CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS

Federal Executive Order 12549 requires the Houston-Galveston Area Council (H-GAC) to screen each covered potential contractor to determine whether each has a right to obtain a contract in accordance with federal regulations on debarment, suspension, ineligibility, and voluntary exclusion. Each covered contractor must also screen each of its covered subcontractors/providers. In this certification "contractor" refers to both contractor and subcontractor; "contract" refers to both contract and subcontract.

By signing and submitting this certification the potential contractor accepts the following terms:

- 1. The certification herein below is a material representation of fact upon which reliance was placed when this contract was entered into. If it is later determined that the potential contractor knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Houston-Galveston Area Council or other federal department or agency, may pursue available remedies, including suspension and/or debarment.
- 2. The potential contractor shall provide immediate written notice to the person to whom this certification is submitted if at any time the potential contractor learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 3. The words "covered contract," "debarred," "suspended," "ineligible," "participant," "person," "principal," "proposal," and "voluntarily excluded," as used in this certification have meanings based upon materials in the Definitions and Coverage sections of federal rules implementing Executive Order 12549. Usage is as defined in the attachment.
- 4. The potential contractor agrees by submitting this certification that, should the proposed covered contract be entered into, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Houston-Galveston Area Council or other federal department or agency, as applicable.

Do you have or do you anticipate having subcontractors under this proposed contract?

- 5. The potential contractor further agrees by submitting this certification that it will include this certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts" without modification, in all covered subcontracts and in solicitations for all covered subcontracts.
- 6. A contractor may rely upon a certification of a potential subcontractor that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless it knows that the certification is erroneous. A contractor must, at a minimum, obtain certifications from its covered subcontractors upon each subcontract's initiation and upon each renewal.
- 7. Nothing contained in all the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 8. Except for contracts authorized under paragraph 4 of these terms, if a contractor in a covered contract knowingly enters into a covered subcontract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in the transaction, in addition to other remedies available to the federal government, Houston-Galveston Area Council, or other federal department or agency, as applicable, may pursue available remedies, including suspension and/or debarment.

Indicate which statement applies to the covered potential contractor:

x The potential contractor certifies, by submission of this certification, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract by any federal department or agency or by the State of Texas.

_____The potential contractor is unable to certify to one or more of the terms in this certification. In this instance, the potential contractor must attach an explanation for each of the above terms to which he is unable to make certification. Attach the explanation(s) to this certification.

INSTRUCTIONS FOR CERTIFICATION

- 1. By signing and submitting this proposal, the prospective contractor is providing the certification set out below.
- 2. The inability of a contractor to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective contractor shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective contractor to furnish a certification or an explanation shall disqualify such contractor from participation in this transaction. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If is later determined that the prospective contractor knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
- 3. The prospective contractor shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective contractor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is submitted for assistance in obtaining a copy of those regulations (13 CFR Part 145).
- 5. The prospective contractor agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
- 6. The prospective contractor further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions, "provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the ineligibility of its principals. Each participant may, but is not required to, check the Non procurement List.
- 8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 9. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

- C. Customers have the right to issue a change order to any purchase orders issued to the Contractor for the purposes of clarification or inclusion of additional specifications, qualifications, conditions, etc. The change order must be in writing and agreed upon by Contractor and the Customer agency prior to issuance of any Change Order. A copy of the Change Order must be provided by the Contractor to, and acknowledged by, H-GAC.

ARTICLE 22: CONTRACT ITEM CHANGES

- A. If a manufacturer discontinues a contracted item, that item will automatically be considered deleted from the contract with no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.
- B. If a manufacturer makes any kind of change in a contracted item which affects the contract price, Contractor must advise H-GAC of the details. H-GAC may allow or reject the change at its sole discretion. If the change is rejected, H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.
- C. If a manufacturer makes any change in a contracted item which does not affect the contract price, Contractor shall advise H-GAC of the details. If the 'new' item is equal to or better than the originally contracted item, the 'new' item shall be approved as a replacement. If the change is rejected H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item or may take any other action deemed by H-GAC at its sole discretion, to be in the best interests of its Customers.
- D. In the case of specifically identified catalogs or price sheets which have been contracted as base bid items or as published options, routine published changes to products and pricing will be automatically incorporated into the contract. However, Contractor must still provide thirty (30) calendar days written

notice and an explanation of the changes to products and pricing. H-GAC will respond with written approval.

ARTICLE 23: CONTRACT PRICE ADJUSTMENTS

Price Decreases

If Contractor's Direct Cost decreases at any time during the full term of this award, Contractor must immediately pass the decrease on to H-GAC and lower its prices by the amount of the decrease in Direct Cost. (Direct Cost means Contractor's cost from the manufacturer of any item or if Contractor is the manufacturer, the cost of raw materials required to manufacture the item, plus costs of transportation from manufacturer to Contractor and Contractor to H-GAC. Contractor must notify H-GAC of price decreases in the same way as for price increases set out below. The price decrease shall become effective upon H-GAC's receipt of Contractor's notice. If Contractor routinely offers discounted contract pricing, H-GAC may request Contractor accept amended contract pricing equivalent to the routinely discounted pricing

Price Increases

Contractors may request a price increase for items priced as Base Bid items and Published Options after twelve (12) months from the bid opening date of the bid received by H-GAC. The amount of any increase will not exceed actual documented increase in Contractor's Direct Cost and will not exceed 10% of the previous bid price. Considerations on the percentage limit will be given if the price increase is the result of increased tariff charges, or other economic factors.

Price Changes

Any permanent increase or decrease in offered pricing for a base contract item or published option is considered a price change. Temporary increases in pricing by whatever name (e.g. 'surcharge', 'adjustment', 'equalization charge', 'compliance charge', 'recovery charge', etc.), are also considered to be price changes. For published catalogs and price sheets as part of an H-GAC contract, requests to amend the contract to reflect any new published catalog or price sheet must be submitted whenever the manufacturer publishes a new document. The request must include the new catalog or price sheet.

All Products shall, at time of sale, be equipped as required under any then current applicable local, state, and federal government requirements. If, during the course of any contract, changes are made to any government requirements which cause a manufacturer's costs of production to increase, Contractor may increase pricing to the extent of Contractor's actual cost increase. The increase must be substantiated with support documentation acceptable to H-GAC prior to taking effect. Modifications to a Product required to comply with such requirements which become effective after the date of any sale are the responsibility of the Customer.

Requesting Price Increase/Required Documentation

Contractor must submit a written notification at least thirty (30) calendar days prior to the requested effective date of the change, setting the amount of the increase, along with an itemized list of any increased prices, showing the Contractor's current price, revised price, the actual dollar difference and the percentage of the price increase by line item. Price change requests must include H-GAC Forms D Offered Item Pricing and E Options Pricing, or the documentation used to submit pricing in the original Response and be supported with substantive documentation (e.g. manufacturer's price increase notices, copies of invoices from suppliers, etc.) clearly showing that Contractor's actual costs have increased per the applicable line-item bid. The Producer Price Index (PPI) may be used as partial justification, subject to approval by H-GAC, but no price increase based solely on an increase in the PPI will be allowed. This documentation should be submitted in Excel format to facilitate analysis and updating of the website. The letter and documentation must be sent to the Bids and Specifications manager, William Burton, at William.Burton@h-gac.com

Review/Approval of Requests

If H-GAC approves the price increase, Contractor will be notified in writing; no price increase will be effective until Contractor receives this notice. If H-GAC does not approve Contractor's price increase, Contractor may terminate its performance upon sixty (60) days advance written notice to H-GAC, however Contractor must fulfill any outstanding Purchase Orders. Termination of performance is Contractor's only remedy if H-GAC does not approve the price increase. H-GAC reserves the right to accept or reject any price change request.

ARTICLE 24: DELIVERIES AND SHIPPING TERMS

The Contractor agrees to make deliveries only upon receipt of authorized Customer Purchase Order acknowledged by H-GAC. Delivery made without such Purchase Order will be at Contractor's risk and will leave H-GAC the option of canceling any contract awarded to the Contractor. The Contractor must secure and deliver any item within five (5) working days, or as agreed to on any corresponding customer Purchase Order.

All risk of transportation and all related charges are the responsibility of the Contractor. The Customer will notify the Contractor and H-GAC promptly of any damaged goods and will assist the Contractor in arranging for inspection. The Contractor must file all claims for visible or concealed damage. Unless otherwise stated in the Master Agreement, deliveries must consist only of new and unused merchandise.

Items must be returned to Contractor within thirty (30) days from date of delivery. If there is a difference in price in the items exchanged, the Contractor must notify H-GAC and invoice Customer for increase price or provide the Customer with a credit or refund for any decrease in price per Customer's preference. On items returned, a credit or cash refund will be issued by the Contractor to Customer. This return and exchange option will extend for thirty (30) days following the expiration of the term of the Contract. All items returned by the Customer must be unused and in the same merchantable condition as when received. Items that are special ordered may be returned only upon approval of the Contractor.

ARTICLE 26: MANUALS

Each product delivered under contract to any Customer must be delivered with at least one (1) copy of a safety and operating manual and any other technical or maintenance manual. The cost of the manual(s) must be included in the price for the Product offered.

ARTICLE 27: OUT OF STOCK, PRODUCT RECALLS, AND DISCONTINUED PRODUCTS

Contractor is responsible for ensuring that notices and mailings, such as Out of Stock or Discontinued Notices, Safety Alerts, Safety Recall Notices, and customer surveys, are sent directly to the Customer with a copy sent to H-GAC. Customer will have the option of accepting any equivalent product or canceling the item from Customer's Purchase Order. Contractor is not authorized to make substitutions without prior approval.

ARTICLE 28: WARRANTIES, SALES, AND SERVICE

Pricing for any product must be inclusive of the standard warranty.

Contractor is responsible for the execution and effectiveness of all product warranty requests and any claims, Contractor agrees to respond directly to correct warranty claims and to ensure reconciliation of warranty claims that have been assigned to a third party.

ARTICLE 29: TERMINATION PROCEDURES

The Contractor acknowledges that this Master Agreement may be terminated for Convenience or Default. H-GAC will not pay for any expenses incurred after the termination date of the contract.

A. Convenience

H-GAC may terminate this Master Agreement at any time, in whole or in part, with or without cause, whenever H-GAC determines that for any reason such termination is in the best interest of H-GAC, by providing written notice by certified mail to the Contractor. Upon receipt of notice of termination, all services hereunder of the Contractor and its employees and subcontractors shall cease to the extent specified in the notice of termination.

The Contractor may cancel or terminate this Master Agreement upon submission of thirty (30) days written notice, presented to H-GAC via certified mail. The Contractor may not give notice of cancellation after it has received notice of default from H-GAC.

B. Default

H-GAC may, by written notice of default to the Contractor, terminate the whole or any part of the Master Agreement, in any one of the following circumstances:

- (3) In the event of such termination, Contractor will notify H-GAC of any outstanding Purchase Orders and H-GAC will consult with the End User and notify the Contractor to what extent the End User wishes the Contractor to complete the Purchase Order. If Contractor is unable to do so, Contractor may be subject to a claim for damages from H-GAC and/or the End User.

ARTICLE 30: SEVERABILITY

MASTER SPECIAL PROVISIONS

Please note, this is an H-GAC Master Agreement template and is used for all products and services offered in H-GAC Cooperative Purchasing. Any redlines to this Master Agreement may not be reviewed. Incorporated by attachment, as part of the whole Master Agreement, H-GAC and the Contractor do, hereby agree to the Master Special Provisions as follows:

ARTICLE 1: BIDS/PROPOSALS INCORPORATED

In addition to the whole Master Agreement, the following documents listed in order of priority are incorporated into the Master Agreement by reference: Bid/Proposal Specifications and Contractor's Response to the Bid/Proposal.

ARTICLE 2: END USER MASTER AGREEMENTS ("EUA")

H-GAC acknowledges that the END USER may choose to enter into an End User Master Agreement ("EUA) with the Contractor through this Master Agreement, and that the term of the EUA may exceed the term of the current H-GAC Master Agreement. H-GAC's acknowledgement is not an endorsement or approval of the End User Master Agreement's terms and conditions. Contractor agrees not to offer, agree to or accept from the END USER, any terms or conditions that conflict with those in Contractor's Master Agreement with H-GAC. Contractor affirms that termination of its Master Agreement with H-GAC for any reason shall not result in the termination of any underlying EUA, which shall in each instance, continue pursuant to the EUA's stated terms and duration. Pursuant to the terms of this Master Agreement, termination of this Master Agreement will disallow the Contractor from entering into any new EUA with END USERS. Applicable H-GAC order processing charges will be due and payable to H-GAC on any EUAs, surviving termination of this Master Agreement between H-GAC and Contractor.

ARTICLE 3: MOST FAVORED CUSTOMER CLAUSE

Contractor shall provide its most favorable pricing and terms to H-GAC. If at any time during this Master Agreement, Contractor develops a regularly followed standard procedure of entering into Master Agreements with other governmental customers within the State of Texas, and offers the same or substantially the same products/services offered to H-GAC on a basis that provides prices, warranties, benefits, and or terms more favorable than those provided to H-GAC, Contractor shall notify H-GAC within ten (10) business days thereafter, and this Master Agreement shall be deemed to be automatically retroactively amended, to the effective date of Contractor's most favorable past Master Agreement with another entity. Contractor shall provide the same prices, warranties, benefits, or terms to H-GAC and its END USER as provided in its most favorable past Master Agreement. H-GAC shall have the right and option at any time to decline to accept any such change, in which case the amendment shall be deemed null and void. If Contractor claims that a more favorable price, warranty, benefit, or term that was charged or offered to another entity during the term of this Master Agreement, does not constitute more favorable treatment, than Contractor shall, within ten (10) business days, notify H-GAC in writing, setting forth the detailed reasons Contractor believes the aforesaid offer is not in fact most favored treatment. H-GAC, after due consideration of Contractor's written explanation, may decline to accept such explanation and thereupon this Master Agreement between H-GAC and Contractor shall be automatically amended, effective retroactively, to the effective date of the most favored Master Agreement, to provide the same prices, warranties, benefits, or terms to H-GAC and the END USER.

EXCEPTION: This clause shall not be applicable to prices and price adjustments offered by a bidder,

proposer or contractor, which are not within bidder's/proposer's control [example; a manufacturer's bid concession], or to any prices offered to the Federal Government and its agencies.

ARTICLE 4: PARTY LIABILITY

Contractor's total liability under this Master Agreement, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, is limited to the price of the particular products/services sold hereunder. H-GAC will invoice Contractor for the applicable order processing charge when H-GAC receives notification of an END USER order. Contractor shall remit to H-GAC the full amount of the applicable order processing charge, after delivery of any product or service and subsequent END USER acceptance. Payment of the Order Processing Charge shall be remitted from Contractor to H-GAC, within thirty (30) calendar days or ten (10) business days after receipt of an END USER's payment, whichever comes first, notwithstanding Contractor's receipt of invoice. For sales made by Contractor based on this Master Agreement, including sales to entities without Interlocal Master Agreements, Contractor shall pay the applicable order processing charges to H-GAC. Further, Contractor agrees to encourage entities who are not members of H-GAC's Cooperative Purchasing Program to execute an H-GAC Interlocal Master Agreement. H-GAC reserves the right to take appropriate actions including, but not limited to, Master Agreement termination if Contractor fails to promptly remit the appropriate order processing charge to H-GAC. In no event shall H-GAC have any liability to Contractor for any goods or services an END USER procures from Contractor. At all times, Contractor shall remain liable to pay to H-GAC any order processing charges on any portion of the Master Agreement actually performed, and for which compensation was received by Contractor.

ARTICLE 7: LIQUIDATED DAMAGES

This insurance may be carried in several ways, e.g. under an Inland Marine policy, as art of Automobile coverage, or under a

Garage Keepers policy. In any event, this coverage must be specifically and clearly listed on insurance certificate(s) submitted to H-GAC.

- d. Insurance coverage shall be in effect for the length of any contract made pursuant to the Bid/Proposal, and for any extensions thereof, plus the number of days/months required to deliver any outstanding order after the close of the contract period.
- e. Original Insurance Certificates must be furnished to H-GAC on request, showing Contractor as the insured and showing coverage and limits for the insurances listed above.
- f. If any Product(s) or Service(s) will be provided by parties other than Contractor, all such parties are required to carry the minimum insurance coverages specified herein, and if requested by H-GAC, a separate insurance certificate must be submitted for each such party.
- g. H-GAC reserves the right to contact insurance underwriters to confirm policy and certificate issuance and document accuracy.

