

ORDINANCE AMENDING CHAPTER 12 – FLOOD DAMAGE PREVENTION

OR-26-013

August 4, 2026

Ordinance Amending Chapter 12

2

- Killeen Code of Ordinances Sec. 12-36 currently designates the Building Official as the floodplain administrator for the city.

Ordinance Amending Chapter 12

3

- The City Engineer is responsible for reviewing construction drawings and infrastructure projects for compliance with codes, regulations, and standards, including evaluation of projects for adequate drainage and flood prevention measures.
- Staff finds that the City Engineer is the most appropriate position to review development within the floodplain.

Staff Recommendation

4

- Therefore, staff recommends approval of the proposed ordinance amending Chapter 12 to designate the City Engineer as the Floodplain Administrator.
