

# NATIONAL PURCHASING PARTNERS GOVERNMENT COOPERATIVE

RS-26-039

March 3, 2026

# Background

2

- Texas Local Government Code §271.102 authorizes local governments to participate in cooperative purchasing programs that satisfy competitive bidding requirements
- NPPGov is a public sector purchasing cooperative administered by National Purchasing Partners (NPP)
  - ▣ The League of Oregon Cities serves as the lead public agency and conducts competitive, best-value solicitations

# Background Continued

3

- NPPGov provides access to vendors supporting municipal operations, including:
  - ▣ Facilities
  - ▣ Information Technology
  - ▣ Fleet
  - ▣ Public Safety
  - ▣ Other operational needs
- There is no cost to join NPPGov purchasing cooperative

# Benefits of Cooperative Contracting

4

- Utilizes contracts that have been competitively solicited and awarded by another governmental entity in compliance with procurement laws
- Leverages collective purchasing power to secure pre-negotiated, volume-based pricing
- Provides potential cost savings of approximately 10%–65% on certain contracts
- Reduces administrative time and resources associated with issuing separate solicitations while maintaining full compliance

# Recommendation

5

City Council approve the interlocal agreement with League of Oregon Cities to participate in National Purchasing Partners Government Cooperative and authorize the City Manager or designee to execute the interlocal agreement and any supplemental agreement as allowed by state and local law
