Attn: Ms. Wallis Meshier, CNU-A

Date: 12/06/2024

Subject: Letter of Request for rezoning 107.60 ac on the west side of Featherline Rd (PropID 463637) from Ag to R1 and B3.

Ms. Wallis Meshier,

In a pre-application meeting on 1/23/2024 the Applicant discussed with City of Killeen (COK) staff changing zoning of the subject property and other items related to Single-Family-Detached (SFD) use. This Letter of Request is now being submitted with the Zoning Change Application requesting that zoning designation of the subject land be changed to from Ag to R1 and B3.

**REASON FOR REQUEST AND PROPOSED USE OF THE PROPERTY**

In recent years i) land surrounding the subject property has been developed for SFD use, police headquarters, and KISD transportation facility; ii) COK invested in CIP projects that extended major water and wastewater facilities to the subject site, and iii) the City of Killeen Comp Plan has been amended with the subject property being designated as Residential Mix allowing Single-Family Detached, Accessory Dwelling Unit, Bungalow Court, Townhouse, and Smallplex 2-4 Unit uses. It is no longer feasible for the subject property to be used for agricultural purposes. The Applicant is requesting the zoning designation be changed from Ag to R1 and B3; consistent with surrounding development and COK's 2022 Comp Plan.

**WHETHER OR HOW THE PROPOSED CHANGE WILL IMPACT THE SURROUNDING PROPERTIES**

City of Killeen utility masterplans, comprehensive plans, and infrastructure improvements contemplated the subject property being used for purposes more intense than Ag. Water transmission mains, wastewater interceptors, and nearby streets are being constructed to serve the subject property in a fully developed condition. Additionally, COK's 2015 Thoroughfare Plan designates Featherline Rd as an existing Minor Arterial and shows an east-west Collector through the subject property. In the pre-application meeting on 1/23/2024 COK staff and Applicant agreed this east-west thoroughfare is not necessary since a Collector will be constructed immediately south of the subject property. Existing water and wastewater facilities have sufficient capacity to support the requested use. Featherline Rd will likely need to be improved, as designated in the 2015 Thoroughfare Plan to support COK's police Headquarters Yowel Ranch phases 1-7, KISD Schools, and the subject property.

**WEHTER THE REQUEST IS CONSISTENT WITH THE FUTURE LAND USE MAP (FLUM)T**

An R1 and B3 zoning change request is consistent with the City of Killeen Comprehensive Plan which designates the subject property for Residential Mix; allowing Single-Family Detached, Accessory Dwelling Unit, Bungalow Court, Townhouse, and Smallplex 2-4 Unit uses.

Sincerely,
