**ASCO Equipment Warranty – PM Disclosure Form**

Attention **Doosan** Customers

The ASCO Equipment Planned Maintenance program is here to provide you service on your new or used equipment on a regular schedule, to ensure optimal functionality and to keep the manufacturer warranty in place.

These services include the initial required “Break-In” PM within the **first 100 hours** as stated in the Doosan Owner’s Manual, along with all the inspections, tests, adjustments, cleaning, lubrication, and all parts/supplies for the listed equipment going forward based on hourly usage

Refusal of the initial “Break-In” service for the model of your newly purchased equipment could result in the manufacturer warranty being voided:

**Services required may include some or all of the following based on model requirements:**

**Electric Powered Units**

- Drive Unit Fluid Service

**Internal Combustion Powered Units**

- Engine Oil & Filter Change
- Check & Adjust Belts as Needed
- Transmission Fluid & Filter Service
- Drive Axle Fluid Service
- Check Fuel Hoses & Clamps
- Test & Adjust Parking Brake as Needed

**I give authorization to ASCO Equipment to complete the manufacturer required initial service as described above, in order to preserve my warranty status:**

**Signature X** \_\_\_\_\_ **Date:** \_\_\_\_\_

**I DO NOT give authorization to ASCO Equipment to complete the manufacturer required initial service as described above, in order to preserve my warranty status:**

**Signature X** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Printed Name:** \_\_\_\_\_

**Company:** \_\_\_\_\_

**Zip Code:** \_\_\_\_\_ **Salesperson:** \_\_\_\_\_

**TERMS AND CONDITIONS  
[MADE PART OF THE PROPOSAL FOR THE PURCHASE OF EQUIPMENT]**

**1. General.** These Terms and Conditions are part of the Proposal, which becomes a contract upon Seller's acceptance of the Proposal.

**2. Payment of Net Purchase Price.** Unless otherwise stated in the Proposal, Buyer (sometimes referred to in the Proposal as the "Customer") will pay ASCO (the "Seller") the Net Purchase Price for the Equipment as stated in the Proposal on or before the delivery of the Equipment. Seller reserves the right to require from Buyer a cash down payment (the "Cash Down Payment") to be paid by check or wire transfer of funds prior to the order or the delivery of the Equipment from the Manufacturer. Any required Cash Down Payment must be received within 3 business days after the date that such payment is requested; otherwise, Seller will have the option of terminating this Proposal, in which event neither party will any further duties or obligations hereunder. The balance of the Sales Price (after crediting the "Cash Down Payment," if any) will be paid by Buyer by check or wire transfer of funds immediately preceding the delivery of the Equipment, and upon Buyer being notified by ASCO that the Equipment is available for delivery. Any Cash Down Payment is non-refundable due to Buyer's inability to obtain financing, or for any other reason resulting from Buyer's inability or unwillingness to purchase the Equipment; however, Buyer will be entitled to a refund of the Cash Down Payment upon ASCO's failure to perform its obligations under the Proposal or should the Manufacturer fail to fulfill the order within a reasonable period of time. The amount of the Cash Down Payment may vary depending on circumstances or financing related to each sale. If Buyer is obtaining financing for the purchase of the Equipment from a third party lender, such financing must be obtained within 3 business days from the date of this Proposal; and if such financing is not obtained, this Proposal may be terminated at the option of either party. Unless otherwise described in this Proposal, no financing is being offered by Seller.

**3. Cancellation Charge.** A cancellation charge of 20% of the Total Purchase Price is payable by Customer on all cancelled orders.

**4. Taxes, Delivery Fees and Other Fees.** Any taxes related to the sale of the Equipment will be paid by Buyer at the time that such taxes become due. Unless otherwise stated in the Proposal, the Net Purchase Price DOES NOT include any applicable taxes, delivery fees, or other applicable fees.