ARTICLE 9: PERFORMANCE AND PAYMENT BONDS FOR INDIVIDUAL ORDERS

H-GAC's contractual requirements DO NOT include a Performance & Payment Bond (PPB); therefore, Contractor shall offer pricing that reflects this cost savings. Contractor shall remain prepared to offer a PPB to cover any order if so requested by the END USER. 1. TERM OF CONTRACT

A. EFFECTIVE DATE. This Contract is effective upon the date of the final signature below.

EXPIRATION DATE AND EXTENSION. This Contract expires March 29, 2028, unless it is cancelled sooner pursuant to Article 22. This Contract allows up to three additional one-year extensions upon the request of Sourcewell and written agreement by Supplier. Sourcewell retains the right to consider additional extensions beyond seven years as required under exceptional circumstances.

B. SURVIVAL OF TERMS. Notwithstanding any expiration or termination of this Contract, all payment obligations incurred prior to expiration or termination will survive, as will the following: Articles 11 through 14 survive the expiration or cancellation of this Contract. All other rights will cease upon expiration or termination of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

A. EQUIPMENT, PRODUCTS, OR SERVICES. Supplier will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Supplier's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new and the current model. Supplier may offer close-out or refurbished Equipment or Products if they are clearly indicated in Supplier's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. WARRANTY. Supplier warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Supplier warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. C. DEALERS, DISTRIBUTORS, AND/OR RESELLERS. Upon Contract execution and throughout the Contract term, Supplier must provide to Sourcewell a current means to validate or authenticate Supplier's authorized dealers, distributors, or resellers relative to the Equipment, Products, and Services offered under this Contract, which will be incorporated into this Contract by reference. It is the Supplier's responsibility to ensure Sourcewell receives the most current information.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced at or below the price stated in Supplier's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

A. SHIPPING AND SHIPPING COSTS. All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Supplier must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Supplier may request Equipment, Product, or Service changes, additions, or deletions at any time. In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. CONTRACT

This Contract is between Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and LION First Responder PPE, Inc., 7200 Poe Avenue, Suite 400, Dayton, OH 45414 (Supplier).

Sourcewell is a State of Minnesota local government unit and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to eligible federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. Sourcewell issued a public solicitation for Firefighting Personal Protective Equipment with Related Equipment Cleaning from which Supplier was awarded a contract.

Supplier desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

1. TERM OF CONTRACT

A. EFFECTIVE DATE. This Contract is effective upon the date of the final signature below.

EXPIRATION DATE AND EXTENSION. This Contract expires March 27, 2028, unless it is cancelled sooner pursuant to Article 22. This Contract allows up to three additional one-year extensions upon the request of Sourcewell and written agreement by Supplier. Sourcewell retains the right to consider additional extensions beyond seven years as required under exceptional circumstances.

B. SURVIVAL OF TERMS. Notwithstanding any expiration or termination of this Contract, all payment obligations incurred prior to expiration or termination will survive, as will the following: Articles 11 through 14 survive the expiration or cancellation of this Contract. All other rights will cease upon expiration or termination of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

A. EQUIPMENT, PRODUCTS, OR SERVICES. Supplier will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Supplier's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new and the current model. Supplier may offer close-out or refurbished Equipment or Products if they are clearly indicated in Supplier's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. WARRANTY. Supplier warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Supplier warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Supplier's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that extends beyond the expiration of the Supplier's warranty will be passed on to the Participating Entity.

C. DEALERS, DISTRIBUTORS, AND/OR RESELLERS. Upon Contract execution and throughout the Contract term, Supplier must provide to Sourcewell a current means to validate or authenticate Supplier's authorized dealers, distributors, or resellers relative to the Equipment, Products, and Services offered under this Contract, which will be incorporated into this Contract by reference. It is the Supplier's responsibility to ensure Sourcewell receives the most current information.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced at or below the price stated in Supplier's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

A. SHIPPING AND SHIPPING COSTS. All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Supplier must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Supplier as soon as possible and the Supplier will replace nonconforming Equipment and Products that are acceptable to the Participating Entity.

Supplier must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcewell may declare the Supplier in breach of this Contract if the Supplier intentionally delivers substandard or inferior Equipment or Products.

B. SALES TAX. Each Participating Entity is responsible for supplying the Supplier with valid taxexemption certification(s). When ordering, a Participating Entity must indicate if it is a taxexempt entity.

C. HOT LIST PRICING. At any time during this Contract, Supplier may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Supplier determines it will offer Hot List Pricing, it must be submitted electronically to Sourcewell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcewell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Supplier may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcewell Price and Product Change Request Form to the assigned Sourcewell Supplier Development Administrator. This approved form is available from the assigned Sourcewell Supplier Development Administrator. At a minimum, the request must:

• Identify the applicable Sourcewell contract number;

- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and

• Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Change Request Form will become an amendment to this Contract and will be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Supplier understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Supplier's employees may be required to perform work at governmentowned facilities, including schools. Supplier's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Supplier that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Supplier. Typically, a Participating Entity will issue an order directly to Supplier or its authorized

subsidiary, distributor, dealer, or reseller. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration or cancellation of this Contract; however, Supplier performance, Participating Entity payment obligations, and any applicable warranty periods or other Supplier or Participating Entity obligations may extend beyond the term of this Contract.

Supplier's acceptable forms of payment are included in its attached Proposal. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM. Additional terms and conditions to a purchase order, or other required transaction documentation, may be negotiated between a Participating Entity and Supplier, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum, the terms of which will be negotiated directly between the Participating Entity and the Supplier or its authorized dealers, distributors, or resellers, as applicable. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. SPECIALIZED SERVICE REQUIREMENTS. In the event that the Participating Entity requires service or specialized performance requirements not addressed in this Contract (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements), the Participating Entity and the Supplier may enter into a separate, standalone agreement, apart from this Contract. Sourcewell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

D. TERMINATION OF ORDERS. Participating Entities may terminate an order, in whole or in part, immediately upon notice to Supplier in the event of any of the following events:

The Administrative Fee must be included in, and not added to, the pricing. Supplier may not charge Participating Entities more than the contracted

price to offset the Administrative Fee.

The Supplier will submit payment to Sourcewell for the percentage of administrative fee stated in the Proposal multiplied by the total sales of all Equipment, Products, and Services purchased by Participating Entities under this Contract during each calendar quarter. Payments should note the Supplier's name and Sourcewell-assigned contract number in the memo; and must be mailed to the address above "Attn: Accounts Receivable" or remitted electronically to Sourcewell's banking institution per Sourcewell's Finance department instructions. Supplier agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Supplier is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Supplier in any subsequent solicitation. The following list only applies when a Participating Entity accesses Supplier's Equipment, Products, or Services with United States federal funds.

A. EQUAL EMPLOYMENT OPPORTUNITY. Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. § 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause is incorporated herein by reference.

B. DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148). When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by nonfederal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Supplier must be in compliance with all applicable Davis-Bacon Act provisions.

C. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Supplier certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

D. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT. If the federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Supplier certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

E. CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387). Contracts and subgrants of amounts in excess of \$150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Supplier certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. §180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), "Debarment and Suspension." Such disclosures are forwarded from tier to tier up to the non-federal award. Suppliers must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

H. RECORD RETENTION REQUIREMENTS. To the extent applicable, Supplier must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The requirements of Section 6002 include procuring only items designated in

10	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested equipment, products or services.	LION is a family owned, global business headquartered in Dayton, Ohio, that has been operating continuously since 1898. That stable family ownership means that we take the long-term approach to investment in the best people, new technology and systems. We are committed to covering first responders before, during and after the fire.
		Our LION brand is part of a larger organization called LION Group, Inc. that consists of three divisions: LION Americas, LION Europe, Middle East & Asia and LVI (LION-Vallen Industries, a joint venture that specializes in military and government supply chain solutions).
		We provide products, training or maintenance to nearly every major fire department in the United States. In firefighter turnout gear alone, we serve 7 of the 10 largest fire departments in the U.S., and 25 of the top 50.
		LION just recently celebrated 125 years of service.

		LION makes the gear emergency service providers, civilian responders and militaries need to stay safe in the line of duty. We got our start at the end of the 19th century as a dry goods store in Dayton, Ohio. By 1941, we had received a commendation from Army Air Force Commanding General "Hap" Arnold, saluting the company for "outstanding services rendered to your government" after supplying the Army Air Force with electrically heated flying suits during World War II. Over

the next two	decades,	we	opened	regional	warehouses	and	had	started	operating	in	the	firefighter

In 1970, we moved into the firefighter turnout business – and we have never looked back. We actually coined the term "StationWear" and were the first company to develop digital training technology for the firefighting market. Today, we continue to deliver innovative, patented technology to the fire service market. We have a dedicated research and development staff that works with fire departments to generate (and evaluate) new product ideas. Real end users collaborate with us on wear trials and focus groups so we can deliver solutions that work for actual first responders like you.

		In conjunction with Department of Homeland Security (DHS) Science and Technology Directorate (S&T) and in partnership with the North Carolina State University Textile Protection and Comfort Center (TPACC), LION developed a structural turnout with enhanced protection from hazardous particulates contained in smoke and soot that may infiltrate the ensemble interfaces, the Redzone Contaminant Control Package.
		The particulate blocking ensemble: · Blocks particulate ingress at key interface areas (turnout coat, pant, glove boot interfaces and closures) as confirmed by the Particle Inward Leakage Test (section 7.20.1.1 NFPA 1971, 2018 Ed) and shows less than 1 microgram exposure over the entire ensemble
		"Laboratory tests, including tests to determine vapor infiltration and fluorescent particle tests, were critical to demonstrating that both approaches prevent smoke and particulates from reaching the firefighter's skin, protecting them from hazardous vapors and materials. In addition, testing using TPACC's PyroMan® and physiological manikins proved the new approaches offer improved flashfire protection and similar comfort level when compared to standard turnout gear." – DHS FACT SHEET
		DHS PRESS RELEASE (Nov 1, 2017) - New Turnout Ensemble Aims to Reduce Firefighter Cancer Risk "We worked with TPACC and LION to develop turnout ensemble garments that afford firefighters the same level of fit, functionality and comfort as their existing turnout gear with added protection from particulate infiltration at garment interfaces."
		DHS FACT SHEET (Oct 6, 2017) - Smoke and Particulate Resistant Structural Turnout Ensemble Fact Sheet "By reducing the potential for chronic dermal exposures to toxic fireground compounds, over time this ensemble and the technologies developed during this research will help to improve the well-being and safety of firefighters."

PROPOSER AFFIDAVIT AND ASSURANCE OF COMPLIANCE

I certify that I am the authorized representative of the Proposer submitting the foregoing Proposal with the legal authority to bind the Proposer to this Affidavit and Assurance of Compliance:

- 1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.
- 2. The Proposer warrants that the information provided in this Proposal is true, correct, and reliable for purposes of evaluation for contract award.
- 3. The Proposer, including any person assisting with the creation of this Proposal, has arrived at this Proposal independently and the Proposal has been created without colluding with any other person, company, or parties that have or will submit a proposal under this solicitation; and the Proposal has in all respects been created fairly without any fraud or dishonesty. The Proposer has not directly or indirectly entered into any agreement or arrangement with any person or business in an effort to influence any part of this solicitation or operations of a resulting contract; and the Proposer has not taken any action in restraint of free trade or competitiveness in connection with this solicitation. Additionally, if Proposer has worked with a consultant on the Proposal, the consultant (an individual or a company) has not assisted any other entity that has submitted or will submit a proposal for this solicitation.
- 4. To the best of its knowledge and belief, and except as otherwise disclosed in the Proposal, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest. An organizational conflict of interest exists when a vendor has an unfair competitive advantage or the vendor's objectivity in performing the contract is, or might be, impaired.
- 5. The contents of the Proposal have not been communicated by the Proposer or its employees or agents to any person not an employee or legally authorized agent of the Proposer and will not be communicated to any such persons prior to Due Date of this solicitation.
- 6. If awarded a contract, the Proposer will provide to Sourcewell Participating Entities the equipment, products, and services in accordance with the terms, conditions, and scope of a resulting contract.
- 7. The Proposer possesses, or will possess before delivering any equipment, products, or services, all applicable licenses or certifications necessary to deliver such equipment, products, or services under any resulting contract.
- The Proposer agrees to deliver equipment, products, and services through valid contracts, purchase orders, or means that are acceptable to Sourcewell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcewell Members under an awarded Contract.
- 9. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
- 10. The Proposer understands that Sourcewell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statutes Section 13.591, subdivision 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals become public data. Minnesota Statutes Section 13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
- 11. Proposer its employees, agents, and subcontractors are not:
 - 1. Included on the "Specially Designated Nationals and Blocked Persons" list maintained by the Office of Foreign Assets Control of the United States Department of the Treasury found at: <u>https://www.treasury.gov/ofac/downloads/sdnlist.pdf;</u>
 - 2. Included on the government-wide exclusions lists in the United States System for Award Management found at: https://sam.gov/SAM/; or
 - 3. Presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this solicitation.

➡ By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - Melissa Kirk, Distribution Sales Manager, LION

The Proposer declares that there is an actual or potential Conflict of Interest relating to the preparation of its submission, and/or the Proposer foresees an actual or potential Conflict of Interest in performing the contractual obligations contemplated in the bid.

Region 4 ESC reserves the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. Region 4 ESC shall have the authority to conduct random audits of Contractor's pricing at Region 4 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 4 ESC is made aware of any pricing being offered that is materially inconsistent with the pricing under this agreement, Region 4 ESC shall have the ability to conduct an extensive audit of Contractor's pricing at Contractor's sole cost and expense. Region 4 ESC may require additions to be submitted with documentation from Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 4 ESC may reject any additions without cause.
- 21) <u>Options.</u> Optional equipment for products under Contract may be added to the Contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

Contractor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.
- 26) <u>Safety measures.</u> Contractor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. An inventory of the stored materials must be provided to Region 4 ESC prior to payment. Such materials must be stored and protected in a secure location and be insured for their full value by the Contractor against loss and damage. Support or an approved authorized dealer can provide pricing and support. Used furniture, trade-ins, leasing/financing options, service and repairs not covered by our warranty are not offered by The HON Company. Our authorized dealers may provide a quote a case-by-case basis, however these offerings will not be included as part of our contract offering.

Minimum Quantities 8

Describe any minimums quantities.

There are no minimum quantity requirements for the OMNIA Region 4 contract. We offer an attractive discount structure which provides higher discounts based upon the list size of the order, including a negotiated tier for large projects.

9 Custom or special orders

What is the ability to provide custom or special order furniture products? Include catalogs and any fees related to custom or special orders.

HON offers a wide array of product choices from tables to seating to systems components.? However, in the instance you cannot find a solution that works for your project, we offer the option to customize our standard products.??Pricing for our customized products is dependent upon the modification requested; list pricing for the custom item will be provided at time of request on a case-by-case basis. Customized list prices are not included in our standard list pricer. ? HNI and HON are well versed in creating solutions to meet a customer's specific needs. Approximately 85% of our large projects contain customs that range from fabrics and finishes to the use of new materials, or alterations to existing products, or the creation of new solutions. We have a dedicated Tailored Products Group (TPG) who works closely with our sales team and customers to confirm the quality and safety of our customized products. Our Close the Deal (CTD) team physically mocks-up a sample of commonly large orders and significant specials, allowing us to evaluate the custom product itself and in the context of its eventual environment to ensure it meets all requirements.? Custom product for large jobs is essentially a single customer standard. All prints and bills of material are executed at the same level as a standard product. Once they are initially completed, they flow seamlessly thereafter. Our TPG team meets daily with Operations and Supply Chain to ensure the custom requests in house advance as planned, and to review new requests to make sure the entire team is prepared and committed.? We offer an ability to deliver tailored product solutions in a seamless manner. Because HON manufactures our special applications products in-house, we have much better control of quality, cost, lead times, and warranty than other manufacturers. It's the best of both worlds: the responsiveness of a custom shop, with the resources of a large manufacturer.? Specials may include:? • Custom sizes? • Special laminate requests – fulfilling requests for laminates not available in our standard offering • Special paint finishes assisting with requests for competitor's paint colors • Special fabric applications – accommodating requests for products with more than two fabrics • And MORE!? Please contact your dealer partner or salesperson, to start the custom process.? If the special is approved, a list price will be provided, and it will be assigned a "SPL" model number to manage the product through the order process.

Describe ordering methods, tracking, and reporting. 0

HON will be utilizing our nationwide network of authorized dealer partners to provide quoting, ordering, delivery, and services to our mutual customers. Summary of the ordering process: contact an authorized dealer, who will provide a detailed quote and instructions on how to create a PO; send the completed PO to the authorized dealer, who will review your order for accuracy and submit it directly to HON: HON and our authorized dealer, will work through delivery, installation, and issue resolution. HON and HNI use a supply-chain visibility platform named FourKites for tracking HON shipments. This service provides our Customer Support teams with real-time updates and visibility to shipments across the country. Authorized dealers place orders using a specific contract number assigned to the OMNIA contract for ease and accuracy of capturing OMNIA associated sales volume to meet reporting requirements and deadlines.

