Re: City of Killeen
Juneteenth Parade

To Kent Cagle, Killeen City Manager:
To Killeen City Council:

The Killeen Branch NAACP has sponsored the Juneteenth Parade for over 25 years here in the City to celebrate the now Federal holiday, Juneteenth.

We are asking for support from the City of Killeen to add the Juneteenth Parade under the Governing Standards & Expectations as a city sponsored event under Section 2-8o, Assistance to Community Organizations for Special Events.

The NAACP prides its continuous Work here in the City of Killeen, dismantling discrimination and racial barriers over the past 52 years. We look forward to your positive response and the ongoing partnership with the City we were chartered in.

Thank you for your time.

Respectfully yours,