**5. Trade-in Equipment.** If the Trade-in Equipment is not being delivered to Seller until after the effective date of this Proposal, Buyer represents and warrants to Seller that there will not be a material increase in the hours of use on the Trade-in Equipment or a material change in the condition of the Trade-in Equipment; and, if Seller determines in its sole opinion that such a material change has occurred, Seller will be entitled to reappraise the Trade-in Equipment at the time of receipt of such equipment and to adjust the Trade Allowance and Net Trade Allowance as stated in the Proposal. If Seller reappraises the Trade-in Equipment at an amount which is less than the original Trade Allowance by more than five percent (5%), Buyer may terminate this Proposal provided that such termination is made prior to the delivery of the Equipment; and, provided further that upon such termination, Seller has the option of retaining all or any portion of the Cash Down Payment as reimbursement for expenses incurred in regard to this transaction.

**6. Non-Performance by Seller.** Seller is excused from performance under the terms of this Proposal if delivery is delayed, or rendered impractical or impossible by work stoppages, strikes, delays in transportation, inability to obtain labor or materials, supply-chain delays, and by any other cause or reason beyond the reasonable control of Seller, including but not limited to acts of God, disease, pandemic, weather, and civil unrest or insurrection; and if Seller is unable to perform for the reasons stated in this paragraph, Buyer's sole remedy is termination of this Proposal and the return of its Cash Down Payment, if any.

The Equipment can be obtained by ASCO from the Manufacturer within a reasonable period of time. An action for specific performance by either party must be initiated, if at all, within 90 days after the alleged breach of this Proposal. Until Buyer has fully paid for the Equipment, ASCO retains a lien on the Equipment in accordance with the Texas Business and Commerce Code and Buyer authorizes ASCO to perfect such lien by filing a financing statement with any governmental filing offices as required for perfecting such lien. Under no circumstances will ASCO be liable to Buyer for any consequential, special, indirect, incidental, exemplary, or punitive damages, including without limitation, loss of profits, loss of business opportunity, or loss of prospective revenue, arising out of this Proposal or the Equipment to be provided under this Proposal. The prevailing party in any litigation shall be entitled to recover reasonable attorney's fees and court costs.

**8. Entire Agreement; Modification.** This Proposal constitutes the entire agreement between the parties, and any modification or amendment must be in writing and signed by authorized representatives of both Buyer and Seller.

**9. Jurisdiction and Venue.** This Proposal shall be construed and enforced in all respects in accordance with the laws of the State of Texas and the laws of the United States applicable to transactions in Texas, and venue for any lawsuits or legal proceedings related to this Proposal or the Equipment will be in Lubbock County, Texas.

**10. Delivery:** The risk of loss will pass to Buyer immediately upon the Equipment being: (i) picked up by Buyer or (ii) delivered to customer's location. The delivery of the Equipment as described above is subject to performance and delivery by the manufacturer of the Equipment (the "Manufacturer"), which the Seller and Buyer agree may cause the actual delivery date to vary, and which Seller is unable to control. If Seller has provided Buyer with an "estimated lead time" for delivery of the Equipment, Buyer agrees that the lead time has been provided by the Manufacturer of the Equipment and Buyer is given notice that such time may vary depending on circumstances which are beyond the control of Seller. Seller's delivery of the Equipment to Buyer by any date stated in the Proposal, if any, is subject to Manufacturer's delivery of the Equipment to Seller in accordance with the lead time provided solely by the Manufacturer.

**11. Completion of Blanks.** Buyer authorizes Seller to unilaterally insert the serial number(s) and/or model numbers of the Equipment on the previous pages of this Proposal for the purpose of identifying the Equipment or correcting errors.

**12. Price Increases.** If the equipment is being ordered from the manufacturer, the price stated herein is an estimate; and, to reflect any increases due to material availability or other factors beyond the control of Seller, the price stated in this Proposal is subject to increase to reflect any price increase imposed by the manufacturer between the date of this Proposal and the delivery date of the Equipment to Buyer.

