Statement for the Record:

I would like to thank Commissioner Ramon Alvarez for his three years of dedicated service to our City while serving on the Planning & Zoning Commission.

His passion for our City speaks through his efforts of ensuring Killeen is the place where people want to work, play and grow their families.

I am disappointed that Commissioner Alvarez wasn't reappointed and this action just proves that we have a long ways to go as a City of unbinding ourselves from the status quo and negative politics that continue to hinder our growth.

Best,

Gregory Johnson