- 1. Describe delivery charges along with definitions for:
 - a. Dock Delivery
 - b. Inside Delivery
 - c. Deliver and Install

Deliveries shall be freight prepaid, FOB Destination and will be included in all pricing offered unless otherwise stated in writing. ? Inside delivery includes the authorized dealer off-loading the product into the facility. ? Deliver and Install includes receipt, inspections, and assembly of items delivered to specified areas of the facility by the authorized dealer. Additional charges will apply for inside delivery and installation which will be quoted on a project-by-project basis.

1 Warranty Pricing

Provide pricing for warranties on all products and services.

HON products are backed by the industry-leading HON Full Lifetime Warranty at no additional cost to the customer. In the unlikely event that any HON product or component covered by the HON Full Lifetime Warranty should fail under normal workplace use as a result of defective material or workmanship, HON will replace any product that can't be repaired with comparable product, or refund the purchase price. The complete terms of the warranty are available at hon.com/warranty. Please view Attribute 12_Warranty attachment for a printed version.

1 Describe any return or restocking fees.

HON's dealer network works closely with customers to ensure product needs are clearly identified and that the product selections meet these needs. Therefore, the need to return is minimal. In the event a return is being considered, the dealer will assist the customer in this process. Most HON and HBF products are made-to-order, so restocking is not usually viable. Returns for made-to-order products, if approved, that are not a result of damage, order entry error, etc., may be subject to a return fee of up to 45% of the invoiced amount plus the cost of return freight. Upon receipt of necessary information regarding the return, HON or HBF will issue a return authorization to the customer outlining items to be returned and where the items should be shipped. All returns must be made within 30 days after the return authorization is issued. Merchandise must be returned in the original shipping cartons with proper inner packing and is subject to inspection before acceptance.

1 Discounts or Rebates

Describe any additional discounts, special offers, promotions or rebates available. Additional discounts or rebates may be offered for large quantity orders, single ship to location, growth, annual spend, guaranteed quantity, etc.

Not all needs are the same, from a single project to outfitting multiple buildings of office furniture, HON is willing to work with our customers to create a tailored product and pricing solution. Below are some typical examples of the added ways HON can support our customer's procurement requirement needs. These incentives are negotiated on a per opportunity basis: • Additional pricing incentives for sole source agreements, committed volume, bulk buys and product standardization. • As noted above, we also offer negotiable pricing on individual projects based upon total list order size.

1 Verification of Contract Pricing

Describe how customers verify they are receiving Contract pricing.

Ensuring Participating Agencies feel confident they are receiving accurate pricing and products under our Master Agreement is important to HON. There are multiple ways in which we approach compliance. For example, our Business Development Managers work one-on-one with each of our nationwide network of authorized dealers to ensure they are properly trained on the products, pricing, and requirements of the OMNIA Partners contract. HON has developed several tools our dealers can utilize to ensure eligible contract users receive accurate pricing, they include Compass and the Contract Summary Document. Please view Attribute #82 for more information about ensuring accurate contract pricing.

1 Payment Methods

Describe payment terms and methods offered. Indicate if payment will be accepted via credit card. If so, may credit card payment(s) be made online? Also state the Convenience Fee, if allowable, per the Visa Operating Regulations.

Payments can be made to The HON Company via check, credit card, EFT, ACH, or wire transfer. For payments by credit card, please contact our Customer Support Team at 800-466-8694. We accept all major credit cards except for Discover. At this time, we do not have any surcharge fees associated with credit card payments. If changes in economic factors should cause the need for an additional fee, we will submit a request for approval from Region 4 ESC prior to implementation.

1	Frequency of Pricing Updates
7	Propose the frequency of updates to the Offeror's pricing structure. Describe any proposed indices to guide price adjustments. If offering a catalog contract with discounts by category, while changes in individual pricing may change, the category discounts should not change over the term of the Contract. Updates may be no more frequently than quarterly.
	Pricing adjustments are generally requested on an annual basis after HON has announced the nationwide increase. Certain economic factors could warrant the need for a more frequent request. We will submit the proposed price increase in compliance of Region 4 and OMNIA Partners contract guidance. At no time will standard discounting to Region 4 and OMNIA Partners change during the term of the contract, unless the change results in more favorable pricing for the end customer. Price increases will be proposed to list price only and will generally be based upon supplier and material cost increases.
1	Future Product Introductions
8	Describe how future product introductions will be priced and align with Contract pricing proposed. What is the proposed frequency for new product introductions?
	Our product development efforts create end-user solutions that are relevant, differentiated, and focused on quality, aesthetics, style, sustainable design, and reducing manufacturing costs. We also continuously improve and enhance existing products through ergonomic research, improved manufacturing processes, alternative materials, and engineering support and training in each of our operating units. New products are generally introduced quarterly and will be priced similarly to like products within a product category. For instance, new task seating products will receive the same discount as current task seating products on contract. If, for some reason, new products do not adequately align with current categories, we will submit our new products for consideration with an explanation as to why they do not meet the current criteria. HON will follow the requirements of the contract for new product introductions.
1 9	Are repurpose or end of life programs offered? If so, explain the process.
9	In the effort to keep HNI products out of the landfill, even after years of regular use, our company is actively researching ways to give our products a second life. To this end, we have partnered with Asset Network for Education Worldwide® (ANEW ®), a non-profit founded in 2004 to repurpose used office furnishings. Through HNI's partnership with ANEW®, customers can repurpose their products, support local and national organizations, and reduce waste. Many of our dealers have Furniture Take Back, Pre-Owned Furniture, and Decommissions Programs to help with these efforts and support their local communities, such as donating furniture to local organizations. Additionally, we provide disassembly diagrams and environmental data sheets for our products. These documents detail information on product materials and recyclability. They are intended to inform and support our customers on how to effectively recycle our products at the end of their useful life.
20	Are product loaner programs available? If so, explain the requirements.
0	Product loaner programs are not available at this time. Should we introduce this as an option in the future, we will work with OMNIA to understand if it is mutually beneficial to this service to our contract.
2	Describe experience with Prevailing Wage and Bacon-Davis.
1	The HON Company, utilizing our authorized dealer partners, has decades of experience servicing public sector agencies. Prevailing wage and Davis-Bacon Act requirements are familiar provisions found in many of HON's public sector contracts. HON monitors and maintains contract compliance with applicable federal and state regulations. Since authorized dealers perform or facilitate services on behalf of HON, we flow down prevailing wage and Davis-Bacon Act requirements to our authorized dealers and require each to certify compliance with such provisions prior to receiving authorization to service HON's public sector contract.

2 2 Not to Exceed Pricing

Region 4 ESC requests pricing be submitted as not to exceed pricing. Unlike fixed pricing, the Contractor can adjust submitted pricing lower if needed but, cannot exceed original pricing submitted. Contractor must allow for lower pricing to be available for similar product and service purchases. Cost plus pricing as a primary structure is not acceptable.

23	Special Offers/Promotions
3	In addition to decreasing prices for the balance of the Contract term due to a change in market conditions, Contractor may conduct sales promotions involving price reductions for a specified lesser period. Contractor may offer Participating Agencies competitive pricing which is lower than the no-to-exceed price set forth herein at any time during the Contract term and such lower pricing shall not be applied as a global price reduction under the Contract.
2 4	Federal Funding Pricing
4	Due to products and services potentially being used in response to an emergency or disaster recovery situation in which federal funding may use, provide alternative pricing that does not include cost plus a percentage of cost or pricing based on time and materials; if time and materials is necessary, a ceiling price that the contract exceeds at its own risk will be needed. Products and services provided in a situation where an agency is eligible for federal funding, Offeror is subject to and must comply with all federal requirements applicable to the funding including, but not limited to the FEMA Special Conditions section located in the Federal Funds Certifications Exhibit.
25	Appendix D, Exhibit A, OMNIA Partners Response for National Contract
5	Include a detailed response to Appendix D, Exhibit A, OMNIA Partners Response for National Cooperative Contract. Responses should highlight experience, demonstrate a strong national presence, describe how Offeror will educate its national sales force about the Contract, describe how products and services will be distributed nationwide, include a plan for marketing the products and services nationwide, and describe how volume will be tracked and reported to OMNIA Partners.
2	Appendix D, Exhibit B, OMNIA Partners Administration Agreement
6	The successful Offeror will be required to sign Appendix D, Exhibit B, OMNIA Partners Administration Agreement prior to Contract award. Offerors should have any reviews required to sign the document prior to submitting a response. Offeror's response should include any proposed exceptions to OMNIA Partners Administration

What is Offeror's average on time delivery rate?

Describe Offeror's history of meeting the shipping and delivery timelines.

We monitor Complete and On-time shipments and report results to leadership daily. We maintain a 97% complete shipment result and a 95% on-time performance metric for truckload deliveries. Transit times and conditions vary based on size, distance and final destinations. HON and HNI use a supply-chain visibility platform named FourKites for tracking HON shipments. This service provides our Customer Support teams with real-time updates and visibility to shipments across the country. Authorized dealers place orders using a specific contract number assigned to the OMNIA contract for ease and accuracy of capturing OMNIA associated sales volume to meet reporting requirements and deadlines.

3 Describe Offeror's history of meeting the shipping and delivery timelines.

The HON and HNI delivery model is unequaled for on-time delivery performance using a measurement called Complete and On-time (COT) to assess delivery performance. Our COT is tracked on a daily basis in all of our manufacturing facilities. The industry standard for on-time performance is to be measured in weekly increments however, this type of approach overlooks daily performance failures and disguises the true impact on the client. At HON, we calculate COT by dividing units produced by units scheduled to get a daily score. Examples of these metrics are below: Measuring COT for Production: Units produced divided by units scheduled equals percent complete. Distribution COT: Orders shipped divided by orders dispatched by hour equals percent COT. We monitor Complete and On-time shipments and report results to leadership daily. We maintain a 97% complete shipment result and a 95% on-time performance metric for truckload deliveries.

3 Describe Offeror's return and restocking policy.

HON's dealer network works closely with customers to ensure product needs are clearly identified and that the product selections meet these needs. Therefore, the need to return is minimal. In the event a return is being considered, the dealer will assist the customer in this process. Most HON and HBF products are made-to-order, so restocking is not usually viable. Returns for made-to-order products, if approved, that are not a result of damage, order entry error, etc., may be subject to a return fee of up to 45% of the invoiced amount plus the cost of return freight. Upon receipt of necessary information regarding the return, HON or HBF will issue a return authorization to the customer outlining items to be returned and where the items should be shipped. All returns must be made within 30 days after the return authorization is issued. Merchandise must be returned in the original shipping cartons with proper inner packing and is subject to inspection before acceptance.

3 Describe Offeror's ability to meet service and warranty needs.

Please reference our complete warranty information on https://www.hon.com/warranty or in the attachment Attribute 12_Warranty. After the project is completed, in the event of a warranty issue, our authorized dealers will continue to provide support to our customers. The warranty process begins with the authorized dealer using our Quick Claim Tool. The dealer will enter the required information into the Quick Claim Tool, which creates a work order for the warranty issue at hand. Once this work order is approved, HON will work with the manufacturing and other necessary teams to quickly find a resolution to the issue. After reviewing the information, a decision will be made to resolve the issue by sending replacement parts or full replacement of the product. Customer Support will notify the dealer of the resolution plan and any additional information (including order numbers).

3 Describe Offeror's customer service/problem resolution process. Include hours of operation, number 4 of services, etc.

Our Customer Service team can provide sales, product information, and warranty services between the hours of 8:00 am and 5:00 pm CST, Monday through Friday. In addition, we accept emails and orders 24 hours a day and commit to respond to all inquiries within 8 hours of receipt during normal business hours, striving for complete resolution in 48 hours or less. General inquiries and warranty claims are processed by a team of service professionals following a 'Quick Claim' process. Orders greater than \$500K list are assigned to a project coordinator to streamline order entry, align production and delivery schedules based on your requirements, and monitor for speedy punch resolution. The dedicated project coordinator maintains close contact with the servicing dealer from the time of award until completion, supporting the planned installation timeline. If an issue is unresolved in a timely manner, we involve our CS leadership team to get resolution.

³ Describe Offeror's invoicing process. Include payment terms and acceptable methods of payments. ⁵ Offerors shall describe any associated fees pertaining to credit cards/p-cards.

Invoices are created and released at the time of order shipment with payment terms of Net 30 days. Agencies and dealers both have the capability to monitor and pay invoices within HON's Oracle system. The agency or dealer being invoiced will be able to review and print invoices, monitor due dates, process ACH payments, and dispute amounts all in one simple and functional online platform. In addition, a dedicated Credit Analyst is available to assist with any issues or questions the agency or authorized dealer may have about Oracle or invoices. There are no additional fees when using a credit card/p-card for payment. Please note that payment terms and acceptable methods of payment can be found in Attribute 16.

5 Supplier Response

Supplier must supply the following information for the Principal Procurement Agency to determine Supplier's qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

Brief history and description of Supplier to include experience providing similar products and services.

Guided by timeless values, a culture of membership, and a commitment to service. The HON Company is a leading designer and manufacturer of workplace furniture for the government, public sector, and non-profits. The HON Company began when founder, C. Maxwell Stanley, foresaw a post-war housing boom at the end of WWII. He had the idea to start a manufacturing company that would put returning GI's to work. With the help of his brother-in-law; Clement T, Hanson began making steel kitchen cabinets under the business called "Home-O-Nize". Following a severe steel shortage after the war, the Home-O-Nize focus shifted from the home market to the contract business. The company survived the steel shortage by designing products that could be made from leftover scrap metal. Because the name Home-O-Nize no longer fit the company's business focus, we began using the acronym H-O-N which later became HON. We officially became HON Industries in the 1960's. Today, HNI Corporation manages multiple office furniture brands — including HON, Allsteel, Gunlocke, and HBF. But it all started with HON, and we're still the largest operating company under HNI. A lot of people perceive premium design as synonymous with high prices. But that's a concept we flat-out reject. Why should a chair made with quality materials and thoughtful craftsmanship only be available to a certain set of customers? It's a question that's driven our company since 1947, when the first HON office furniture was released. And it still does today. We use our expertise in industrial design, product modeling and scalable production to create modern, quality office furniture that's available for everyone-not just huge corporations with limitless budgets. For 75 years, we've advocated for a design process focused on efficiency and scalability—a process we continue to refine to deliver award-winning workplace and educational solutions at affordable prices. Today, our designs encourage organizations everywhere to provide the workplace amenities their employees expect while fostering productivity, focus, and collaboration. Since 1982, HON has been a leading federal contractor of office furniture. HON was awarded the OMNIA Partners contract in April 2010, formerly TCPN, and we have seen double digit growth every year. In 2014, OMNIA Partners became HON's lead nationwide public sector cooperative contract that is offered in all 50 states. References noted in Attribute 50 provides additional details on our experience providing similar products and services to our customers.

Describe any green or environmental initiatives or policies.

HNI's corporate social responsibility mission drives us to respect people, reduce our impacts, and redefine tomorrow by fostering transparency and empowering our members to do and be better. In 2020, HNI developed our first carbon emission reduction targets that were approved by the Science Based Targets initiative (SBTi). These targets are in line with the GHG reductions required to meet the Paris Agreement goal of keeping global warming below 1.5 degrees Celsius. HNI is working to reduce absolute combined Scope 1 and 2 GHG emissions 35% by 2025 from 2018 baseline and reduce Scope 3 GHG emissions 40% per ton of products sold by 2035 using innovative product life cycle assessments. Since 2020, HNI has sourced 100% renewable electricity for global operations. Since 2018, we reduced combined Scope 1 and 2 GHG emissions by 64%. HNI joined RE100, a global corporate leadership initiative led by the Climate Group in partnership with CDP. As a member, HNI pledged to source 100% renewable electricity annually by 2030, which we met in 2020 and will continue to meet annually. We were recognized as one of the EPA Green Power Partnership's National Top 100 green power users for our efforts. Our goal is to cut our energy intensity by 50% by 2035. In our 2022 baseline energy audit, we discovered that our intensity has risen since 2018, and our total energy usage has declined. Absolute energy has decreased almost 8% from 2018. By 2030, HNI aims to achieve zero waste to landfill for all facilities. We diverted over 70,000 tons of waste from the landfill in 2021 and 2022. The majority of HNI waste (63%) is now recycled or diverted from the landfill. The solid waste produced in our facilities (37%) goes to the landfill. Since 2018, our total water consumption has decreased by 30%. We design products to be repairable by providing replaceable parts, and we educate our customers, dealers, and installers on ways to fix or retrofit products to make them last longer. Our products meet or exceed industry performance standards, which typically represent a 10-year lifespan. When our products do finally reach the end of their useful lives, we want to see component materials recycled locally and kept out of landfills. We provide environmental data sheets and disassembly diagrams to our customers, which detail the materials used in the products and provide guidance on which components can be recycled. As of 2022, we have 34 Environmental Product Declarations and plan to continue this work annually. By 2025, we are aiming to understand the chemical constituents down to 100 parts per million (ppm) for 100% of our materials by spend across the portfolio. Our packaging is the first point of contact between customers and our products. HNI is focused on eliminating all non-recyclable packaging materials by 2025, including eliminating Styrofoam. As of the end of 2022, our HNI Workplace Furnishings division omitted nearly 3.2 million parts of EPS from product packaging and achieved over 46% reduction. Our product development teams continue to identify packaging solutions, and in the process, have found several types of non-recyclable foam beyond EPS that are used in our product packaging. In several cases, we have been able to replace the non-recyclable foam with recycled corrugated cardboard, and we are continuing to research alternative materials. This requires engineering design and testing to ensure uncompromised product delivery and quality. Please review the attached HNI 2022 CSR Report or visit https://www.hnicorp.com/social-responsibility for more information. HNI is proud to announce that we will be completely free of intentionally added PFAS in our standard textiles and finishes in July of 2024. We are actively working with our suppliers and partners to transition our finishes to PFAS free versions, so that we able to provide quality product without harsh chemical treatments.