**13. Final Agreement; Buyer's Performance..** All sales are expressly conditional on Buyer's agreement to these Terms and Conditions which are part of the Proposal. Buyer's execution of this Proposal; or, any order or statement of intent by Buyer to purchase the Equipment and/or any other products or services as described in this Proposal from ASCO; or, any directions by Buyer to proceed with procurement or shipment of the Equipment or any other products or services described in this Proposal; or, acceptance by Buyer of the Equipment, products and/or services; or, payment of all or part of such Equipment, products and/or Services as described in this Proposal; shall constitute assent to these Terms and Conditions by Buyer. Any different or additional terms and conditions proposed by Buyer in a purchase order or any other document are objected to by ASCO and will not be binding upon ASCO unless specifically assented to in writing by an authorized representative of ASCO. The person signing this Proposal on behalf of Buyer is an authorized representative with authority to sign this Proposal.

**14. DISCLAIMER OF WARRANTIES ON EQUIPMENT:**

ASCO is not the manufacturer of the Equipment. The only warranties offered in regard to the Equipment are those of the Manufacturer. Warranty remedies offered by the Manufacturer of the Equipment are Customer's exclusive remedies. ASCO EXPRESSLY DISCLAIMS ALL WARRANTIES, EITHER EXPRESSED OR IMPLIED, RELATED TO THE EQUIPMENT, INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY, MERCHANTABLE QUALITY, OR FITNESS FOR A PARTICULAR PURPOSE. ASCO MAKES NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION OF THE EQUIPMENT; HOWEVER, ASCO'S DISCLAIMER OF WARRANTIES DOES NOT AFFECT THE TERMS OF ANY MANUFACTURER'S WARRANTY. Customer is solely responsible for selecting the Equipment; and, ASCO has not selected the Equipment and is not responsible for the suitability of the Equipment for any use or purpose intended by Customer. Customer expressly waives any claim that it may have against ASCO based on any manufacturer product liability arising out of or related to the Equipment.

All used equipment is sold AS IS, WHERE IS, and WITH ALL FAULTS. Used equipment quoted in the Proposal is subject to prior sale and availability is not guaranteed.

**7. Buyer's Default.** Should Buyer default under the terms of this Proposal, ASCO may terminate this Proposal and retain the Cash Down Payment as liquidated damages; or, ASCO may seek such other relief as provided by law or in equity. Upon ASCO's failure to deliver the Equipment (other than its failure to timely deliver the Equipment due to the fault of Manufacturer or any third party, which shall not be a default by ASCO), Buyer may, as its sole remedies, terminate this Proposal and receive a refund of the Cash Down Payment; or, Buyer may enforce specific performance of ASCO'S obligations under this Proposal, provided that

**PURCHASE AGREEMENT**

**ADDITIONAL TERMS AND CONDITIONS**  
**READ CAREFULLY AS THESE TERMS CONTAINS INDEMNIFICATION REQUIREMENTS AND LIMITATIONS OF LIABILITY**

