RE: Zoning Change Letter of Request –3210 Florence Rd., Killeen

Dear Mrs. Meshier,

We, as the applicant, are submitting this letter of request for a zoning change for the property located at 3210 Florence Rd., BellCAD property ID part of 61151. This rezoning request is consistent with the newly adopted Comprehensive plan. The Residential Mix place type allows several housing types including Smallplex (2-4 units). We believe this proposed change to a Two-Family Residential District will not negatively impact the surrounding properties, but will complement the adjoining residential developments located to the east, west and south of our subject tract.

Should you need additional information or have any questions, please do not hesitate to contact our office at 254.493.9962 or me directly on my cell phone at 254.394.0034.

Sincerely,

George J. Meza
