RE: Pricing for O'Reilly Account 100183, City of Killeen

Dear Frank,

O'Reilly Auto Parts thanks you for continuing to choose us as your supplier. This letter is to confirm that the pricing profile established for the City of Killeen account (# 100183) is set up with pricing in compliance with the TIPS cooperative program contract #180603 effective through 8/31/2023, with an option to renew for an additional year. When this contract is due for renewal, we fully expect to be among the awarded vendors on the new contract which will have another four to five year term. The pricing profile in place for TIPS customers has been beneficial to cooperative members as well as TIPS and will, most likely, remain in place for the new contract when it is finalized.

This pricing profile gives the City of Killeen a minimum discount of 41% off of List price on all automotive parts, tools, equipment, paint, accessories and supplies offered through our catalog. Because this was a competitively bid contract, many product lines have discounts greater than 41%. If you have not already done so, you can register your account with our online customer portal at www.firstcallonline.com to look up parts, verify pricing/discounts and even place orders.

O'Reilly values keeping more of the City's money locally which is why we maintain a local presence with five stores in Killeen. Our local Killeen team members are a vital key to our success from the great services they provide such as free delivery and "hot-shot" services, when the City has a critical need, to hours of operation that extend beyond the typical business day for when a vehicle just can't wait until tomorrow to be repaired and back on the road. We look forward to providing great parts and outstanding service to the City of Killeen for many more years to come.

Respectfully,

Roaen T.W. Barron

RFP 180603 Vehicle Parts, Supplies, Equipment and Affiliated Services

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter referred to as "TIPS" respectfully) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686. This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control.

The vendor Agreement shall include and incorporate by reference this Agreement, the terms and conditions, special terms and conditions, any agreed upon amendments, as well as all of the sections of the solicitation as posted, including any addenda and the awarded vendor's proposal. Once signed, if an awarded vendor's proposal varies or is unclear in any way from the TIPS Agreement, TIPS, at its sole discretion, will decide which provision will prevail. Other documents to be included are the awarded vendor's proposals, task orders, purchase orders and any adjustments which have been issued. If deviations are submitted to TIPS by the proposing vendor as provided by and within the solicitation process, this Agreement may be amended to incorporate any agreed deviations.

The following pages will constitute the Agreement between the successful vendors(s) and TIPS. Bidders shall state, in a separate writing, and include with their proposal response, any required exceptions or deviations from these terms, conditions, and specifications. If agreed to by TIPS, they will be incorporated into the final Agreement.

A Purchase Order, Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed to between the vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some of the addendums possible.

Assignments of Agreements

No assignment of Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor or vendor assigned company.

Disclosures

1. Vendor affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
2. Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with Members in the TIPS program.
3. The vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Renewal of Agreements

The Agreement with TIPS is for five (5) years with an option for renewal for an additional one (1) consecutive year. The scheduled Agreement termination date shall be the last date of the month of the last month of the agreement's legal effect. *Example: If the agreement is scheduled for to end on May 23, the anniversary date of the award, it would actually be extended to May 31 in the last month of the last year the contract is active.*

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order or executed Agreement issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

- 31 Do you want TIPS Members to be able to spend Federal grant funds with you if awarded? Is it your intent to be able to sell to our members regardless of the fund source, whether it be local, state or federal? Most of our members receive Federal Government grants and they make up a significant portion of their budgets. The members need to know if your company is willing to sell to them when they spend federal budget funds on their purchase. There are attributes that follow that are provisions from the federal regulations in 2 CFR part 200. Your answers will determine if your award will be designated as Federal or Education Department General Administrative Regulations (EDGAR)compliant.