1. As used in this Order the terms (a) "Dealer" shall mean the authorized Dealer to whom this Order is addressed and who shall become a party hereto by its acceptance hereof, (b) "Purchaser" shall mean the party executing this Order as such on the face hereof, and (c) Manufacturer shall mean the Corporation that manufactured the vehicle or chassis, it being understood by Purchaser and Dealer that Dealer is in no respect the agent of Manufacturer, that Dealer and Purchaser are the sole parties to this Order and that reference to Manufacturer herein is for the purpose of explaining generally that Dealer does not manufacture motor vehicles and that certain contractual relationships exist between Dealer and Manufacturer with respect to new motor vehicles.
2. These Terms and Conditions shall govern the sale of motor vehicles ("Purchased Unit(s)") by Dealer to Purchaser. Dealer's performance and prices are expressly conditioned on these terms and conditions. This document shall be the final, complete, and exclusive agreement between the parties and may not be modified, amended, supplemented, explained, or waived by parol evidence. Purchaser's purchase order, a course of dealings, custom or trade usage, prior representations, Dealer's performance or delivery, Dealer's catalogs, circulars or other promotional material, or in any other way except in writing signed by Dealer's Authorized Representative. Dealer's Authorized Representative shall mean Dealer's Vice-President, General Counsel, Chief Financial Officer, or President.
3. Purchaser agrees to complete one of the following, and agrees that despite delivery of the Purchased Unit(s) to Purchaser, title to the Purchased Unit(s) shall remain with Dealer until Purchaser completes one of the following: (1) pay the balance due, as shown on this Order, in cash or (2) execute a Time Sales Agreement (Retail Installment Contract), or (3) execute a Loan Agreement for the purchase price of the Purchased Unit(s) plus additional charges shown herein, or (4) execute a lease agreement, on or before delivery of the Purchased Unit(s). Purchaser and Dealer agree that this Order is not a security agreement and that delivery of the Purchased Unit(s) to the Purchaser pursuant to this Order will not constitute possession of the Purchased Unit(s) by the Purchaser, as a debtor, for the purposes of the purchase money security provisions in any statutes relating to personal property security or its equivalent. Purchaser understands that its rights in connection with this purchase are limited as set forth in this Order.
4. Manufacturer has reserved the right to change the price to Dealer of new motor vehicles without notice. In the event the price to Dealer of new motor vehicles of the series and body type ordered hereunder is changed by Manufacturer prior to delivery of the Purchased Unit(s) ordered hereunder to Purchaser, Dealer reserves the right to change the cash delivered price (or any other pricing) of such motor vehicle to Purchaser accordingly. If such cash delivered price (or any other pricing) is increased by Dealer by five percent (5%) or more, Purchaser's sole remedy is to cancel this Order, in which event if a used motor vehicle has been traded in as a part of the consideration for such new Purchased Unit(s), such used motor vehicle shall be returned to Purchaser upon payment by Purchaser to Dealer of all storage and repair cost incurred or, if such used motor vehicle has been previously sold by Dealer, the amount received for such sale by Dealer, less a selling commission of 15% and any cost or expense incurred in storing, repairing, insuring, conditioning or advertising said used motor vehicle for sale, shall be returned to Purchaser. Purchaser waives all other claims for any damages resulting from a manufacturer's change in pricing and/or a related cancellation.
5. If a used motor vehicle(s) which has been traded in as a part of the consideration for the motor vehicle ordered hereunder (such traded vehicle being a "Trade In(s)"), is not to be delivered to Dealer until delivery to Purchaser of such Purchased Unit(s), the Trade In(s) shall be reappraised at that time and such reappraised value shall determine the allowance to be made for such Trade In(s). If such reappraised value is lower than the original allowance shown on the front of this Order, Purchaser may, if dissatisfied therewith, cancel only the trade; however, Purchaser shall nevertheless remain fully liable for the purchase of the Purchased Unit(s). Additionally, Dealer shall not be obligated to accept any Trade In(s) from Purchaser which are not reflected on this Order. In the event that Purchaser offers Trade In(s) not reflected on this Order, Dealer shall have no obligation whatsoever to accept any such Trade In(s) and Purchaser shall remain fully responsible for all obligations of Purchaser as set forth in this Order.
