

INTERLOCAL AGREEMENT
WITH CTCOG - HHW

RS-19-058

July 2, 2019

Background

- The City of Killeen hosts Household Hazardous Waste (HHW) collection events annually.
- These events allow City of Killeen residents the opportunity to dispose of hazardous products while protecting the common watershed (South Nolan Creek) and preserving our water resources for current and future generations.
- The Interlocal Agreement with Central Texas Council of Governments (CTCOG) would open up the event to all residents in the region and provide additional funding.
- Funds for this event have been budgeted in the current fiscal year.
 - The estimated cost to the City of Killeen is \$20,000 with an additional \$10,000 reimbursement from the CTCOG.

3

Household Hazardous Waste Collection Event

Residents disposing of household hazardous waste at a prior City of Killeen event. All materials are handled and transported by Stericycle, Inc.

Alternatives

4

- Conduct a Household Hazardous Waste event for residents of the City of Killeen only.
- Approve the interlocal agreement with CTCOG to provide additional funding and allow all CTCOG region residents to participate.

Recommendation

- City staff recommends that the City Council authorize the City Manager or his designee to execute an Interlocal Agreement between the City of Killeen and the Central Texas Council of Governments for a \$10,000 grant. This event is scheduled for July 20, 2019; and would afford residents of seven (7) counties the opportunity to dispose of hazardous products, keeping them out of the waste stream and protecting our common watershed.
