted from ASTM E3003.

**E. Uniform Crime Reports:** Eligible applicants operating a law enforcement agency must be current on reporting Part I violent crime data to the Texas Department of Public Safety for inclusion in the annual Uniform Crime Report (UCR) and must have been current for the twelve previous months.

**F. Criminal History Reporting:** The county (or counties) in which the applicant is located must have a 90% average on both adult and juvenile criminal history dispositions reported to the Texas Department of Public Safety for calendar years 2012 through 2016, as of August 31, 2017.

**G. Immigration and Customs Enforcement Requests:** The full text of this certification is found at [http://gov.texas.gov/cjd/dhs\\_detainerrequest](http://gov.texas.gov/cjd/dhs_detainerrequest). To be in compliance with this requirement, any county or municipal government that includes a department that detains individuals after arrest for a criminal violation must provide a letter signed by the head of each such department certifying to the requirements. This letter may be used for any application submitted to OOG for a period of up to two years from the date it is signed. If the applicant has submitted a letter to CJD in the prior year, that letter meets the requirement of this section. If that period expires during the project period of any grant, the grantee must submit an updated letter for each such grant to remain in compliance with this requirement. All applicants must select one of the following options:

- Applicant is not a county or municipal government.
- Applicant is a county or municipal government and does not include any department that detains individuals after arrest for a criminal violation at any time.
- Applicant is a county or municipal government that includes department(s) that detain individuals after arrest for a criminal violation. Letters certifying compliance and signed by the heads of all such departments have been uploaded to this application.
- Applicant is a county or municipal government that includes department(s) that detain individuals after arrest for a criminal violation. The Authorized Official has read the certification found at [http://gov.texas.gov/cjd/dhs\\_detainerrequest](http://gov.texas.gov/cjd/dhs_detainerrequest). Further, the Authorized Official will not be submitting signed letters certifying compliance from the heads of all such departments and understands that failure to comply with this certification may result in OOG, at its sole discretion, rejecting this application and any other application from the relevant county or municipal government.

**H. Civil Rights Liaison:** A civil rights liaison who will serve as the grantee's civil rights point of contact and who will be responsible for ensuring that the grantee meets all applicable civil rights requirements must be designated. The designee will act as the grantee's liaison in civil rights matters with CJD and with the federal Office of Justice Programs.

**Overall Certification:** Each applicant agency must certify to the specific requirements detailed above as well as all requirements within the CJD funding announcement and *Criminal Justice Division & Homeland Security Grants Division Grantee Conditions and Responsibilities* document to be eligible for this program.

Section 2: Certifications

In addition to the requirements found in existing statute, regulation, and the funding announcement, this program requires applicant organizations to certify compliance with the following:

Applicant assures that it will not engage in any activity that violates Constitutional law including profiling based upon race.

#### **B. Required Agency Policies**

Applicant assures that it has adopted policies addressing the deployment and allocation of vests or plates to its officers; and the usage of vests or plates by its officers. CJD requires that the policy on usage of vests or plates include mandatory training on the proper care, fitting, inspection, use, storage, and maintenance of the armor. CJD also requires the policy specify that body armor may not be left in patrol vehicles when an officer is not on duty in order to minimize the heat damage to the armor.

In crafting these policies, applicants should be aware that the inspection, storage, and replacement of body armor were identified as potential points of failure in body armor use by the Police Executive Research Forum. See "[A Practitioner's Guide To the 2011 National Body Armor Survey of Law Enforcement Officers](#)" for more information.

"Personally fitted" does not require armor be individually manufactured based on the measurements of a specific wearer, but rather that it provide the best possible fit and coverage, through a combination of:

1. Correctly-sized panels and carrier, determined through appropriate measurement; and
2. Properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features.

The Authorized Official has read the certification found on the aforementioned CJD website. Further, the Authorized Official will not be submitting signed letters certifying compliance from the heads of all such departments and understands that failure to comply with this certification may result in OOG, at its sole discretion, rejecting this application and any other application from the relevant county or municipal government.

#### **H. Civil Rights Liaison**

**Project Abstract :**

1. Duties – The department will equip most officers below the rank of Commander with rifle-resistant body armor. The officers and supervisors who will be so equipped are responsible for responding to calls for service, conducting investigations, executing warrants and making arrests, all of which could potentially expose them to gunfire. This program will not include members of our Tactical Response Unit, who are already equipped with upgraded body armor, or administrative personnel. 2. History – The City of Killeen is experiencing an uptick in violent crime. Currently, part 1 Violent Crimes are up 20.67%, Murder is up 57.14% and Robbery is up 39.34%. Responding to these crimes potentially places officers in danger of being exposed to gunfire. Within the last several months, our officers have responded to gun fights involving gang members armed with semiautomatic rifles, a shooting at an apartment complex in which the suspect fired a full 30-round magazine into an apartment and a pawn shop robbery with 15 stolen firearms—five of which were rifles. Within the last year, 84 long guns have been taken into evidence in relation to a crime. In 2013, a member of our Tactical Response Unit was killed by an assailant armed with a rifle. The officer was struck in an area not protected by his upgraded body armor. This incident is a stark reminder of the dangers faced by our officers. 3. Non-Tactical Duties – This project will not equip officers who are not engaged in tactical response duties. 4. Multi-Agency Breakdown – This is not a multi-agency project.
