To whom it may concern,

Few questions were asked by City officials regarding my application for rezoning.

- We are planning to open a liquor retail store, but the current zone doesn't allow the liquor business in this property.
- I believe the establishment of this business will enhance business diversity. I firmly believe it will also increase the property value around it.
- It is consistent with FLUM.

Write of type letter explain
• why you want the zoning change a
what for? Liquor STORE
• How this change will affect properties
around it
• If it is consistent with FLUM
(Yes it is)
\$610.00
