## PROFESSIONAL SERVICES AGREEMENT FOR SANITARY SEWER EVALUATION SURVEY PH.1

June 4, 2024

## Background and Findings

- □ In 2022, the city completed a ten-year sanitary sewer overflow initiative with the TCEQ to find and fix infrastructure deficiencies throughout the sewer system.
- Due to the great success of this initiative, on March 14, 2023,
   Council approved a sewer flow monitoring study which became the foundation of a new ten-year program.
- □ This new ten-year series of evaluation and rehab projects will begin with phase 1 of a sanitary sewer evaluation survey.
- □ Pipeline Analysis has submitted a professional services agreement that includes the evaluation of 1,172 manholes and 327,549-feet of sewer main at a cost of \$628,292.47.

3

City Council authorize the City Manager, or designee, to execute a Professional Services Agreement with Pipeline Analysis for Sanitary Sewer Evaluation Survey Phase 1, in the amount of \$628,292.47 and authorize the City Manager, or designee, to execute any and all change orders within the amounts set by State and Local law.