6. Purchaser agrees to deliver evidence satisfactory to Dealer of title to any Trade In(s) as a part of the consideration for the Purchased Unit(s) ordered hereunder in advance but in no case later than at the time of delivery of such Trade In(s) to Dealer. Purchaser warrants any such Trade In(s) to be owned wholly by Purchaser free and clear of all liens and encumbrances except as otherwise noted herein, and deemed acceptable by Dealer. Purchaser further warrants that for any Trade In, the Exhaust Emission System or any of its components have not been deleted, removed, or altered in any way from its factory built state and that each Trade In will meet the emission standard in place as of the manufacture date. Purchaser understands that Dealer is relying on Purchaser's statement as a material representation, and thus Purchaser hereby agrees to indemnify, defend and hold harmless Dealer from all damages, expenses, fees and costs (including attorney's fees) that Dealer incurs in the event that this representation is inaccurate or untrue.
7. Unless this Order has been cancelled by Purchaser in accordance with the terms of this Agreement, Dealer shall have the right upon failure or refusal of Purchaser to accept delivery of the Purchased Unit(s) ordered in accordance with the terms herein, to seek all remedies provided to Dealer by law (including specific performance), in addition to Dealer's attorneys' fees and costs and expert fees. In addition, Dealer may assess Purchaser a restocking fee of twenty percent (20%) of the Purchased Unit(s) sales price which shall be due immediately. Additionally, in the event a Trade In(s) has been delivered to Dealer, such Trade In(s) may be sold by Dealer, and the proceeds of any such sale may then be used to reimburse Dealer for any payments due to Dealer (or any damages incurred by Dealer, if applicable).
8. Manufacturer has reserved the right to change the design of any new motor vehicle, chassis, accessories or parts thereof at any time without notice and without obligation to make the same or any similar change upon any motor vehicle, chassis, accessories or parts thereof previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. Correspondingly, in the event of any such change by Manufacturer, Dealer shall have the option, but no obligation to Purchaser, to make the same or any similar change in any motor vehicle, chassis, accessories or parts thereof covered by this Order either before or subsequent to delivery thereof to Purchaser.
9. Dealer shall not be liable for failure to deliver or for any delay in delivering the Purchased Unit(s) covered by this Order where such failure or delay is due, in whole or in part, to any cause beyond the reasonable control of Dealer and which is not due solely to the willful misconduct of Dealer. Any such delays not caused solely by Dealer's willful misconduct shall affect a corresponding extension of Dealer's performance dates which are, in any event, understood to be approximate. If acts or omissions of Purchaser delay Dealer's performance, Purchaser shall reimburse Dealer for any increased costs or expenses resulting therefrom and extend the time of performance.
10. PURCHASER AGREES THAT IN NO EVENT SHALL DEALER BE LIABLE FOR ANY DAMAGES RELATED TO: LOSS OF USE OF THE PURCHASED VEHICLE(S), LOSS OF TIME, REPLACEMENT OR RENTAL VEHICLES, LODGING, OR ANY OTHER INCIDENTAL, RESERVOIR, SPECIAL, INDIRECT, CONSEQUENTIAL OR EXEMPLARY DAMAGES FOR LATE PERFORMANCE OR FAILURE TO PERFORM WHETHER IN CONTRACT, TORT, STRICT LIABILITY, OR ANY OTHER LEGAL THEORY, AND REGARDLESS OF WHETHER DEALER HAS BEEN ADVISED OF SUCH DAMAGES. ADDITIONALLY, notwithstanding any other provision to the contrary, IN NO EVENT SHALL DEALER'S LIABILITY TO PURCHASER EXCEED THE PURCHASE PRICE OF THE PURCHASED VEHICLE(S) REGARDLESS OF LEGAL THEORY UPON WHICH DEALER'S ALLEGED LIABILITY IS BASED (WHETHER SOUNDING IN TORT, CONTRACT, OR OTHERWISE).
11. Purchaser acknowledges and agrees that Dealer did not manufacture and therefore makes no implied or express warranty with regard to the Purchased Unit(s) and any service work or make-ready work shall not create any warranty of any nature whatsoever with respect to the Purchased Unit(s). Additionally, Purchaser agrees to use the Purchased Unit(s) and/or chassis at Purchaser's own risk and hereby releases Dealer, its principals, officers, directors, shareholders, members, agents, employees, successors and assigns, from any and all claims for any damages or injuries of any nature whatsoever to the full extent permitted by law.
12. The price for the Purchased Unit(s) specified on the face of this agreement does not include federal excise taxes, sales taxes, use taxes, or occupational taxes based on sales volume (Federal, State, or Local) unless expressly so stated. Purchaser assumes and agrees to pay, unless prohibited by law, any such excise, sales, use, or occupational taxes imposed on or applicable to the transaction covered by this Order, regardless of which party may have primary tax liability thereof. Dealer will accept a valid sales or use tax exemption certificate from Purchaser; however, if a previously accepted sales or use tax exemption certificate is ultimately disallowed by the applicable taxing agency for any reason, Purchaser agrees to immediately reimburse Dealer for any resulting taxes, penalties, and interest incurred by Dealer. Purchaser shall obtain and pay all permits, licenses and official inspections required other than those required to be obtained in the name of Dealer.
13. Purchaser grants Dealer a purchase money security interest in the Purchased Unit(s) as security for Purchaser's obligation to pay the purchase price, and Purchaser agrees to execute a financing statement or other instrument required to perfect such security interest. In the event that Purchaser fails or refuses to execute a required document, Purchaser hereby appoints Dealer as its attorney-in-fact, coupled with an interest to execute the name on Purchaser's behalf and in Purchaser's stead.