We are confident that the model we propose will be both relevant and authentic based on service level capabilities, proven track record, and strong infrastructure to support this contract. It is our goal to seek true partnerships with diverse suppliers, distributors, and service providers that provide us the opportunity to deliver the best quality, value, and performance. We have dealers with the Small Business, HubZone, SDVOB, MWBE certifications nationwide. Certifications can be requested from the authorized dealers by eligible Purchasing Agencies. We encourage diversified suppliers to participate in our proposal processes and have a program that measures supplier diversity as defined by the U.S. government. Describe how supplier differentiates itself from its competitors.

HON is the commercial and educational furnishings brand that helps customers make their space work, with lasting function customers can depend on, a fresh look, and clever features, all at a reasonable price. HON customers benefit from our decades of manufacturing experience and expertise, extensive product line, and broad dealer network. And they can be assured of HON's commitment to flawless orders, on time and accurate every time. We take the time to understand our customers' environments and goals, to create workspace solutions that work best for them. With one of the industry's leading product development cycles, we innovate quickly and build what our customers want at a price they can afford, one of many ways in which HON sets ourselves apart from our competitors. An example of innovation fueled by our product development process is our product line called SoCoTM, which launched this year. SoCo—an intuitive modular lounge series designed to encourage the ease of both collaborative and focused work-offers ample comfort, unlimited configuration possibilities, and a soft, tailored aesthetic for productive shared spaces. Actions speak louder than words, but our words must also explain how we act. A key function of our "customer first" mission is how we communicate; this is a complex, oftenoverwhelming industry, and our goal is to make buying furniture easier. We partner with our authorized dealers who service our customers on a local level. Our authorized dealer partners are ambassadors of our brand and are held to our high service standards through dealer agreements. With our extensive network of authorized dealers HON can service any customer anywhere in the U.S. We also provide them with the right tools to make the specifying and purchasing process easier, such as our Award Winning CET extension, Product Configurator, Digital Catalog with enhanced content including videos. We recently adopted "make your space work" into our communications, and it's more than just a tagline. It's a four-word statement about what HON products can help customers achieve. "Make your space work" means something very personal to every single customer who encounters that message. We have a cohesive energy across the company, and we have the ability to be relevant to every different customer and their needs. This approach, like many others at HON, is holistic; it's an all-handson-deck effort across departments to ensure customers have access to the products and solutions they need and when they need them. Those elements allow us to differentiate ourselves from our competitors with products that meet real-world needs, flawless execution, dedicated member culture and commitment to our partners. Our competitors are smaller in size and name brand recognition, develop less-than full-line products, offer limited solutions and tend to have restricted distribution and dealer networks. HON is proud to distribute to 599 unique dealer partners. We believe our history with OMNIA Partners supports our position as an industry leader in furniture at the best total value.

Compass allows dealers the ability to create quick and accurate price quotes for customers. The Compass tool ensures our dealers can provide agencies with accurate contract pricing and products - reducing the need for agencies to issue modifications. Participating Agencies can request a copy of the Compass quote through our authorized dealer partner or can contact HON directly. Our contract summary document provides our dealers with an overview of the pricing, products, and terms and conditions, including an overview of eligible customers, products approved under our contract, list pricer in effect, pricing for approved services, product discounts, and ordering instructions. A contract summary document is completed for each individual state that executes a Participating Addendum. Through our Government Customer Support Team: Our Government Customer Support Representatives are trained on the requirements of our Federal, State, Local, and Cooperative contract programs and provide informed responses to both our end customers and our nationwide network of dealers. Government Customer Support members have been formally trained to answer product, warranty, ordering, pricing, delivery, and other types of questions within an industry-leading response time. Government Customer Support team is available between the hours of 8:00 a.m. – 5:00 p.m. Monday through Friday CST to answer phone and e-mail inquiries. Our general customer service line is also available from 7:00 a.m. - 6:00 p.m. Monday through Friday CST. Through Systematic Parameters (Oracle EBS): HON uses an Order Entry system called Oracle EBS. Each participating agreement is assigned a unique 4-digit code in this system which allows us to accurately isolate and identify all orders placed under the agreement. The 4-digit code also aligns to the pricing, product, and terms and conditions of each individual contract ensuring each order receives accurate, real-time, contract pricing. The 4digit code will support only those products identified as eligible on the contract.

Region 4 Education Service Center 7145 West Tidwell Road Houston, TX 77092

RE: RFP for Furniture, Installation and Related Services; Solicitation Number RFP 24-01

Dear Region 4 Education Service Center & OMNIA Partners,

Please accept The HON Company's proposal to perform the covered services under the terms of the Furniture, Installation, and Related Services Solicitation Number RFP 24-01. We have answered the required Attribute Tab questions and uploaded the required Response Attachments to Region 4 ESC's online procurement site per the instructions outlined in the RFP Solicitation 24-01.

Over the past 15 years, HON has strategically positioned the OMNIA Partners contract as our leading nationwide public sector cooperative agreement. Our products and services have been an excellent solution for governmental and public entities looking for greater efficiency and economy in procuring furniture. Upon award, HON will continue to promote our exceptional value and the value of the Region 4 ESC/OMNIA Partners Cooperative. We believe that our proposal provides a comprehensive response for the requirements stated in this RFP.

HON is excited to include the Hickory Business Furniture (HBF) full product line to complement our offering. HBF is part of the HNI Corporation family and offers beautifully designed and exceptionally constructed products. By adding the HBF line we can integrate our HNI brands and offer OMNIA customers a more robust collection of products.

We are confident we have and will continue to support the OMNIA Partners contract as our leading nationwide cooperative agreement. Our executive sales leadership team, including the VP and GM of Sales and Service and Director of Regional Sales Public Sector, will continue to position this contract within our internal sales teams and our authorized dealer partners as the primary tool within our public sector strategy. The success of our leadership team to drive this message forward is evidenced by our strong year over year sales growth under the Region 4 contract.

We kindly request that OMNIA and Region 4 agree to a start date of May 1, 2025, to coincide with our current contract's April 30, 2025 expiration date. We have many riders and piggyback agreements tied to OMNIA. Allowing ample time between the award date and the new contract start date will allow us to seamlessly transition these agreements and reduce the risk of any lapse in coverage for our mutual customers.

HON is not merely offering great product solutions but will continue to work diligently towards building a lasting partnership between our organizations. With this proposal, our desire is to demonstrate continued dedication towards Region 4, OMNIA Partners, and our shared customers.

Sincerely,

Eric Schroeder Vice President, Finance - HNI Workplace Furnishings

Leadership

Leadership

Message from Jeffrey Lorenger, **Chairman, President and CEO**

In 2022, HNI celebrated 75 years of creating products that encourage collaboration and productivity in the workplace and warm memories at home. Since our founding, we are proud to have continually built a great place to work for our members.

Looking forward to our next 75 years, and beyond, we continue to build on our strong foundation and launch new initiatives to lead HNI into the future.

These initiatives are based on our belief that tomorrow must be more inclusive, safer, and more sustainable than yesterday to meet the pressing challenges ahead. We anchor this work in our corporate social responsibility (CSR) strategy called CORE: Conscious Operations and Responsible Environments. CORE is HNI's blueprint for the future to promote respect and a place for all members, reduction of our environmental and climate impacts, and creation of more sustainable products.

FEDERAL CERTIFICATIONS

ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or passthrough entity and a non-Federal entity that, consistent with 31 U.S.C. 6302-6305:

(a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non–Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;

(b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non–Federal entity in carrying out the activity contemplated by the Federal award. (c) The term does not include:

(1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or

(2) An agreement that provides only:

(i) Direct United States Government cash assistance to an individual;

- (ii) A subsidy;
- (iii) A loan;
- (iv) A loan guarantee; or
- (v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non-Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

(a)(1) The Federal financial assistance that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non-Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

- (a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;
- (b) Is not organized primarily for profit; and
- (c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non–Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non–Federal entity during the same or a future period.

Pass-through entity means a non–Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non–Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is \$250,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non–Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Per FAR 52.204-24 and FAR 52.204-25, solicitations and resultant contracts shall contain the following provisions, as applicable, when federal funds are utilized on a project. It is the responsibility of the authorized Participating Agency to notify the offeror if federal funds will be utilized to procure items under this contract and/or purchase order prior to offeror's acceptance of the order.

By submitting a proposal, the Supplier is accepted these FEMA and Additional Federal Funding Special Conditions required by the Federal Emergency Management Agency (FEMA) and other federal entities, when applicable, federal funding is utilized, and Supplier is notified prior to order placement that the product and services are needed for a disaster or emergency situation.

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3. i. FEMA considers a "financial interest" to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement. ii. FEMA considers an "apparent" conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would guestion the impartiality of the employee. officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of the Participating Public Agency nor the Participating Public Agency ("NFE") must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE's may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE's written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE's employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

- 2) The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.
- 3) The Contractor further agrees to include the above clause in each subcontract, at every tier, financed in whole or in part with Federal assistance provided by the FTA.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. CONTRACT REMEDIES

Contracts for more than the federal simplified acquisition threshold (SAT), the dollar amount below which an NFE may purchase property or services using small purchase methods, currently set at \$250,000 for procurements made on or after June 20, 2018,4 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and must provide for sanctions and penalties as appropriate.

1.1 Applicability

This contract provision is required for contracts over the SAT, currently set at \$250,000 for procurements made on or after June 20, 2018. Although not required for contracts at or below the SAT, FEMA suggests including a remedies provision.

1.2 Additional Considerations

For FEMA's Assistance to Firefighters Grant (AFG) Program, recipients must include a penalty clause in all contracts for any AFG-funded vehicle, regardless of dollar amount. In that situation, the contract must include a clause addressing that non-delivery by the contract's specified date or other vendor nonperformance will require a penalty of no less than \$100 per day until such time that the vehicle, compliant with the terms of the contract, has been accepted by the recipient. This penalty clause should, however, account for force majeure or acts of God. AFG recipients should refer to the applicable year's Notice of Funding Opportunity (NOFO) for additional information, which can be accessed at FEMA.gov.

2. TERMINATION FOR CAUSE AND CONVENIENCE

3. EQUAL EMPLOYMENT OPPORTUNITY

When applicable:

a. <u>Standard</u>. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R.

339), as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity*, and implementing regulations at 41

C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment

Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II(C).

b. <u>Key Definitions</u>.

- i. <u>Federally Assisted Construction Contract</u>. The regulation at 41 C.F.R. § 60-1.3 defines a "federally assisted construction contract" as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.
- ii. <u>Construction Work</u>. The regulation at 41 C.F.R. § 60-1.3 defines "construction work" as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.
- **c** <u>Applicability</u>. This requirement applies to all FEMA grant and cooperative agreement programs.
- **d.** <u>Required Language</u>. The regulation at 41 C.F.R. Part 60-1.4(b) requires the insertion of the following contract clause.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a

part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every dealer subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each dealer subcontractor or vendor. The contractor will take such action with respect to any dealer subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a dealer subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant

orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

4. DAVIS-BACON ACT

- a <u>Standard</u>. All prime construction contracts in excess of \$2,000 awarded by non- Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148) as supplemented by Department of Labor regulations at 29 C.F.R. Part 5 (Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction). <u>See 2</u> C.F.R. Part 200, Appendix II(D). Part 200, Appendix II(D), contracts subject to the Davis-Bacon Act, must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). The Copeland Anti-Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any

part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA.

 iii. Include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

<u>Suggested Language</u>. The following provides a sample contract clause:

Compliance with the Davis-Bacon Act.

- a. All transactions regarding this contract shall be done in compliance with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and 3146-3148) and the requirements of 29 C.F.R. pt. 5 as may be applicable. The contractor shall comply with 40 U.S.C. 3141- 3144, and 3146-3148 and the requirements of 29 C.F.R. pt. 5 as applicable.
- b. Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.

- a. <u>Standard</u>. Recipient and subrecipient contracts must include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States").
- **b.** <u>Applicability</u>. This requirement applies to all contracts for construction or repair work above \$2,000 in situations where the Davis-Bacon Act also applies. It DOES NOT apply to the FEMA Public Assistance Program.
- **c** <u>Requirements</u>. If applicable, the non-federal entity must include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). Each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA. Additionally, in accordance with the regulation, each contractor and subcontractor must furnish each week a statement with respect to the wages paid each of its employees engaged in work covered by the Copeland Anti-Kickback Act and the Davis Bacon Act during the preceding weekly payroll period. The report shall be delivered by the contractor or subcontractor, within seven days after the regular payment date of the payroll period, to a representative of a Federal or State agency in charge at the site of the building or work.

<u>Sample Language</u>. The following provides a sample contract clause:

Compliance with the Copeland "Anti-Kickback" Act.

- a. Contractor. The contractor shall comply with 18 U.S.C. §874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.
- b. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.
- C. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. §5.12."

6. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

- a Standard. Where applicable (see 40 U.S.C. §§ 3701-3708), all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II(E). Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Further, no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous.
- h <u>Applicability</u>. This requirement applies to all FEMA contracts awarded by the non-federal entity in excess of \$100,000 under grant and cooperative agreement programs that involve the employment of mechanics or laborers. It is applicable to construction work. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
 - **c** <u>Suggested Language</u>. The regulation at 29 C.F.R. § 5.5(b) provides contract clause language concerning compliance with the Contract Work Hours and Safety Standards Act. FEMA suggests including the following contract clause:

Compliance with the Contract Work Hours and Safety Standards Act.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in suchworkweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of

\$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The Federal agency or loan/grant recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

7. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

- a <u>Standard</u>. If the FEMA award meets the definition of "funding agreement" under 37C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. <u>See</u> 2 C.F.R. Part 200, Appendix II(F).
- Applicability. This requirement applies to "funding agreements," but it DOES NOT apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households Other Needs Assistance Grant Program, as FEMA awards under these programs do not meet the definition of "funding agreement."
- **c** <u>Funding Agreements Definition</u>. The regulation at 37 C.F.R. § 401.2(a) defines "funding agreement" as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental,

developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

8. CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

- a <u>Standard</u>. If applicable, contracts must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean AirAct (42 U.S.C. §§ 7401-7671q.) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. <u>See</u> 2 C.F.R. Part 200, Appendix II(G).
- **b** <u>Applicability</u>. This requirement applies to contracts awarded by a non-federal entity of amounts in excess of \$150,000 under a federal grant.
- **c** <u>Suggested Language</u>. The following provides a sample contract clause.

Clean Air Act

- The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
- 2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- 3. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

- 1. The contractor agrees to comply with all applicablestandards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
- 2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- 3. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

9. DEBARMENT AND SUSPENSION

- **a** <u>Standard</u>. Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension).
 - **b** <u>Applicability</u>. This requirement applies to all FEMA grant and cooperative agreement programs.
 - c. <u>Requirements</u>.
 - i. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II(H); and 2 C.F.R. § 200.213. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530.
 - **ii.** In general, an "excluded" party cannot receive a Federal grant award or a contract within the meaning of a "covered transaction," to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a "covered transaction," which is any non-procurement transaction (unless excepted) at either a "primary" or "secondary" tier. Although "covered transactions" do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS's implementing regulations, it does include some contracts awarded by recipients and subrecipients.
 - iii. Specifically, a covered transaction includes the following contracts for goods or services:
 - 1. The contract is awarded by a recipient or subrecipient in the amount of at least \$25,000.
 - 2. The contract requires the approval of FEMA, regardless of amount.
 - 3. The contract is for federally-required auditservices.
 - 4. A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of \$25,000.
 - **d** <u>Suggested Language</u>. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified.

Suspension and Debarment

- (1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
- (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- (3) This certification is a material representation of fact relied upon by the Participating Public Agency. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Participating Public Agency, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

10. BYRD ANTI-LOBBYING AMENDMENT

- a <u>Standard</u>. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. FEMA's regulation at 44 C.F.R. Part 18 implements the requirements of 31 U.S.C. § 1352 and provides, in Appendix A to Part 18, a copy of the certification that is required to be completed by each entity as described in 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the Federal awarding agency.
- h <u>Applicability</u>. This requirement applies to all FEMA grant and cooperative agreement programs. Contractors that apply or bid for a contract of \$100,000 or more under a federal grant must file the required certification. <u>See 2 C.F.R. Part 200</u>, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.
- c <u>Suggested Language</u>.

