

PROFESSIONAL SERVICES  
AGREEMENT FOR  
COMMUNITY CENTER PARK  
REUSE PROJECT

RS-26-005

January 6, 2026

# Background and Findings

- The FY 2025 Water and Sewer Capital Improvements Plan includes the Reuse Water for Community Center Park Project.
- This project includes a pump and piping system that will transfer reuse water from Bell County WCID No. 1's North Sewer Plant to the existing irrigation system at the Killeen Community Center, Rosa Herford Community Center, and Mickey's Dog Park.
- Garver, LLC submitted a professional services agreement (PSA) for the design and contract administration of this project in an amount of \$151,908.
- Garver has provided exceptional design and contract administration on several past W&S infrastructure projects.

# Recommendation

- City Council authorize the City Manager, or designee, to execute a Professional Services Agreement with Garver, LLC for the design and contract administration of the Reuse Water for Community Center Park Project, in the amount of \$151,908 and authorize the City Manager, or designee, to execute any and all change orders within the amounts set by State and Local law.
