REQUEST TO PLACE ITEM ON THE AGENDA (Per Section 1-20 of Governing Standards and Expectations)

Requestor(s): Mellisa Brown

Date: 11/24/2022

Problem/Issue/Idea Name for Agenda: Rec Services Program Additions

Description of Problem/Issue/Idea: In addition to sports, I would like to ask the City Council to consider supporting new programs within Rec Services to include martial arts or self defense, citizen recommended boxing program, or other programs that provide alternate outlets for community members who do not wish to participate in standard sports. The City could partner with existing programs and organizations that offer these alternatives in order to minimize cost and staff time to the City and make programming affordable for citizens.

Requested Action: I request that the City Council support a motion of direction to have Rec Services bring back alternate programs and potential community partnerships for community members who do not wish to participate in standard sports.