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or

employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

d <u>Required Certification</u>. If applicable, contractors must sign and submit to the non-federal entity the following certification.

11. PROCUREMENT OF RECOVERED MATERIALS

- a <u>Standard</u>. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. <u>See</u> 2 C.F.R. Part 200, Appendix II(J); and 2 C.F.R. §200.322.
- **b.** <u>Applicability</u>. This requirement applies to all contracts awarded by a non-federal entity under FEMA grant and cooperative agreement programs.
- c <u>Requirements</u>. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
 - d <u>Suggested Language</u>.
 - i. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—
- 1. Competitively within a timeframe providing for compliance with the contract performance schedule;
- 2. Meeting contract performance requirements; or
- 3. At a reasonable price.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. It is not intended to be provided to contractors. What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

- 1. The disclosure is required for all contracts in excess of \$17,500 that are **not** awarded pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
- 2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission**. The text should be amended if electronic submission will not be allowed.
- 3. The submission must be received from the contractor and on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
- 4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at <u>http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12</u>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms should edit them to properly reflect the correct legislative district(s). As the forms are county-based, they list all legislative districts in each county. Districts that do not represent the public agency should be removed from the lists.
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used "as-is", subject to edits as described herein.
 - e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
- 5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at <u>http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html</u>). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at <u>N.J.S.A.</u> 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (<u>N.J.S.A.</u> 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - o of that county in which that public entity is located
 - o of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See <u>N.J.S.A.</u> 19:44A-8 and 19:44A-16 for more details on reportable contributions.

<u>N.J.S.A.</u> 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* <u>N.J.S.A.</u> 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

Staff Report

Consider a memorandum/resolution readopting the Governing Standards and Expectations with amendments.

DATE: July 1, 2025

TO: Kent Cagle, City Manager

FROM: Holli Clements, City Attorney

SUBJECT: Readopt Governing Standards and Expectations with amendments

BACKGROUND AND FINDINGS:

The Governing Standards and Expectations were originally adopted by resolution in June 2018 and have been revised annually since then. The intent is for the Governing Standards to serve as a single-source reference containing the Council's rules, protocols, and expectations for itself, committee members, staff, and the public. The City Council begins review of the Governing Standards after the election each year and adopts an updated version by the end of July each year.

On June 17, 2025, City Council directed that the following changes be brought back for consideration:

- Section 1-50(a)(9): Clarifies that each person shall sign up prior to the start of the Council meeting for Citizen Comments
- Section 1-50(a)(13): Returns to 3 minute limit for Public Hearing items
- Section 1-80(d)(6): Clarifies that the Mayor may order a person to leave the premises
- Section 2-20: Incorporates the City Council Policy regarding Training and Travel as amended by Resolution 07-105R and clarifies that the Travel Policy in the Financial Management Policy applies to elected officials
- Section 2-70: Removes Annual Special Workshop
- Section 3-20(c): Provides that the Mayor and Councilmembers may interview applicants and/or request written information from applicants prior to appointment

- 1) Continue discussions for further amendments to the Governing Standards and Expectations; or

PREFACE

The following is a single source reference document enumerating the Killeen City Council's Protocols, Rules of Order and Procedure, and Policies. The protocols and guidelines included in this reference document have been formally adopted by the City of Killeen City Council.

The Killeen City Council believes that effective municipal governance requires that individual Councilmembers adhere to a general set of principles when dealing with each other and the public. Furthermore, the City Council desires to conduct its meetings in a manner that is respectful, effective and efficient, while fostering an environment that is fair, open and responsive to the needs of the community.

As an elected official and representative of the City of Killeen, it is expected that you will:

- Respect the opinions of fellow Councilmembers, be well-informed on issues and participate in the deliberations of the Council.
- Accept responsibility to attend all Council meetings and work sessions.
- Provide appropriate notification to the Mayor and City Manager of an absence as soon as possible prior to the meeting time.
- Not disclose information which is confidential and, when asked by the public for information that is still confidential, will state that the information is confidential.
- Make every attempt to resolve any conflict with a fellow Councilmember prior to bringing the conflict to the attention of the Council.
- Assist in preserving order and decorum.
- Neither by conversation or otherwise delay or interrupt the proceeding or refuse to obey the orders of the Mayor or presiding officer or the rules of the City Council.
- Expect to be informed of all issues and data in a timely manner.

COUNCIL MEETING EXPECTATIONS:

Each Councilmember will:

- Endeavor to make the citizens comfortable and part of the process at the meetings.
- Make visitors comfortable by being courteous and respecting their opinions.
- Do their best to communicate in clear, concise and audible language and written communications.
- Strive to maintain a tone of voice that is courteous and sincere.
- Honor and act on all requests for action and/or information in a timely and courteous manner.
- Discuss issues, but not personalities, with non-Councilmembers. After an issue has been voted on, a councilmember will speak in a manner that does not undermine the integrity or motives of the Council.

GOVERNING STANDARDS AND EXPECTATIONS

DIVISION 1. MEETINGS

Sec. 1-10. Authority

Pursuant to the provisions of the Charter of the City of Killeen, Texas, the City Council may enact rules of procedure for all meetings of the City Council of the City of Killeen, Texas, which shall be in effect upon their adoption by the City Council and until such times as they are amended or new rules adopted.

Sec. 1-20. City Council Agenda

- (a) The City Manager is responsible for creating, processing and distributing the agenda and agenda materials for City Council meetings.
- (b) The Mayor or a councilmember may direct the City Manager in writing, using the attached form (Attachment "A"), to place an item on the next available agenda to introduce the topic to the City Council. Items must be submitted to the City Manager no later than two weeks prior to the City Council meeting, and must contain adequate detail of the request to allow for proper posting under the Open Meetings Act. The City Council may discuss the item when presented, and if a majority of Council agrees that further discussion of the item is warranted, the item will be placed on a future agenda for more detailed discussion and staff work, if necessary. If Council does not agree that further discussion is warranted, the item may not be introduced again within six months unless either directed by a majority of the City Council to the City Manager during any scheduled regular or special meeting or work session, or directed by the Mayor and one Councilmember in writing to the City Manager. In all cases, at least one member of the City Council who is requesting that the item be renewed on an agenda shall have been on the prevailing side of the previous vote on the item. The Mayor or City Manager may also place an item on the agenda if they believe it is of general interest or necessary to carry out business.
- (c) A majority of the City Council, during any scheduled regular or special meeting or work session, may direct the City Manager to place an item on a future agenda.
- (d) Agenda items placed on the agenda by the Mayor or members of the City Council previously considered and whereby action was taken by the City Council may not be placed on a future agenda within six months of such action unless either directed by a majority of the City Council to the City Manager during any scheduled regular or special meeting or work session, or directed by the Mayor and one Councilmember in writing to the City Manager. In all cases, at least one member of the City Council who is requesting that the item be renewed on an agenda shall have been on the prevailing side of the previous vote on the item.
- (e) In order to provide Councilmembers ample time to review items and submit questions in advance, the agenda and all supporting documentation shall be presented to the City Council on or before the Tuesday of the week before any regular meeting and at least 72 hours before any work session meeting or special meeting. Any information not available at that time shall be sent to Councilmembers as a supplement as soon as possible before the meeting.

Sec. 1-30. Types of Meetings

- (a) Regular Meetings: A regular meeting is one during which the City Council takes official action during regular session. They are held on the first and third Tuesday of each month at 3 p.m., unless the meeting is rescheduled or cancelled. A regular meeting will include a work session to discuss items on the agenda prior to the regular session. Staff will make presentations for agenda items at the work session. The Mayor has the authority to adjust the start time for any regular meeting.
- (b) Work Session Meetings: A work session is a meeting to discuss or explore matters of interest to the City and/or meet with City boards, commissions or committee members, or City Staff. The Mayor may allow any citizen to participate in the discussion at a work session, but only as recognized by the Mayor. - (c) Special Meetings: Per City of Killeen Charter sec. 34, special meetings may be called by the Mayor or by a majority of the Council. The call for a special meeting shall specify the day and the hour of the special meeting and shall identify the subject or subjects to be considered.
- (d) *Emergency Meeting:* In case of emergency or urgent public necessity, as defined by State law and confirmed by the City Attorney, which shall be expressed in the notice of the meeting, an emergency meeting may be called by the Mayor or City Manager, and it shall be sufficient if the notice is posted at least two hours before the meeting is convened.

A majority vote of the City Council is required for any time extensions.

In order to expedite matters and to avoid repetitious presentations, whenever a group of people wish to address the City Council on the same subject matter, those persons are encouraged to designate a spokesperson to address the City Council. The Mayor may extend the time allocation for a designated spokesperson if the persons for whom he or she speaks agree to yield their time to the spokesperson.

Sec. 1-60. Consideration of Ordinances, Resolutions and Motions

- (a) *Printed Form*: All ordinances and resolutions shall be presented to the Council only in written form.

Sec. 1-70. General Procedures

- (a) *General Procedure:* General rules of parliamentary procedure as defined in this document and consistent with the City Charter and any applicable City ordinance, statute or other legal requirement, shall govern the proceedings of the City Council. To the extent not inconsistent with these rules, the City Council shall use Robert's Rules of Order as a general guideline for additional rules of parliamentary procedure without being a procedural requirement. However, failure to abide by, or adhere to, these rules shall not nullify or negate any action by the City Council. These rules of parliamentary procedure are intended solely as a guideline and tool, and are not intended to limit the inherent power and general legal authority of the City Council, or of its presiding officer, to govern the conduct of City Council meetings.
- (b) *Chair of Meeting:* The Mayor shall preside over all meetings of the City Council as the Chair and enforce these rules and procedures during a meeting. In the absence of the Mayor, the Mayor Pro Tem shall assume the Chair responsibility at the meeting. In the absence of the Pro Tem, the City Council will choose a Chair for the meeting.
- (c) Authority of the Chair: The Chair shall make decisions on questions of procedure, subject to review by the City Council as a whole as provided in Section 1-80(c)(4).
- (d) City Council Deliberations: The Chair has the responsibility to control the discussion and the order of speakers. Councilmembers will generally be called upon in the order of the request to speak. Generally, a Councilmember may not be recognized to speak subsequently until each Councilmember has had an opportunity to obtain the floor. A Councilmember holding the floor may address a question to another Councilmember and that Councilmember may, should they so choose, respond to the question while the floor is still held by the Councilmember asking the question.
- (e) *Limits to Deliberations:* After an agenda item is announced by the Chair, the City Council may discuss the item without the need for a motion on the item. Councilmembers will limit their comments to the subject matter or motion currently being considered. The intent of this policy is not to limit debate, but rather to assist Councilmembers in their efforts to communicate effectively and concisely.

During work session meetings, each Councilmember shall have two (2) opportunities to speak on an agenda item that is not on consent agenda, limited to five (5) minutes each. All Councilmembers

will be permitted a third opportunity to speak if approved by a majority vote of the City Council. During work session meetings, each Councilmember shall have one (1) opportunity to speak on consent agenda items for three (3) minutes. During regular or special meetings, each Councilmember shall have three (3) opportunities to speak on an agenda item, limited to three (3) minutes each. Responding to a request for clarification from another Councilmember or staff responses will not be included in the time allotments.

- (f) *Repetitious Comments Prohibited:* A speaker or Councilmember shall not present the same or substantially the same items or arguments to the City Council repeatedly or be repetitious in presenting oral comments. A speaker or Councilmember shall not present an argument on a matter previously considered by the City Council at the same session.
- (g) *Obtaining the Floor:* Any member of the City Council wishing to speak shall first obtain the floor by making a request for the floor to the Chair. The Chair shall recognize any Councilmember who appropriately seeks the floor.
- (h) Motions: Motions submitted for a vote shall contain only one question. If two or more points are involved, any member may require a division, if the question reasonably admits of a division. Motions may be made and seconded by any member of the City Council except the Chair. The most common motions are as follows:
 - 1. Amending a motion. Any Councilmember may move to amend a pending motion. No more than two amendments may be made to a pending motion. The last amendment shall be voted on first.
 - 2. Postpone to a Certain Date. This motion is used to delay consideration of an item until a specified date, i.e., the next City Council meeting, etc.
 - 3. Postpone Indefinitely. This motion is used to delay consideration of an item until an unspecified date.
 - 4. Point of Order. Any Councilmember may raise a point of order at any time. A point of order means that the Councilmember is asking for a ruling on whether the rules of procedure are being followed. A point of order shall immediately be acknowledged by the Chair, and all debate must stop. The point of order shall first be made to the Chair for a ruling, stating the alleged violation with specificity. A point of order directed to the Chair does not require a second and is not subject to amendment. The Chair rules on the point of order. The member may appeal the Chair's ruling to the Council. The appeal requires a second and the person making the appeal may make a brief statement and the Chair may respond. An appeal may generally be debated by the Council, but each councilmember may speak only once. The Council may affirm or overrule the Chair's ruling by a majority vote of the Councilmembers present.
 - 5. Reconsideration. A councilmember who voted in the majority may move to reconsider an item that City Council has voted on. The motion and any action must be made immediately after the vote on the matter, and before the City Council has begun discussing or considering any other business.
- (i) *Procedures for Motions:* The following is the general procedure for making motions:

- 1. The item is presented by Staff or others, followed by questions and discussion by Councilmembers.
- 2. A Councilmember who wishes to make a motion shall first obtain the floor.
- 3. A Councilmember who wishes to second a motion shall do so through a request to the Chair.
- 4. Before a motion can be discussed, it shall be seconded. If a motion does not receive a second after a reasonable time, a Councilmember may call for a "point of order," which mandates that the motion receives an immediate second, or it dies.
- 5. Once the motion has been properly made and seconded, the Chair shall open the matter for further discussion offering the first opportunity to the moving party and, thereafter, to any Councilmember properly recognized by the Chair. The Chair may participate in discussion.
- (j) *Continuance of Discussion or Hearings:* Any item being discussed or any public hearing at a City Council meeting may by motion be continued or tabled to any subsequent meeting.
- (k) Communications with Applicants or Petitioners: Any Councilmember's communication with an applicant or petitioner outside of a public meeting regarding a matter that will come to City Council for a decision must be disclosed in writing and provided to the City Secretary prior to City Council discussion or deliberation of the action. Examples include but are not limited to discussion with a property owner regarding his or her rezoning request, or discussion with a vendor prior to bid award.
- (I) *Call for Recess:* The Chair shall call for a recess of ten (10) minutes at least every two (2) hours , or if requested by any two (2) Councilmembers.
- (m) Call for the Vote: A Councilmember may call for the vote, in essence to end discussion and debate, only when the Councilmember has obtained the floor. A Councilmember may make a motion calling for the vote, but not before each Councilmember that wishes to speak has had at least one opportunity, and the motion must receive a second. The motion is not debatable and a vote on the motion shall take place immediately after a second is received. The motion is approved only if two-thirds (2/3) of the Councilmembers in attendance approve. If the motion fails, debate shall continue. A subsequent motion to call for the vote may be made after additional discussion.
- (n) *No further discussion following a vote.* After a vote has been taken on an item, there shall be no further discussion of that item by the Mayor or a Councilmember during the meeting.
- (o) *Votes not to be taken twice.* It is the responsibility of each Councilmember to ask for clarification before a vote on any motion properly made and seconded. Once a vote has been taken, a second vote will not be held because of Councilmember error unless a Motion for Reconsideration is properly made.
- (p) Concluding meetings. In order to achieve effective decision making and sound judgment, and in consideration of citizen, guest and staff expectations, meetings shall not extend beyond 11:00 pm except as provided herein. The Mayor or presiding officer shall not conclude a meeting when discussion of the item on the table is in progress. The Mayor or presiding officer shall allow discussion to continue until complete or a time when ending is appropriate. Meetings shall not end

if a time sensitive matter that requires action by the City Council has not yet been considered.

Sec. 1-80. Decorum

(a) *General*: During City Council meetings, Councilmembers shall preserve order and decorum, shall not interrupt or delay proceedings, and shall obey the rules of the City Council. Council Members shall demonstrate respect and courtesy to one another, to City Staff and to members of the public appearing before the Council. Councilmembers shall seek to phrase and communicate all writings, publications and speeches in a professional and constructive manner.

Members of the City Council will not condone any unethical or illegal activity from any Councilmember or members of the Staff. All members of the Council shall uphold the intent of this policy and govern their actions accordingly.

