

AWARD BID NO. 24-18, PAVEMENT MARKING SERVICES

RS-24-009

January 09, 2024

Background and Findings

2

- Pavement markings are intended to increase the safety & efficiency of roadway traffic by delineating the roadway path & specific traffic lanes.
- While city crews maintain and install pavement markings, an Invitation to Bid (ITB) was issued for pavement marking services for the larger areas on city roadways, parking areas, airports, and bike lanes.

Background and Findings Cont.
