The Investment Officer and Texas CLASS Officials shall disclose in writing (a) any “personal business relationship” with a business organization offering to engage in an investment transaction with Texas CLASS, and (b) any relationship within the second degree by affinity or consanguinity, as determined by Chapter 573, Texas Government Code, to any individual seeking to sell an investment to Texas CLASS, as required by the Investment Act. The existence of a “personal business relationship” shall be determined in accordance with the Investment Act. Such disclosure statement shall be filed with the Board and the Texas Ethics Commission.

Section 4.03. Certifications from Sellers of Investments.

The Investment Officer or Texas CLASS Officials shall present this Policy to any person or business organization offering to engage in an investment transaction with Texas CLASS and obtain the certificate that such potential seller has reviewed the Policy as provided in the Investment Act. This certificate shall be in a form acceptable to Texas CLASS and shall state that the potential seller has received and reviewed the Policy and has acknowledged that the potential seller has implemented reasonable procedures and controls in an effort to preclude investment transactions with Texas CLASS that are not authorized by this Policy, except to the extent that this authorization is dependent on an analysis of the makeup of the entire portfolios of Texas CLASS or requires an interpretation of subjective investment standards. Neither the Investment Officer nor Texas CLASS Officials shall purchase or make any investment from a potential seller that has not delivered to Texas CLASS this required certification. A form of certificate acceptable to Texas CLASS is attached hereto as Exhibit A.

Section 4.04. Solicitation of Bids for Certificates of Deposit.

Bids for certificates of deposit may be solicited orally, in writing, electronically or in any combination of those methods.

Section 4.05. Settlement Basis.

All purchases of investments, except investment in mutual funds, shall be made on a delivery versus payment basis. The safekeeping entity for all Texas CLASS investments and for all Collateral pledged to secure funds of Texas CLASS shall be one approved by the Investment Officer or the Program Administrator.

Section 4.06. Monitoring of the Market Value of Investments and Collateral.

The Program Administrator, on behalf of the Investment Officer, with the help of such Texas CLASS Officials as needed, shall determine the market value of each investment and of all Collateral pledged to secure deposits of funds of Texas CLASS at the times required and in the manner provided in the Trust Agreement and the Investment Act.

ARTICLE V **PROVISIONS APPLICABLE TO ALL FUNDS**

Section 5.01. Provisions Applicable to All Funds.

- A. All funds of Texas CLASS shall be invested only in accordance with this Policy and shall comply with any additional requirements imposed by the Trust Agreement or by resolutions of the Board and applicable state law or federal tax law, including the Investment Laws.
- B. The Program Administrator may withdraw or transfer funds from and to accounts of Texas CLASS only in compliance with this Policy.

Section 5.02. Policy of Securing Deposits of Funds of Texas CLASS -- Applicable to All Deposited Funds of Texas CLASS.

- A. Texas CLASS recognizes that FDIC (or its successor) insurance is available for funds of Texas CLASS deposited at any one Texas Financial Institution (including branch banks) only up to a maximum of \$250,000 (including accrued interest) for each of the following: (i) demand deposits, (ii) time and savings deposits, and (iii) deposits made pursuant to an indenture or pursuant to law in order to pay bondholders or noteholders. It is the policy of Texas CLASS that all deposited funds in Texas CLASS shall be insured by the FDIC, or its successor, and to the extent not insured, shall be secured by Collateral pledged to the extent of the fair market value of the principal amount deposited plus accrued interest as required by the Collateral Act.
- B. If it is necessary for depositories of Texas CLASS to pledge Collateral to secure Texas CLASS' deposits, (1) the Collateral pledge agreement must be in writing, (2) the Collateral pledge agreement must be approved by the depository's board of directors or loan committee, (3) the depository's approval of the Collateral pledge agreement must be reflected in the minutes of the meeting of the depository's board or loan committee approving same, and (4) the Collateral pledge agreement must be kept in the official records of the depository. The depository must provide the Investment Officer or Texas

CLASS Officials with written proof of the depository's approval of the pledge agreement as required herein in a form acceptable to Texas CLASS. A signed or certified copy of the minutes of the meeting of the depository's board or loan committee reflecting the approval of the Collateral pledge agreement or other written documentation of such approval acceptable to the Investment Officer will be accepted. It is the preference of the Board that all requirements of this section be met prior to the deposit of any funds of Texas CLASS in such financial institution when a pledge of Collateral is required; however, the Board recognizes that compliance with this preference might not be practicable due to time constraints for making a deposit. In such event, the Board directs the Investment Officer and Texas CLASS Officials to proceed diligently to have such agreement approved and documented to assure protection of funds of Texas CLASS. If the decision is made to forego the protection of a Collateral pledge agreement with any depository, the Program Administrator shall be responsible for maintaining the balance of deposit(s) in such depository plus any accrued but unpaid interest at or below FDIC insurance levels.

- C. Collateral pledged by a depository shall be held in safekeeping at an independent third party institution, and the Program Administrator shall obtain safe-keeping receipts from the Texas financial institution or the safekeeping institution that reflect that Collateral as allowed by this Policy and in the amount required was pledged to Texas CLASS. Principal and accrued interest on deposits in a financial institution shall not exceed the FDIC's, or its successor's, insurance limits or the market value of the Collateral pledged as security for Texas CLASS' deposits. It shall be acceptable for the Program Administrator to periodically receive interest on deposits to be deposited to the credit of Texas CLASS if needed to keep the amount of the funds under the insurance or Collateral limits. It is the preference of this Board that there be no sharing, splitting or cotenancy of Collateral with other secured parties or entities; however, in the event that a depository cannot accommodate this preference due to the denominations of the securities to be pledged, the Board directs the Investment Officer and Texas CLASS Officials to obtain appropriate protections in the pledge agreement with the depository to assure that the Collateral is liquidated and the funds distributed appropriately to all parties with a security interest in such Collateral. The Program Administrator shall monitor the pledged Collateral to assure that it is pledged only to Texas CLASS, review the fair market value of the Collateral to ensure that Texas CLASS' funds are fully secured, and report periodically to the Investment Officer and the Board regarding the Collateral.
- D. Texas CLASS' funds deposited in any Texas financial institution, to the extent that they are not insured, may be secured in any manner authorized by law for Texas CLASS as such law is currently written or as amended in the future.

Section 5.03. Diversification.

The pool shall at all times diversify its assets in such a way as to maintain its AAAM rating status with at least one nationally recognized statistical rating organization. The diversification criteria set by the rating organization shall be reviewed with the Board at least annually. The diversification criteria and the diversification of the pool's assets shall at all times be in compliance with the Texas Public Funds Investment Act, Chapter 2256, Texas Government Code.
