Attn: Planning & Development Services Department

To Whom It May Concern,

The purpose of this letter is to request the re-zoning of approximately 390.54 acres of land located at 4244 Stagecoach Rd, from a Planned Unit Development (PUD) to a Planned Unit Development (PUD). The purpose of the re-zoning is to change the phasing and mix of lot sizes in accordance with market changes and the 45' lot width that is now allowable. The current mixed-use zoning allows Single-Family (SF-2, R-1, SR-1, SR-2 & A-R1), Two-Family (R-2), and Commercial (B-5) development. This proposed PUD is consistent with current zonings in the area. With the property being bounded by single-family residential and commercial to the east (across E. Trimmier Rd), large lot residential to the south (with a large buffer of the proposed open space/park land), single-family residential zoned as a PUD to the west and southwest, and single-family residential to the north (across Stagecoach Rd), we feel this zoning change will not negatively affect the surrounding properties.

Sincerely,