- (b) Mayoral Responsibilities:
 - 1. *No vote*. The Mayor shall have a voice in all matters before the Council but shall only vote in accordance with City Charter provisions.
 - 2. *Chair.* The Mayor shall serve as the Chair of all meetings. The Mayor Pro Tem shall preside in the absence of the Mayor. When presiding over any meeting, the Mayor Pro Tem shall only vote in instances where the Mayor could vote in accordance with Charter provisions.
 - 3. *Preserve Order and Decorum*. The Chair is responsible for preserving order and decorum and shall keep the meetings orderly by recognizing each Member for discussion, encouraging civil debate among Members, and keeping discussion limited to the agenda item being considered.
 - 4. *Encourage Participation.* The Chair will encourage all Councilmembers to participate in Council discussion and give each Member an opportunity to speak before any Member can speak again on the same subject.
 - 5. Official Spokesperson. The Mayor is the official spokesperson for the Council on all matters unless absent, at which time the Mayor Pro Tem or appropriate designee will assume the role. The views presented by the Mayor, or the Mayor Pro Tem in his/her absence, should provide equitable representation of all Councilmembers.
- (c) Council Responsibilities
 - 1. *Be Prepared.* Each Councilmember is responsible for being prepared to discuss the agenda.
 - 2. Attendance. Attendance at work sessions and meetings is essential to the effective execution of a Councilmember's duties. It is the responsibility of Councilmembers to be informed about action taken by the City Council in their absence. In the case of an absence from a work session, the Councilmember is responsible for obtaining this information by viewing the recording of the work session prior to the City Council meeting during which the items are to be voted upon. The City Manager is responsible for maintaining an attendance log for the

Mayor and each Councilmember, which is a public document.

- 3. *Decorum.* When addressing an agenda item, the Councilmember shall first be recognized by the Chair, shall confine comments to the question under debate, shall avoid reference to personalities, shall refrain from impugning the integrity or motives of any other Councilmember or Staff Member during debate or vote, and shall refrain from publicly implying or insinuating wrong-doing by another Councilmember or Staff Member without clear evidence of such behavior.
- 4. *Appeal.* Any Councilmember may appeal a ruling by the Chair to the Council as a whole. If the appeal is seconded, the person making the appeal may make a brief statement and the Chair may respond. An appeal may generally be debated by the Members, but each Member may speak only once. The affirmative vote of a majority of the Councilmembers present and voting shall be necessary to approve the motion to appeal.
- 5. *Enforcement of Policy.* Any Councilmember may ask the Chair to enforce the policy established by the Council. Should the Chair fail to do so, a majority vote of the Councilmembers present shall require the Chair to enforce the policy.
- 6. *Wait to be Recognized.* A member of the Council who wishes to be recognized shall request to speak and shall not proceed with remarks until recognized and named by the Chair of the meeting. Remarks shall be confined to the question before the Council.
- 7. *No Private Discussions.* While any other person who has been recognized by the Chair is speaking, other members shall not hold private discourse or in any manner interrupt the speaker. In all discussions, disrespectful language and behavior shall be avoided.
- 8. *Duty to Vote.* All Councilmembers must vote either in the affirmative or in the negative. A present member who does not vote will be officially recorded as a negative vote. When a Councilmember recuses oneself due to an actual or perceived conflict of interest and files the required affidavit, that Councilmember is not counted as present for quorum purposes and is not deemed to be "voting" for purposes of determining whether there has been a "majority vote of those voting and present."
- 9. *Third Party Representation.* A Councilmember may not represent any third party before any City board or commission.
- 10. *Personal Communication Devices.* All personal communication devices should be placed in a silent mode during any City Council meetings. Personal communication devices shall not be used for communicating City-related business. If an individual is using his or her personal communication device during a meeting and a member finds it disruptive, he or she should inform the Mayor.
- 11. *Dress Code.* It is the policy of City Council to create a dignified and professional environment for City Council meetings. Therefore, all Councilmembers shall dress in a professional manner while attending a City Council meeting or work session, or while representing the City in an official capacity as a member of the City Council.
- (d) Citizens' participation: The following rules shall be in force for all persons in attendance at all

meetings of Council:

- 1. *Rules of Decorum.* Persons attending City Council meetings should observe the same rules of propriety, decorum and good conduct as they would show in a courtroom, a place of worship, or at any other serious or solemn occasion during which matters of importance are being considered. Visitors will refrain from engaging in chatter, private conversations, and from making other distracting noises while the City Council is in session. Phones and other electronic devices should be set to off or silent mode. Visitors should not applaud, boo, clap, or otherwise audibly express approval or disapproval of the speech of another person in a manner likely to disturb the meeting.
- 2. Addressing City Council. Persons wishing to address the City Council on any matter listed on the agenda may be recognized by the Chair, provided the person has completed a Citizen Speaker Registration form, and presented it to the City Secretary prior to the beginning of the regularly scheduled City Council meeting or immediately following their address to the City Council. Speakers shall approach the lectern and give his/her name and city of residence before speaking. Speakers shall address the Mayor and City Council with civility that is conducive to appropriate public discussion. All public comments should be addressed through the Chair. Each speaker will be allowed four (4) minutestime to speak as, unless otherwise provided herein. A majority vote of the City Council is required for any time extensions. No person shall be allowed to address the City Council more than one time per agenda item.
- 3. *Address Chair.* Persons may not engage in discussions with the City Council or staff during Council deliberations unless specifically asked a question by a Councilmember. Persons who have been asked a question by a Councilmember must be recognized by the Chair before being allowed to speak. The Chair may end any question and answer session between Councilmembers and a member of the public in order to facilitate the order of business.
- 4. *Printed Materials.* Persons may present printed material to the City Secretary to distribute to the City Council during a meeting.

- 6. *Removal.* Disturbances, transgressions of the rules or disorderly conduct in the City Council Chamber or other City Council meeting room may cause the transgressor to be removed from the meeting. The Chair of the meeting shall exercise control over persons who disrupt the meeting in the following order of action:
 - a. Call the person to order, advising that person of the infraction;
 - b. Advise the person that the infraction must cease immediately or the person will be ordered to leave the meeting;
 - c. Order the person to leave the <u>meetingpremises</u>. A police officer may remove an individual or individuals for disrupting a meeting as authorized by Texas Penal Code Section 42.05.
- 7. *Room Limitations.* Persons are encouraged to attend Council meetings; however, the number

admitted shall be limited to the fire safety capacity of the Council Chamber as determined by the Fire Chief or designee. If the capacity is surpassed, the City Council may adjourn the meeting and move its proceedings to a location that will accommodate a larger number of participants, or may make a live broadcast of the proceedings available in a nearby room.

Sec. 1-90. Staff Relations

- (a) *Presentations.* Staff presentations will be concise and will provide factual background information on the item as well as a recommendation for the City Council. Written presentations shall, to the extent possible, be provided to the City Council before the meeting.
- (b) Ask Questions in Advance. To ensure proper presentation of agenda items by Staff, questions arising from Councilmembers after receiving their information packet should be, whenever possible, presented to the City Manager for Staff consideration prior to the City Council meeting. This allows Staff the time to address Councilmembers' concerns and provide all Councilmembers with additional information as necessary. When questions are posed by Councilmembers in advance of a meeting, the questions and Staff responses shall be included in the staff presentation at the meeting.
- (c) *Presentation Requirements.* The City Manager shall designate the appropriate Staff Member to address each agenda item and shall see that each presentation is prepared and presented to inform and educate the City Council on the issues that require City Council action. The presentation should be professional, timely, and allow for discussion of options for resolving the issue. As a summary, the Staff Member making the presentation shall make it clear if no City Council action is required, or shall present the Staff recommendation as a part of the presentation, and/or present the specific options for City Council consideration. Other than asking clarification questions, City Councilmembers should allow the Staff Member to complete his or her presentation before discussing or debating the topic.
- (d) Motions of Direction to City Manager. During a work session or regular meeting, discussion may lead to a point where the council wishes to direct the City Manager in a particular manner. The appropriate way to accomplish this is for a councilmember to make a motion in which the City Manager is directed towards, or away from, a particular course of action. There must be a second and a vote on the Motion. If approved by a majority of the Councilmembers in attendance, the Motion of Direction becomes the official direction of the Council and will be transcribed and maintained for the record.
- (e) Use of Staff Time. The City Manager is directly responsible for providing information to the City Council concerning any inquiry by a specific Councilmember that is significant in nature and would be beneficial to all Councilmembers. If the City Manager or the Staff's time is being dominated or misdirected by a Councilmember, it is the City Manager's responsibility to inform the Mayor.
- (f) *Ethical Behavior Required.* The City Manager will exhibit the highest professional and ethical behavior. The City Manager is responsible for the professional and ethical behavior and discipline of his/her Staff. The City Manager is also responsible for ensuring that the Staff receives the training and information necessary to address the issues facing municipal government.
- (g) *Respect and Courtesy.* All Staff Members shall show one another, each Councilmember, and the public respect and courtesy at all times. They are also responsible for making objective,

professional presentations to ensure public understanding and confidence in the process.

- (h) *Conflicts.* Any conflicts arising between the City Staff and the City Council will not be allowed to affect the normal course of business, but will be addressed by the Mayor and the City Manager outside of a public meeting.
- (i) *Council Orientation.* The City Manager, after an election, will ensure that the Staff has prepared information needed for the orientation of new Councilmembers and will inform the City Council of any available Texas Municipal League conferences and seminars.

Sec. 1-100. Statements by Public Officials Regarding Litigation

When the City of Killeen is involved in litigation or a legal dispute, Councilmembers shall refrain from commenting on settlements, appeals, or other issues related to the subject until the matter is resolved. The Mayor, City Manager, City Attorney or Communications Officer shall be authorized to provide any public responses or comments as needed on matters involving litigation.

Sec. 1-110. Disbursement of City Council Requested Information

As a general courtesy and to maintain equality in the disbursement of information, documentation or data requested by a Councilmember from Staff shall be provided to all members of the City Council.

DIVISION 2. CITY COUNCIL POLICIES AND OPERATING PROCEDURES

Sec. 2-10. State and Federal Legislation and Rule-Making Proceedings

- (a) The City Manager shall notify the City Council of pending matters of legislation or rule-making that may affect the interests of the City. The Mayor or any Councilmember may request that a legislative or rule-making initiative be presented to the City Council for a formal determination by the City Council of endorsement or opposition. The City Manager may, in the exercise of his professional judgment, determine to take action on or intervene in support of or opposition to a legislative or rule-making matter consistent with the City Council's adopted state and federal legislative agendas.
- (b) This policy is not intended to prohibit or restrict a member of the City Council acting as a private citizen, and not on behalf of the City, from participating in legislative or rule-making matters provided the Councilmember does not in any way imply that the position of the Councilmember is the official position of the City unless the City Council has so decided. A member of the City Council may accurately represent himself or herself as an elected official and as a member of the City Council, but may not use City resources, staff, letterhead, official email, or any City-approved logo in doing so.

Sec. 2-20. City Council Travel and Business Expenses

- (a) *Training Encouraged.* Subject to available funding, the City Council is encouraged to attend training relevant to the City Council's duties, such as:
 - 1. Annual meeting of the Texas Municipal League and affiliates
 - 2. Texas Municipal League newly-elected officials orientation (for newly-elected members of the City Council)
 - 3. National League of Cities and affiliates annual meeting Washington, D.C.
 - 4. National League of Cities annual Congress of Cities (various locations)
 - 5. Other meetings as designated and approved by the Mayor or the City Council
 - 6. Attendance to committee or association functions related to the Texas Municipal
 - League, the National League of Cities, or other organizations as approved by the Mayor or the City Council
 - 7. Attendance by the Mayor at the annual meeting of the U.S. Conference of Mayors

For purposes of this policy, "attendance" includes the payment of applicable membership fees for the Councilmember and the allowable expenses as described below. A member of the City Council may not commit to membership or participation in or attendance at meetings of organizations not listed in subsection (A) without the approval of the Mayor or the City Council except in the Councilmember's individual capacity and at the Councilmember's sole expense. To the extent that it does not conflict with these Governing Standards, the City Council Policy Regarding Training and Travel as amended in Resolution 07-105R, is incorporated herein.

(b) Reimbursement Process. Section XII Travel Policy of the Financial Management Policy applies to elected officials. A Councilmember who seeks to incur or obtain reimbursement for expenses allowed under this policy shall file with the City Manager an approval request or reimbursement request, as the case may be, in accordance with current City policy.

Sec. 2-30. Council Requests for Information or Services from Staff

By Charter, the people of Killeen have chosen a council-manager form of government. This means that the City Council is responsible for setting policy direction for the City Manager, and the City Manager is responsible for implementing the City Council's policies. This separation of duties must be kept in mind when requesting information or services from City Staff. Section 29 of the City Charter specifically provides:

Neither the council nor any of its members shall direct the appointment of any person to, or his removal from office, by the city manager or by any of his subordinates; provided, however, that the appointment of assistant city managers, department heads and the city secretary shall be subject to the approval of the council. Except for the purpose of inquiry, the council and its members shall deal with the administrative service solely through the city manager and neither the council nor any member thereof shall give orders to any subordinates of the city manager, either publicly or privately.

Sec. 2-40. Process for Filling Unexpired City Council Term

If a vacancy on the City Council is required by Charter section 26 to be filled by City Council appointment, the following process will be used:

- (a) The vacancy will be advertised in the manner that is determined to reach the largest audience advising Killeen residents of the vacancy and giving interested residents two weeks to complete and return a fully-executed and notarized Application for a Place on the General Election Ballot. This form can be obtained from the City Secretary's office and must be received by the City Secretary's office by the specified date for the applicant to be considered for appointment to the vacant seat.
- (b) All completed applications received by the deadline will be forwarded to the City Council for review. The full City Council will conduct interviews with selected applicants. Interviews will be private unless prohibited by the Texas Open Meetings Act.
- (c) City Council will conduct deliberations in private unless prohibited by the Texas Open Meetings Act. The appointment will occur in an open and properly posted public meeting.

Sec. 2-50. Political Signs

Political signs shall comply with state law and the City's sign ordinances. Nothing contained in this policy shall be construed as allowing the placement or attachment of any sign on any tree, pole, building, or other sign or damaging in any manner any City property. This policy is not intended to limit in any manner the authority of the State or election officials regarding electioneering and the placement of signs, and this policy does not require the owner of a polling place or any property not owned by the City to allow the placement of signs on that property. No sign may be placed so as to encroach upon or obstruct any street, driveway, parking space, fire lane, sidewalk, pathway, or visibility triangle. Signs in violation of the City's Sign Ordinance will be removed.

Sec. 2-60. Use of City Facilities, Staff or Resources by the Mayor or City Councilmembers for Mayor or City Councilmember-Sponsored Meetings.

Recognizing that occasions arise where the Mayor or Councilmembers wish to engage with the citizens of Killeen outside of a formal City Council meeting, and also recognizing that City resources and staff time have limits, this policy sets forth the guidelines under which City facilities and resources may be used to support such meetings.

Each calendar year, the Mayor and each Councilmember may hold up to three non-political Mayor- or Councilmember-sponsored meetings that are supported by city resources in the following manner:

- (a) The complimentary use of a meeting space at the Killeen Community Center, Lions Park Senior Center, Police Department Headquarters Community Room, Killeen Arts and Activities Center, Killeen Civic and Conference Center boardroom, or the community room of a Fire Station if the desired space is available and not otherwise scheduled. The meeting space should be reserved in advance, but no more than two months in advance.
- (b) Technical support, to the extent it is available at the chosen space, and not otherwise in use.
- (c) Staff presentations, scheduled in advance through the City Manager.
- (d) The meeting will not occur between January 1st and election day on which the Mayor or a Councilmember position is to be elected, so that there can be no allegation that tax-payer dollars are being illegally spent in support of the Mayor or a Councilmember's reelection effort. This restriction does not apply to a candidate who is running unopposed.

In order to take advantage of the services listed above, the requesting Mayor or City Councilmember shall complete and return the Support for Mayor or Councilmember-Sponsored Meeting form to the City Manager. (See Attachment B) The City Manager or Assistant City Manager will manage a shared calendar for events described above to alleviate the overbooking of City staff and resources.

These guidelines are not intended to stop the Mayor or a City Councilmember from having a Mayor or City Council-sponsored meeting that is not supported by city resources.

These restrictions do not apply to the Annual State of the City address.

Sec. 2-70. Annual Special WorkshopReserved.

City Council will hold an annual special workshop or townhall specifically designed to explain the mission, vision, direction, and special projects for the City to be held annually around October and moderated by the City Manager or Assistant City Manager where the Mayor and all Councilmembers are present. The general format of the workshop will be: Welcome/Introduction by the City Manager or Assistant City Manager, three (3) – five (5) minute presentations by each Councilmember, question and answer session with citizens related to topics on the agenda, and closing remarks.

Sec. 2-80. Assistance to Community Organizations for Special Events

Provided that adequate funding exists, the City will support the following community events on an annual basis, by providing in-kind (non-monetary) services. The City Council further determines that there is a public purpose for the support of these community events.

