

REJECT BID FOR BID NO. 22-21
CORPORATE HANGAR PHASE II PROJECT

RS-22-120

September 6, 2022

Background

2

- Project includes constructing a new corporate hangar at Killeen-Fort Hood Regional Airport.
- Bidding Process
 - Advertised March 15 and 22, 2022
 - Two (2) Bids and one (1) Non-Responsive Bid Received April 14, 2022
 - Evaluated by airport consultant and staff on April 25, 2022

Discussion

- The consultant and staff's recommendation was to award the construction contract to Bounds Commercial Construction, however, due to delays in FAA grant funding, the contractor could not extend their bid, therefore, the consultant and staff's recommendation is to reject the bid.

Alternatives
