Requestor(s): Councilman Steve Harris

Date: 17 June 2020

Problem/Issue/Idea Name for Agenda:

Animal Shelter and other advisory committees who are designated to report directly to the City Council

Description of Problem/Issue/Idea:

This request is to definitively identify citizen advisory committees that have been assigned the task of reporting directly to the council. This will allow everyone to know, what committees these are and to help minimize any confusion and, or any potential conflicts within city, committee and, or public ranks.

Requested Action:

Have staff identify and brief the council on the specific roles of committees and that are assigned the task of briefing council. Also, to work on setting a regular and rotational schedule for these committees to brief the council for those who have not yet been assigned and, or enabled in this capacity.