14. In the event Purchaser seeks to obtain financing to acquire a vehicle named on this Order, Purchaser represents that all statements made in the Purchaser's credit application, finance contracts and all information provided to Dealer and/or to the finance company are true and correct. Any misrepresentation by Purchaser in any of the aforementioned documents entitles Dealer to cancel this Agreement and Dealer shall be entitled to any damages incurred as a result. Should Purchaser or any finance company fail to tender the full contract price to Dealer, Dealer may cancel this Agreement. In the event of a misrepresentation by Purchaser or the full purchase price has not been tendered to Dealer in a prompt manner, Purchaser agrees to immediately return the vehicle and to reimburse Dealer for all costs and expenses incurred by Dealer as a result, including any mileage and/or restocking charge. Purchaser agrees to fully indemnify Dealer for any damages incurred by Dealer as a result of any misrepresentations or omissions made by Purchaser.
15. There are no warranties, expressed or implied, made by the Dealer herein, or the Manufacturer, on the vehicle or chassis described on the face hereof except in the case of a new vehicle or chassis and as provided exclusively by the Manufacturer. The printed new vehicle warranty issued by Manufacturer (and not Dealer) delivered to Purchaser with such vehicle or chassis is the only warranty applicable to such new vehicle or chassis and is expressly in lieu of all other warranties, expressed or implied including any implied warranty of merchantability or fitness for a particular purpose. In the case of a used vehicle or chassis, the applicability of an existing manufacturer's warranty thereon, if any, shall be determined solely by the terms of such warranty and not by Dealer.
16. Any used motor vehicle sold to Purchaser by Dealer must be inspected and investigated by Purchaser as all such sales are deemed "AS IS" and "WITH ALL FAULTS" at the time of delivery by Dealer without any guarantee or warranty of any nature, expressed or implied (including no warranty that the odometer reading on the Purchased Unit(s) represents the actual mileage traveled) or any implied warranty of merchantability or fitness for a particular purpose, as to its condition or the condition of any part thereof except as may be otherwise specifically provided in writing on the face of this order or in a separate writing furnished to Purchaser by Dealer. Purchaser agrees that Dealer has made no representation and that Purchaser has not relied on any representations made by Dealer, but rather is relying on its own investigation and inspection of the Purchased Unit(s).
17. The Purchaser, before or at the time of delivery of the motor vehicle covered by this Order will execute such other forms of agreement or documents as may be required by the terms and conditions of payment indicated on the front of this Order.
18. Waiver, Severability. No waiver of any term of this Order shall be valid unless it is in writing and signed by Dealer's authorized representative, notwithstanding any delays. If any provision or part of any provision of this Order shall be deemed to violate any applicable law or regulation, such invalid provision or part of a provision shall be inapplicable. BUT the Parties agree that the remaining part of that provision and the remainder of the Order shall continue to be binding and enforceable.
19. No Broker/Manufacturer Incentives. If at any time Dealer determines that Purchaser intends to engage in the resale of vehicles for profit, where such resale is not in conjunction with further manufacturing, Dealer reserves the right to cancel this Order. Certain manufacturer's incentives are intended to be used for retail customers at the location as identified by the Purchaser in this Order. Purchaser represents that it will register the Purchased Unit(s) with its state motor vehicle department and is not purchasing the Purchased Units with the intent to resale same, except where such resale is in conjunction with further manufacturing. If at any time Dealer determines that the foregoing representations are not true, Dealer has the right to seek repayment of any manufacturer incentives that are paid.
20. This contract shall be governed by the laws of the State of Texas. Both Parties agree to present the other Party with notice of any claim relating to this Order at least five (5) business days before filing a petition or complaint relating thereto (in addition to any other applicable notice periods required by statute), during which time the Parties agree to negotiate in good faith to resolve their disputes. If the negotiations fail, the Parties hereby waive the right to trial by jury and agree to a trial by judge. The Parties agree that the mandatory venue for dispute resolution is the state courts of Harris County, Texas, unless otherwise required by law. Purchaser agrees it will bring any cause of action within one (1) year of the date of that causes' accrual, and that any causes of action or claims outside of that period are waived. The prevailing party in any disputes shall be entitled to recover reasonable attorney fees and expenses.

