

STOP-LOSS INSURANCE

RS-24-168

September 17, 2024

Background

2

- ❑ The City healthcare benefits is a self-insured benefits platform
- ❑ The City must bid for stop-loss insurance to protect the City from high medical claims
- ❑ On July 8, 2024, the City utilized the Request for Bids to select a stop-loss insurance provider

Background

- Stop-Loss insurance protects the City against catastrophic or unpredictable losses. The City of Killeen will protect its plan with both specific and aggregate stop-loss coverage.
 - Specific Stop-Loss protects the City against high claims on any one individual in which the claims exceed \$200,000
 - Aggregate Stop-Loss provides a ceiling on the dollar amount of expenses that the City would pay, in total during a contract period. Our ceiling is 125% of expected claim liability.
