CONFLICT OF INTEREST QUESTIONNAIRE

For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at <http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm>. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that

(i) a contract between the local governmental entity and vendor has been executed;

or

(ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:

(i) a contract between the local governmental entity and vendor has been executed; or

(ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);

(2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or

(3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

(1) the date that the vendor:

(A) begins discussions or negotiations to enter into a contract with the local governmental entity; or

(B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or

(2) the date the vendor becomes aware:

(A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);

(B) that the vendor has given one or more gifts described by Subsection (a); or

(C) of a family relationship with a local government officer.

About the Company

Clean Infusion is a leading supplier of wastewater treatment services and solutions. The company's broad range of products and services is concentrated around Cleaning, Mechanical Equipment Services, aeration, rehabilitation, and repair services.

Clean Infusion has provided contract operation services in the U.S. continuously for more than 8 years. The company began operations in 2016 performing In-Situ acid cleaning of aeration equipment. Since that time, Clean Infusion has expanded its presence across the United States and has expanded its operations to incorporate many other critical services to the water industry. We have performed services in 20 states and continue to grow to serve clients in additional states and expand our types of services each year based on customer demands.

The Clean Infusion Services organization is focused across four divisions:

- Sludge and Cleaning Services
- Aeration
- Piping, Filtration and Mechanical Services
- Long Term Maintenance Contracts

Today, we continue to build on our core business of providing specialized knowledge and skill sets in these 4 main areas to numerous communities and industrial customers.

Clean Infusion continues to be recognized as an industry leader in the national marketplace.

In addition, Clean Infusion remains a very rare entity in that we are able to perform a variety of tasks under the same scope without the necessity of outsourcing our services. This allows the owner to rely on us to perform a variety of services while dealing with just one vendor.

Clean Infusion has an established operational presence throughout the entire United States. Clean Infusion has several crews deployed throughout the US simultaneously on multiple projects. Examples are provided on the following pages.
