

AWARD BID NO. 24-21, CHAPARRAL PUMP STATION RE-BID PROJECT

RS-24-038

February 20, 2024

Background and Findings

2

- The 2019 Water and Wastewater Master Plan includes project 4W – Construction of an 8 MGD pump station at the base of the newly constructed Chaparral Elevated Storage Tank.
- This pump station will allow the city to better utilize water supply from the BCWCID No. 1 Stillhouse Water Treatment Plant by pumping the water into the Upper Pressure Plan which serves the western half of the city.
- On August 3, 2023, Purchasing received one bid submission in the amount of \$8,434,743.
 - On September 12, 2023, City Council rejected the bid as the amount was significantly higher than the estimated cost in the Master Plan.

Background and Findings

3

- ❑ On January 23, 2024, three (3) bids were received from the following vendors:
 - ▣ SSP Industries, LP
 - ▣ Prota, Inc.
 - ▣ Barsh Construction
- ❑ SSP Industries, LP is the selected vendor for Bid 24-21, Chaparral Pump Station Re-bid, as they are the responsive low bidder providing the best value to the city.

Recommendation

4

- ❑ Authorize the award of Bid No. 24-21, Chaparral Pump Station Re-Bid Project to SSP Industries, LP; authorize the City Manager, or designee, to execute a construction contract in the amount of \$7,916,365 with SSP Industries, LP, and furthermore, authorize the City Manager, or designee, to execute any and all change orders within the amounts set by State and Local law.
