REQUEST TO PLACE ITEM ON THE AGENDA
(Per Section 1-20 of Governing Standards and Expectations)

Requestor(s): Councilman Wilkerson

Date: February 7 2022

Problem/Issue/Idea Name for Agenda:

There is limited-to-no process of intervention for KPD to handle engagements with assailants with mental health disabilities or experiencing a mental health crisis. Killeen has an alarming number of citizens who suffer from mental health issues

Description of Problem/Issue/Idea:

Addressing the shortfall in resources/processes will serve to increase safe, compassionate interaction for KPD and Killeen residents, reducing the potential for injuries, and death, and legal liability, while increasing trust and better relationships between the city government, KPD and the people of Killeen

Requested Action:

Develop options in concert with KPD and mental health experts (namely Kerry-Anne Bord-UMHB) to determine what-if anything - can be done to bridge the gap with KPD and citizens they encounter that may be experiencing mental health issues.
