

RESOLUTION TO AUTHORIZE CITY MANAGER TO
SIGN AN AGREEMENT WITH THE FAA FOR AN
AIP GRANT-TAXIWAY E RELOCATION PROJECT

RS-24-122

July 2, 2024

Background

2

- A portion of Taxiway E at the Killeen Regional Airport (KRA) needs rehabilitation.
- Due to changes in Federal Aviation Administration (FAA) taxiway design standards, any rehabilitation to this taxiway requires relocation

Background

3

- The City applied for and received an FAA Airport Improvement Program (AIP) grant in the amount of \$407,903 on July 25, 2023, to be used for the design phase of this project.
- Project included administration, surveying services, geotechnical services, design services, bidding services, and other engineering fees for the relocation of Taxiway E at KRA.

Discussion

4

- ❑ The FAA has now notified the City that we will receive a grant for the construction phase of the Taxiway E Relocation project.
- ❑ The Grant will include funding from the AIP, FAA Discretionary, and Supplemental Discretionary funding supported by Congressman Pfluger.
- ❑ The actual grant will not be issued until after bids have been received and reviewed.
- ❑ Grant offer will then be based on the accepted bid amount.

Discussion

5

- To comply with the FAA timeline requirements for returning signed grant offers, staff is requesting the City Council approve a resolution authorizing the City Manager, or designee, to execute the grant agreement and related documents pertaining to this grant offer.

Discussion

6

- ❑ The grant will fund 90% of the cost. The 10% match will come from the FAA Passenger Facility Charge (PFC) Program Application that was approved by the FAA on February 16, 2023.
- ❑ No impact to the Aviation operational fund or fund balance.

Recommendation

7

- City Council approve a resolution authorizing the City Manager, or designee, to execute any and all required documents, including all amendments, pertaining to the Federal Aviation Administration's Airport Improvement Program Grant for the Taxiway E Relocation project at Killeen Regional Airport.