- 1. Christmas Parade
- 2. Veterans Day Parade
- 3. Wreaths for Vets
- 4. Celebrate Killeen Festival
- 5. Memorial Day Ceremony
- 6. Holiday Under the Stars
- 7. Killeen Rodeo
- 8. Food for Families
- 9. HEB Feast of Sharing
- 10. Breast Cancer 5K
- 11. MLK Day Walk
- 12. Juneteenth Festival
- 13. Juneteenth Parade
- 14. National Day of Prayer
- 15. November 5 Memorial Event

The City Council may approve in-kind support of up to three (3) additional events, after review and recommendation from the City Manager.

DIVISION 3. CITY COUNCIL COMMITTEES AND CITIZEN BOARDS, COMMISSIONS AND COMMITTEES

Sec. 3-10. City Council Committees

- (a) *Purpose.* Due to the complexity and diversity of City government issues, a closer view of some issues is required by the City Council. To provide a mechanism for continuous evaluation and discussion of these various issues beyond the limited time available at work sessions, the City Council adopts this policy regarding the establishment and use of City Council committees.
- (b) Assignment to Committees. Agenda items may be assigned to a committee by the Mayor with the consent of the City Council, or by the City Council.
- (c) *Standing committees.* Standing committees may be created as necessary to study and evaluate on going or long-term issues within the City. They will be created by Resolution, which must state the specific role the committee is to serve and name the members. Standing committees shall be subject to annual review by the City Council.
- (d) Ad Hoc Committees. Ad hoc committees may be created by the Mayor as necessary to study and evaluate a specific issue or problem within the City and are intended to be temporary. The Mayor shall make appointments to ad hoc committees with the consent of the City Council. When created, an ad hoc committee will also be given a sunset deadline. The committee will cease upon the earlier of the sunset date or the date the committee's specific task is complete. If the task is not complete by the sunset date, the Mayor shall establish a new sunset date.
- (e) Committee Responsibilities. Each committee, after receiving an assignment from the City Council, will consider policy decisions and actions, study issues, evaluate options, and develop recommendations. Each committee shall prepare reports and make recommendations to the City Council regarding every matter assigned to or considered by the committee, no less often than every six months. The committees shall only serve in an advisory capacity, and only for the City Council. No committee shall have any authority to make final decisions regarding the merits or resolution of any matter assigned to or considered by it.
- (f) Appointments and Vacancies. Appointments to committees and subcommittees will be made as soon as practicable after the annual City Council election in the following manner: Mayor has first choice of three committees, followed by Councilmembers in tenure order selecting one committee each, followed by additional round(s) of Councilmembers selecting committees until all committee appointments are filled. For the purpose of this section, tenure shall mean time in current office without a break from the time of election or appointment to present. In the event that tenure of Councilmembers is the same, the order of those members' selections will be based on the number of votes received when elected in highest to lowest order. Appointments to fill vacancies to assure continuity on the committees will be made in the same manner beginning with the next Councilmember in tenure order.
- (g) *Chair.* The Chair of each City Council standing or ad hoc committee shall be appointed by the Mayor.

- (h) *Staff Liaison.* The City Manager shall assign each City Council standing or ad hoc committee a Staff Liaison who shall assist the Chair in preparing the meeting agendas and coordinating the logistics of the committee meetings.
- (i) Minutes of Meetings. Committees shall keep minutes of their meetings. The minutes shall provide a summary of all business discussed or considered, action taken, the outcome of any votes, and those persons present at committee meetings. When completed, the minutes shall be signed by the Chair and maintained by the Staff Liaison for the committee. A copy of the minutes shall be distributed to the City Council.
- (j) Agenda Postings. Notice of all committee meetings shall be posted in accordance with the Texas Open Meetings Act ("TOMA"). However, since committee membership is made up of less than a quorum and therefore is not a meeting subject to the TOMA, a good-faith mistake in the publication of the agenda will not require the cancellation of the meeting.
- (k) Councilmember as Liaison. When a Councilmember is appointed to serve as a member of a board, committee or commission for an outside agency such as KEDC, KTMPO, etc., the Councilmember is responsible for keeping all Councilmembers informed of significant activities of that board, committee, or commission. The appointed Councilmember should report the actions of the board, committee, or commission during a work session of the City Council at a minimum of every six months for an ad hoc committee, annually for a standing committee, and quarterly for an outside agency.
- (I) *Recommendation Regarding the Continuation of Committees.* The Mayor shall annually review the activity of the existing standing committees to identify inactive committees and shall provide a report to the City Council recommending which committees should be continued and which dissolved.

Sec. 3-20. Citizen Boards, Commissions and Committees

- (a) *Purpose.* This Policy establishes the procedure for the appointment and reappointment of citizens to Boards, Commissions, and Committees for the City of Killeen, as well as the duties of Board, Commission, and Committee members.
- (b) Time of Appointment. All appointments and reappointments shall be made by the City Council prior to October 1st of each year for all positions to be filled that fiscal year. (Code of Ordinances, sec. 2-116)
- (c) *Review of Applications.* Staff will compile and present all applications for appointment to citizen boards, commissions, and committees to the City Council two weeks before the specified meeting. <u>The Mayor and Councilmembers may interview applicants and/or request written information from applicants prior to appointment.</u>
- (d) Committee Membership Types: Persons appointed to Committees shall be designated as either Regular Members or Ex Officio Members. A Regular Member is a member for all purposes; it is not required that he or she hold a specific office to be qualified for appointment. An Ex Officio Member is appointed to a committee because of a position he or she currently holds. Regular Members count towards a quorum and have voting privileges, while Ex-Officio Members do not (effective 10-1-19).

(e) Subcommittees. Some citizen boards, commissions, and committees have subcommittees consisting of two Councilmembers. It is the responsibility of the subcommittee members to review and discuss applications for the board, commission, or committee for which they are a subcommittee member, and to reach a consensus regarding which applicant(s) are most qualified to fill a position and shall be recommended to the full City Council. This decision should be made prior to the work session at which appointments are scheduled to be discussed. As required or requested and to ensure that the purpose of the board, commission or committee is carried out effectively, the subcommittee Councilmembers will also act as liaisons between the board, commission or committee members and the City Council; and between board, commission or committee members and any other person.

The following boards, commissions and committees have appointment subcommittees: BOA-Construction, BOA-Fire Prevention, BOA-Airport Hazard, BOA-Zoning, Animal Advisory Committee, Senior Citizens Advisory, Youth Advisory Commission, and Bell County Health District.

(f) *Full Council Appointments.* Some citizen boards, commissions, and committees do not have appointment subcommittees. For these committees, appointments are made after the full City Council has reviewed the appropriate applications and has had the opportunity to discuss applications in a work session. Consensus regarding which applicants are the most qualified to fill a position will be reached during a work session. If necessary, appointment decisions will be reached through a nomination process.

The following boards, commissions, and committees do NOT have appointment subcommittees: Arts Commission, Community Development Advisory Committee, Heritage Preservation Board, Killeen Economic Development Committee, Killeen Sister Cities, Planning & Zoning Commission, TIRZ #2 Board, and Killeen-Temple Metropolitan Planning Organization (KTMPO)

- (g) *Term Limits.* To encourage broad citizen participation, no person may be appointed to serve more than six consecutive years, excluding unexpired terms, on a particular board, commission, or committee. This limitation does not apply if a particular position requires specialized knowledge, licenses, or certifications and no other qualified and interested person is available, or for other good cause found by the City Council and specified in the appointment resolution. (Code of Ordinances, sec. 2-117)
- (h) *Criteria for Appointment.* When determining the most qualified applicant, Council should consider the following information:
 - 1. Date of application;
 - 2. Primary residence— Is residency a requirement for the position? Is applicant a City of Killeen resident or live in the ETJ?
 - 3. Is applicant currently serving on other boards, commissions, and/or committees?
 - 4. Does applicant have specialized knowledge, licenses, or certifications that are required or helpful for the position?
 - 5. If applicant is being considered for reappointment, is such reappointment prohibited by term limits?
 - 6. If applicant is being considered for reappointment, has applicant maintained a good record of attendance?
- (i) *Chair.* Each committee shall have the power to adopt a process for electing and removing its chair.

- (j) *Staff Liaison.* The City Manager shall assign each Board, Commission, or Committee a Staff Liaison who shall assist the Chair in preparing the meeting agendas and coordinating the meeting logistics.
- (k) Duty to Attend Meetings and to Vote. Board, Commission, and Committee members have a duty to attend meetings unless excused in advance by the Chair. Absences by the Chair must be approved in advance by the Vice-Chair. All members must vote either in the affirmative or in the negative on each motion presented, unless he or she has disclosed a legal or perceived conflict of interest and filed the required affidavit in advance. A present member who does not vote and who has not filed the required affidavit will be officially recorded as a negative vote.
- (I) *Minutes of Meetings.* Committees shall keep minutes of their meetings. The minutes shall provide a summary of all business discussed or considered, action taken, the outcome of any votes, and those persons present at committee meetings. When completed, the minutes shall be signed by the Chair and maintained by the Staff Liaison for the committee.
- (m) Agenda Postings. Notice of all committee meetings shall be posted in accordance with the Texas Open Meetings Act ("TOMA"). However, since some citizen committee meetings do not meet the definition of a meeting under the TOMA, a good-faith mistake in the publication of the agenda for a meeting to which the TOMA does not apply will not require the cancellation of the meeting.
- (n) No Employee Appointments. To ensure that citizens have an adequate opportunity to participate on citizen boards, commissions, and committees, current City of Killeen employees will not be appointed to citizen boards, commissions, and committees, even if they are residents of the City of Killeen. If an individual who is currently serving on a citizen board, commission, or committee is hired by the City of Killeen, once the current term is complete, he or she is not eligible for reappointment to his or her position on the board, commission, or committee. However, an employee may be appointed to a board, commission or committee if state law requires an employee to serve on a specific board because of that employee's position with the City.
- (o) *No City Councilmember Appointments.* Understanding that citizen committees are most effective when the members are able to communicate freely, no City Councilmember will be appointed as a member of a citizen committee.
- (p) *Recommendation Regarding the Continuation of Committees.* The Mayor shall annually review the activity of the existing committees to identify inactive committees and shall provide a report to the Council recommending which committees should be continued and which dissolved.
- (q) Bylaws. No board, commission or committee will create or amend its bylaws in a way that limits the City Council or Staff or that creates requirements for the City Council or Staff. Further, no board, commission or committee will create or amend its bylaws to change the purpose or mission of the board, commission or committee, expand the scope of the board, commission or committee, or in any way cause the board, commission or committee to function in a way not intended by the City Council unless approved by the City Council.

Sec. 3-30. Communications on Behalf of the City by Citizen Members of Boards, Commissions and Committees

- (a) Boards, commissions, and committees, whether established by reason of State law, the Charter, by ordinance or on an ad hoc basis, are an integral part of the municipal government process. The citizens who serve on City boards, commissions, and committees provide an important service to the citizens of Killeen. Boards and commissions, and the members of those boards, commissions, and committees, do not, however, speak for the City on larger issues of City governance. The City Council is responsible for all aspects of the City's governance and it is the legislative and policy-making body for the City.
- (b) If a board, commission, or committee desires to communicate to others a position on any matter of public concern, the board, commission, or committee shall first seek approval from the City Council before engaging in such communication. The City Council will speak for the City. The City Council will determine the official position of the City on the issue presented by the board, commission or committee, and whether it shall be communicated.

DIVISION 4. COUNCIL DIRECTIVES AND EXECUTIVE LIMITATIONS

A. Council Directives to Management

Sec. 4-10. Public Use of City Hall and Other City Facilities

The City Manager shall develop a program addressing the use of the Council Chambers, the meeting rooms in City Hall, and other city-owned meeting space by other governmental entities, non-profit groups for public purposes, and City departments. The program shall be consistent with current security protocols and shall recognize the public use of City Hall for public business as paramount.

Sec. 4-20. Policy for Support of Community Events

The City Manager shall develop a policy providing for the annual support of the community events listed in sec. 2-80. Such support shall be in-kind (non-monetary), and subject to available funding. The policy shall also provide guidelines for supporting other events not listed in sec. 2-80, in a manner that will recoup the City's costs.

Sec. 4-30. Compensation of City Employees

The City Manager is directed to bring forward an annual employee compensation plan that is within the City's financial and budgetary limits, and compensates all City employees at a level that is competitive with the compensation paid to employees within the City's employment market area. The City Manager is directed to have compensation surveys conducted to determine whether employment compensation for City employees is competitive.

Sec. 4-40. Restrictions on the Representation of Third-Parties by Former City Employees ("Revolving Door Policy")

A former employee of the City who was employed as a departmental director, Assistant City Manager, City Manager, City Auditor or Municipal Judge may not make any communication to or appearance before the City Council before the second anniversary of the date the former employee ceased to be employed by the City if the communication or appearance is made: (1) with the intent to influence the City Council; (2) is made or done on behalf of any person other than the former employee in an individual capacity, and; (3) is made or done in connection with any matter on which the former employee seeks official action.

Sec. 4-50. Motions of Direction to City Manager

During a work session or regular meeting, discussion may lead to a point where the City Council wishes to direct the City Manager in a particular manner. The appropriate way to accomplish this is for a City Councilmember to make a motion in which the City Manager is directed towards, or away from, a particular course of action. There must be a second and a vote on the Motion. If approved by a majority of the City Councilmembers in attendance, the Motion of Direction becomes the official direction of the City Council and will be transcribed and maintained for the record.

Sec. 4-60. Directive to Use Official City of Killeen E-mail Addresses

To ensure compliance with the Texas Public Information Act and required retention schedules and to further transparency in the communication and discussion of City business, the City Manager will ensure that Staff uses only official City of Killeen e-mail addresses for both Staff and Councilmembers, when communicating with City Councilmembers about City business. If circumstances require a Staff member to conduct City business on a non-City email account, the Staff member shall promptly forward the associated electronic communications to a city email account.

Sec. 4-70. Delegation of Authority to Determine Purchasing Method

Chapter 252 of the Texas Local Government Code allows a governing body to determine that an approved method other than competitive sealed bidding provides the best value for the municipality. The Code also allows the governing body to delegate that authority to a designated representative. The City Council hereby delegates its authority to determine which approved purchasing method provides the best value for the municipality to the City Manager.

Sec. 4-80. Directive to Adopt Finance Policies and Review Annually

The City Manager is directed to provide to the City Council a comprehensive set of Financial and Budget Policies for consideration and adoption by the Council. Such policies shall be reviewed and adopted annually.

Sec. 4-90. Issuance of Correction Deeds and Deeds Without Warranty

The City Council hereby delegates to the City Manager the authority to issue a correction deed or a deed without warranty when the property subject to the deed was deeded to the City of Killeen either by mistake or without the City's authorization and the City has no need for the property. Deeding the property back to the original owner shall only occur when the owner agrees to pay all taxes that would have been owed had the property never been deeded to the City. This action will also put the property back on the tax roll. The City Manager will promptly advise the City Council when these instances occur.

Sec. 4-100. Directive to Adopt Media Policy

- (a) The City Manager is directed to develop a media policy to establish communication protocols between staff and members of the media.
- (b) The Executive Director of Communications shall provide updates to the City Council and the citizens of Killeen as important incidents arise and in general no less than once a month. The report may be a presentation to the City Council or provided in a written report.

Sec. 4-110. Delegation of Signature Authority

Unless the Charter, a statute, regulation, order or the City Council itself states to the contrary, the City Council hereby authorizes the City Manager to delegate his signature authority to a subordinate staff member as he deems appropriate.

Sec. 4-120. Directive to Develop Economic Development Policy

The City Manager is directed to develop an Economic Development Policy for the City Council's consideration.

Sec. 4-130. Directive to Develop Street Maintenance Policy

The City Manager is directed to develop a policy addressing Street Maintenance within the City for the City Council's consideration.

Sec. 4-140. Directive to Develop Invocation Procedure

To solemnize its proceedings, it is the policy of the City Council to open its meetings with an invocation. In order to respect the constitutional rights of all persons, participation in the invocation or prayer will be voluntary; no one in attendance will be required to participate, and no one demonstrating appropriate respect and decorum will be excluded from participating. Everyone will be treated equally in all respects whether they choose to participate, or not participate, in the prayer or invocation.

In order to ensure compliance with this policy and with the law, the City Manager is directed to establish appropriate procedures to allow for an invocation at the beginning of City Council meetings.

This policy, and the procedure implementing the policy, is not intended, and shall not be implemented or construed in any way, to affiliate the City Council with, nor express the City Council's preference for or against, any faith, belief, or religious denomination. Rather, this policy is intended to acknowledge and express the City Council's respect for the diversity of denominations, faiths, and beliefs represented and practiced among the citizens of Killeen.

Sec. 4-150. Directive Regarding Zoning Notification Boundaries and Signage

The City Manager is directed to increase to 400 feet the notification boundary for properties subject to a request for a zoning classification change. In addition, the City Manager is directed to include appropriate signage on real property subject to a zoning classification change request. Such signage shall be visible to the public in advance of the public hearings before the Planning and Zoning Commission and the City Council.