**Additional:**

Trade in units will be delivered to the Siddons-Martin Killen shop on or before November 15, 2024.

'Due to global supply chain constraints, any delivery date contained herein is a good faith estimate as of the date of this order/contract, and merely an approximation based on current information. Delivery updates will be made available, and a final firm delivery date will be provided as soon as possible.

Persistent Inflationary Environment Notification: If the Producer Price Index of Components for Manufacturing [www.bls.gov Series ID: WPUID6112] (the "PPI") has increased at a compounded annual growth rate greater than 5.0% from the date of acceptance of this proposal letter (the "Order Month") and 14 months prior to the anticipated Ready for Pickup Date (the "Evaluation Month"), then the proposal price may be increased by an amount equal to any increase exceeding 5.0% for the time period between the Order Month and the Evaluation Month. Siddons Martin and Pierce will provide documentation of such increase and the updated price for the customer's approval before proceeding with completion of the order along with an option to cancel the order.'

**Taxes:** Tax is not included in this proposal. In the event that the purchasing organization is not exempt from sales tax or any other applicable taxes and/or the proposed apparatus does not qualify for exempt status, it is the duty of the purchasing organization to pay any and all taxes due. Balance of sale price is due upon acceptance of the apparatus at the factory.

**Late Fee:** A late fee of .033% of the sale price will be charged per day for overdue payments beginning ten (10) days after the payment is due for the first 30 days. The late fee increases to .044% per day until the payment is received. In the event a prepayment is received after the due date, the discount will be reduced by the same percentages above increasing the cost of the apparatus.

**Cancellation:** In the event this proposal is accepted and a purchase order is issued then cancelled or terminated by Customer before completion, Siddons-Martin Emergency Group may charge a cancellation fee. The following charge schedule based on costs incurred may be applied:

- (A) 10% of the Purchase Price after order is accepted and entered by Manufacturer;
- (B) 20% of the Purchase Price after completion of the approval drawings;
- (C) 30% of the Purchase Price upon any material requisition.

The cancellation fee will increase accordingly as costs are incurred as the order progresses through engineering and into manufacturing. Siddons-Martin Emergency Group endeavors to mitigate any such costs through the sale of such product to another purchaser; however, the customer shall remain liable for the difference between the purchase price and, if applicable, the sale price obtained by Siddons-Martin Emergency Group upon sale of the product to another purchaser, plus any costs incurred by Siddons-Martin to conduct such sale.

**Acceptance:** In an effort to ensure the above stated terms and conditions are understood and adhered to, Siddons-Martin Emergency Group, LLC requires an authorized individual from the purchasing organization sign and date this proposal and include it with any purchase order. Upon signing of this proposal, the terms and conditions stated herein will be considered binding and accepted by the Customer. The terms and acceptance of this proposal will be governed by the laws of the state of Texas. No additional terms or conditions will be binding upon Siddons-Martin Emergency Group, LLC unless agreed to in writing and signed by a duly authorized officer of Siddons-Martin Emergency Group, LLC.

Sincerely,

**Scott Beckwith**

I, \_\_\_\_\_, the authorized representative of KILLEEN FIRE DEPARTMENT, agree to purchase the proposed and agree to the terms of this proposal and the specifications attached hereto.