Sec. 4-160. Delegation of Authority to Approve Certain Change Orders

Texas Local Government Code sec. 271.060 allows the City Council to delegate the authority to approve a change order increasing or decreasing a contract by \$50,000 or less. The City Council hereby delegates such authority to the City Manager, however, once the cumulative amount of change orders for a single contract reaches \$500,000.00, all future change orders for that contract must be taken to the City Council for approval, regardless of the amount.

Sec. 4-170. Delegation of Authority to Apply for Grants

Some grant applications require the authority of the governing body in order to apply for a grant on behalf of the City. The City Council hereby delegates the authority to apply for grants to the City Manager.

Sec. 4-180. Delegation of Authority to Employ Police and Fire Over-Hires

The City Council has approved a set number of over-hires allowed for the police and fire departments.

The City Council hereby delegates the authority to the City Manager to employ such over-hires, provided that the number of over-hires does not exceed the number of over-hires currently approved by ordinance.

B. Executive Limitations

Sec. 4-210. Global Executive Constraint

The City Manager shall not cause or allow any organizational practice, activity, decision, or circumstance that is either unlawful, imprudent, or in violation of commonly accepted business and professional ethics.

Sec. 4-220. Treatment of Customers of City Services

With respect to interactions with customers, the City Manager shall not cause or allow conditions, procedures, or decisions that are unsafe, untimely, undignified, or unnecessarily intrusive.

The City Manager will not:

Sec. 4-230. Treatment of Staff

With respect to the treatment of paid and volunteer staff, the City Manager shall not cause or allow conditions that are illegal, unfair, undignified, disorganized, or unclear.

- 1. Operate without written personnel rules that (a) clarify rules for staff, (b) provide for effective handling of grievances, and (c) protect against wrongful conditions, such as nepotism and grossly preferential treatment for personal reasons.
- 2. Retaliate against any staff member for non-disruptive expression of dissent.
- 3. Allow staff to be unaware of City Manager's interpretations of their protections under this policy.
- 4. Allow staff to be unprepared to deal with emergency situations.

Sec. 4-240. Financial Planning/Budgeting

The City Manager shall not cause or allow financial planning for any fiscal year or the remaining part of any fiscal year that deviates materially from City Council priorities, or risks financial jeopardy.

The City Manager will not allow budgeting that:

- 1. Risks incurring those situations or conditions described as unacceptable in the Executive Limitations policy section 4-250, entitled "Financial Condition and Activities."
- 2. Omits credible projection of revenues and expenses separation of capital and operational items, cash flow analysis, and disclosure of planning assumptions.
- 3. Provides less than the amount determined annually by the City Council for the City Council's direct use during the year.

Sec. 4-250. Financial Condition and Activities

With respect to the actual, ongoing financial condition and activities, the City Manager may not cause or allow the development of fiscal jeopardy or a material deviation of actual expenditures from the City Council's established priorities.

- 1. Expend more funds than have been budgeted in the fiscal year.
- 2. Incur short-term debt in an amount greater than can be repaid by certain and otherwise unencumbered revenue within 60 days.

- 6. Allow tax payments or other government-ordered payments or filings to be overdue or inaccurately filed.
- 7. Make a single purchase or commitment of greater than \$50,000 without City Council approval, unless a verifiable and documented emergency exists. Splitting orders to avoid this limit is not acceptable.
- 8. Acquire, encumber or dispose of real estate unless allowed by law or approved by the City Council.
- 9. Issue expense checks to himself or herself without the signature of a Council-approved signatory who has been provided with appropriate documentation and receipts.

Sec. 4-260. Asset Protection

The City Manager shall not allow the City's assets to be unprotected, inadequately maintained, or unnecessarily risked.

The City Manager will not:

- 1. Ensure the organization's physical structures and contents for less than one hundred percent of scheduled value against theft, fire and casualty losses or insure against liability losses to Councilmembers, staff, volunteers and the organization itself for less than the average for comparable organizations.
- 2. Allow personnel unauthorized access to City funds.
- 3. Knowingly subject facilities and equipment to improper wear and tear or insufficient maintenance without first bringing the issues to the City Council's attention.
- 4. Unnecessarily expose the organization, its City Council or staff to claims of liability.
- 5. Receive, process or disburse funds under controls that are insufficient to meet the City Council-appointed auditor's standards.
- 6. Make any purchase that violates the City's Purchasing Policy or Financial Governance Policies.
- 7. Allow property, information and files to be unprotected from loss or significant damage.
- 8. Make any investment that is not in compliance with the City's Investment Policy.

Sec. 4-270. Emergency City Manager Succession

In order to protect the City Council from sudden loss of City Manager services, the City Manager shall not permit there to be less than one other person familiar enough with City Council and City Manager issues and procedures to be able to maintain organization services.

Sec. 4-280. Compensation and Benefits

With respect to employment, compensation and benefits to employees, consultants, contract workers and volunteers, the City Manager shall not cause or allow jeopardy to fiscal integrity or public image.

- 1. Change the City Manager's own compensation and benefits, except as those benefits are consistent with a package for all other employees.
- 2. Promise or imply permanent or guaranteed employment.
- 3. Establish current compensation and benefits that deviate materially from the geographic or professional market for the skills employed.

- 4. Create obligations over a longer term than revenues can be safely projected.
- 5. Establish or change pension or retirement benefits so as to cause unpredictable or inequitable situations, including those that:
 - a) Incur unfunded liabilities;
 - b) Provide less than some basic level of benefits to all full-time employees, though differential benefits to encourage longevity are not prohibited;
 - c) Allow any employee to lose benefits already accrued from any foregoing plan; and
 - d) Treat the City Manager differently from other key employees.

Sec. 4-290. Communication and Support to the City Council

The City Manager shall not cause or allow the City Council to be uninformed or unsupported in its work.

- 1. Let the City Council be unaware of any significant incidental information it requires including anticipated adverse media coverage, threatened or pending lawsuits, and material internal and external changes.
- 2. Allow the City Council to be unaware that, in the City Manager's opinion, the City Council is not in compliance with its own policies, particularly in the case of City Council behavior which is detrimental to the work relationship between the City Council and the City Manager.
- 3. Allow the City Council to be without decision information required periodically by the City Council or let the council be unaware of relevant trends.
- 4. Present information in unnecessarily complex or lengthy form or in a form that fails to differentiate among information of three types: monitoring, decision preparation, and other.
- 5. Allow the City Council to be without a workable mechanism for City Council, officer, or committee communications.
- 6. Deal with the Council in a way that favors or privileges certain Councilmembers over others, except when (a) fulfilling individual requests for information, which will be provided to all City Councilmembers; or (b) responding to officers or committees duly charged by the Council.
- 7. Allow the City Council to be unaware of any actual or anticipated noncompliance with any City Council Executive Limitations.
- 8. Endanger the City's public image, credibility, or its ability to accomplish its established goals.

DIVISION 5. COMMUNICATIONS

Sec. 5-10. Purpose

Since government is only successful when the citizens are kept informed and educated about the issues facing their municipality, it is necessary that the media play a role in the governmental process. It is through an informed public that progress is ensured and good government remains sensitive to its constituents. These guidelines are designed to help ensure fair relationships with all media reporters. The City Council and the City Manager recognize that the media provides an important link between the City Council and the public. It is desired to establish a professional working relationship to help maintain a well-informed and educated citizenry.

Furthermore, although traditional media continues to play an important role in distributing information, social media and other City managed web-based technologies make information increasingly available to the public in real time and in its entirety. All avenues of communicating information are important and have a meaningful impact on city government.

Sec. 5-20. General Provisions

- (a) City staff will make all meeting notices, agendas, minutes, and supporting documentation available to the City Council and to the public via the City's official website. If supporting documentation is not available to the City Council in advance of a workshop meeting, at City Council's discretion the Council will be given two workshop sessions to discuss the item before it moves to a business meeting for action.
- (b) City Council meetings will be live streamed and archived in their entirety and made available to the public via the City's official website.

Sec. 5-30. Media

- (a) Media shall be welcome to attend all public meetings of the City Council.
- (b) Media may be asked to occupy a designated area in some circumstances but may generally locate in places open to the public.
- (c) Media may not disturb the decorum or professionalism of City Council meetings or work sessions.
- (d) Media may contact the Mayor and City Councilmembers directly.
- (e) The Mayor is the primary spokesperson for the City on matters regarding policy decisions or any City Council information pertaining to issues on the agenda. To ensure fair treatment of an issue, any clarifications requested by the media on the issue should be addressed after the meeting. When opposing positions have been debated, regardless of the outcome, the public is better informed when all sides have adequate coverage by the media. This lets the public know the item was seriously debated and options discussed before a vote was taken, and helps build confidence in their government. In respect to each City Councilmember and the citizens of the City, the views presented by each City Councilmember should be given equitable representation. Although Councilmembers may express differing ideas, equitable representation helps promote unity of purpose by allowing the public to be informed of each Councilmember's position during his/her term

of office and not solely during an election campaign.

- (f) City Councilmembers may not speak to media or the public on behalf of the body; they may speak only as an individual member.
- (g) To preserve the decorum and professionalism of City Council meetings, the media are requested to refrain from talking with other people in the audience and to conduct any interview with the public outside the meeting room while the City Council is in session. Media interviews will not take place in City Council Chambers.
- (h) Media wishing to speak to City staff will comply with the Media Policy developed by the City Manager.

Sec. 5-40. Social Media

- (a) City Councilmembers participating in social media relating to City business shall use their real names.
- (b) City Councilmembers will maintain posts to social media sites relating to City business in accordance with records retention law.
- (c) City Councilmembers will not participate in online discussions, groups or forums that contain or have the potential to contain a quorum of City Council (walking quorum).
- (d) City Councilmembers are encouraged to share information from City social media sites on their own sites.

Sec. 5-50. Email

- (a) To ensure compliance with the Texas Public Information Act and required retention schedules and to further transparency in the communication and discussion of City business, City Councilmembers will use their official City of Killeen email addresses to conduct City business. If circumstances require a City Councilmember to conduct City business on a non-City email account, he or she shall promptly forward the associated electronic communications to a City email account.
- (b) City Councilmembers will not "email all," "copy all," "blind copy all" or "reply all" to emails discussing City business that contain or have the potential to contain a quorum of members.

Sec. 5-60. Other

- (a) The City of Killeen logo is copyrighted. It may only be used for official City business and may not be used on campaign materials or for personal business.
- (b) The Mayor, as the ceremonial head of the City, is the issuer of proclamations, certificates, awards, City coins, etc. on behalf of the City of Killeen. City Councilmembers wishing to bestow such honors shall request the Mayor to issue and present.
- (c) The Mayor may sign letters and petitions making requests or stating positions on behalf of the City so long as they do not conflict with a City Council decision or directive.

(d) Dedication plaques placed on City buildings shall include the names of the Mayors and City Councilmembers who served from the time funding was budgeted for the project through completion.

DIVISION 6. ETHICS

A. Policy Statement

It is the desire of the Killeen City Council to promote and encourage the highest standard of conduct for elected City officials, and officials appointed to City Boards and Commissions who represent the citizens of Killeen. The members of the Killeen City Council support the philosophy that elected Officials and appointed Board Members act in a manner that avoids even the appearance of impropriety.

Each elected official or appointed Board Member shall, at a minimum, comply with all State laws and City ordinances and policies regarding ethical behavior. Elected and appointed officials shall always act in the public interest rather than in the furtherance of self-interest or those of special interest.

The Killeen City Council recognizes that it cannot by policy define ethical behavior, but it expects each elected or appointed official to act conscientiously in public service, recognizing that the public is best served when elected or appointed officials make decisions and act in a manner that promotes confidence by the citizens of Killeen in the process of City Government.

B. Guidelines and Procedures

The following provisions apply to members of the City Council and members of any board, commission or committee established pursuant to the Charter or the ordinances of Killeen, by the laws of this state, or by the City Council (hereinafter referred to as "Officials.")

Sec. 6-10. Council and Appointed Board Members

Within thirty days of election or appointment to a Board or Commission, or within 30 days of adoption of these Governing Standards and Expectations, each Official shall sign and deliver to the City Secretary:

- 1. a copy of the Ethics Policy Agreement;
- 2. a copy of the Standards of Conduct Agreement;
- 3. a disclosure statement that discloses any real property owned by the Official or a relative within the first degree of consanguinity or affinity within the Killeen city limits or ETJ, and specifies any business interest located within Killeen, or any business interest that may have dealings with the City. The Official is obligated to update the disclosure as circumstances change.

Within ninety days of election or appointment, each Official shall complete the Open Meetings Act and Public Information Act training sponsored by the Texas Attorney General's Office.

Sec. 6-20. Acceptance of Gratuities

No Official shall knowingly solicit or accept, from any source, any gift, favor, service or thing of value, including a promise of future employment, in consideration of having exercised any official power or performing any official duty on behalf of the City. Acceptance of any gratuities shall be disclosed as required by Chapter 176 of the Texas Local Government Code.

Sec. 6-30. Use of City Facilities, Personnel, Equipment, etc.

No Official shall knowingly use city facilities, personnel, equipment, or supplies, or use any confidential information concerning the property, operations, policies, or affairs of the City, for his or her private, personal and/or political gain.

Sec. 6-40. Conduct in Commercial Transactions

No Official shall knowingly be an interested party to any exchange, purchase, or sale of property, goods, or services with the City, or enter into any contract with the City, except in full and impartial compliance with state statutes, city charter, ordinances and applicable regulations and subject to any restrictions of the city charter; provided further that such persons shall receive no favor or special concession or inducement not customarily available and granted by the city in such a transaction; and provided further than any discretion by Officers, in connection with any such transaction, shall be exercised impartially and upon the same standards applied to all citizens of Killeen.

Sec. 6-50. Representing Interests Contrary to Those of the City

No Official shall knowingly represent, directly or indirectly, another person or any group or entity, in any action or proceeding against the interests of the City or in any litigation in which the City or any City department, agency, commission or board is a party, or may become a party.

Sec. 6-60. Conflicting Interests in Legal Proceedings

No Official shall knowingly represent, directly or indirectly, another person or any group or entity in any action or proceeding in the City's Municipal Court of Record, which was instituted by a City officer or employee in the course of official duties or in any criminal proceeding in which any City officer or employee is a material witness for the prosecution.

Sec. 6-70. Disclosure of Personal Financial Interest and Abstention from Voting

If any Officer has a conflict of interest as defined by Chapter 171 of the Texas Local Government Code, he or she shall file the required affidavit and abstain from all participation in the matter, to include leaving the room when possible. The determination of whether a conflict of interest applies should be construed liberally. In fact, the Officer is encouraged to consider abstention when the public would likely perceive the circumstances as a conflict of interest. While it is the Officer's sole responsibility to determine whether a conflict of interest exists, the Officer may discuss the circumstances with the City Attorney or designee to assist in his/her decision-making. Absent a conflict of interest, the Officer has a duty to vote in every item presented during a meeting.

Sec. 6-80. Communications with Applicants or Petitioners

Any City Councilmember communication with an applicant or petitioner (or their agent) outside of a public meeting regarding a matter that will come to the City Council for a decision must be disclosed in writing and provided to the City Secretary prior to City Council discussion or deliberation of the action. Examples include but are not limited to discussion with a property owner regarding his or her rezoning request, or discussion with a vendor prior to bid award. The City Secretary will provide the statement(s) to the Mayor, who will disclose the communication during the meeting at which the action will be discussed or considered, before any discussion or consideration has occurred.

Any Planning and Zoning Commissioner communication with an applicant or petitioner (or their agent) outside of a public meeting regarding a matter that will come to the Planning and Zoning Commission for a decision or recommendation must be disclosed in writing and provided to the City Secretary prior to the Commission's discussion or deliberation of the action. The City Secretary will provide the statement(s) to the Commission Chair, who will disclose the communication during the meeting at which the action will be discussed or considered, before any discussion or consideration has occurred.

DIVISION 7. ENFORCEMENT AND ADMINISTRATION

Sec. 7-10. Policy Enforcement

If a Councilmember believes this policy has been violated, the topic shall be placed on a meeting agenda following the procedure established in section 1-20(b). If it is a Staff Member who is in violation of this policy, the City Manager will handle the matter in accordance with City policy as he deems appropriate in accordance with personnel policy.

Sec. 7-20. Annual Review and Re-adoption of These Governing Standards and Expectations

Each June, after the new City Council is elected and seated, the new City Council shall begin review of these Governing Standards and Expectations and should work towards re-adoption of an updated version by the end of July each year.

Sec. 7-30. City Manager and City Attorney Roles Regarding Protocol.

The City Attorney assists the Mayor as a resource to confer with, and acts as an advisor for interpreting the City Council's adopted Governing Standards and Expectations. The City Manager, the City Attorney nor any other Staff member is responsible for enforcing these protocols and guidelines.
