Grantee Conditions and Responsibilities

September 1, 2016

About this Document

In this document, grantees will find requirements that apply to grants, state and federal requirements for grantees, and conditions for uses of grant funds administered by the Office of the Governor (OOG). It is incorporated into the Grant Agreement accepted by a grant's Authorized Official.

These requirements are in addition to those that can be found on the eGrants system – including the Grant Application and Grant Award – or in documents identified there, to which grantees agreed when applying for and accepting the grant. Other state and federal requirements and conditions may apply to your grant, including but not limited to: 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Chapter 783 of the Texas Government Code, Title 34, Part 1, Chapter 20, Subchapter E, Division 4 of the Texas Administrative Code, and the Uniform Grant Management Standards (UGMS) developed by the Comptroller of Public Accounts; the state Funding Announcement or Solicitation under which the grant application was made, and for federal funding, the Funding Announcement or Solicitation under which OOG was awarded funds; and any applicable documents referenced in the documents listed above. For grants awarded from the U.S. Department of Justice (DOJ), the current applicable version of the Department of Justice Grants Financial Guide and any applicable provisions in Title 28 of the CFR apply. For grants awarded from the Federal Emergency Management Agency (FEMA), all Information Bulletins and Policies published by the FEMA Grants Program Directorate apply. OOG reserves the right to add additional responsibilities and requirements, with or without advance notice to the grantee.

It is important for grantees to review all of these policies to successfully manage their grant, maintain eligibility for funding, and avoid violating the terms of the Grant Agreement, any of which could result in the revocation of funding or other actions.

This document is organized by topic area, with sub-sections that designate which provisions apply generally to all OOG grantees, and those that apply only to grants awarded by divisions of OOG, namely the Homeland Security Grants Division (HSGD) and the Criminal Justice Division (CJD). Within those sub-sections are provisions that apply only to certain grant programs, activities, or grantees.

For clarification or further information, please see the Guide to Grants and other support materials at <http://eGrants.Gov.Texas.Gov> or contact the grant manager assigned to the relevant grant. If no grant manager has been assigned, please contact the eGrants help desk at via email at: eGrants@gov.texas.gov, or via telephone at: (512) 463-1919 or dial 7-1-1 for relay services.

1. Grant Agreement Requirements and Conditions

For all applicable OOG grantees

1.1 Applicability of Grant Agreement and provisions

The Grant Agreement is intended to be the full and complete expression of and constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and all prior and contemporaneous understandings, agreements, promises, representations, terms and conditions, both oral and written, are superseded and replaced by this Grant Agreement.

If any term or provision of this Grant Agreement is found to be invalid or unenforceable, such construction shall not affect the legality or validity of any of its other provisions. The invalid term or invalid provision shall be deemed severable and stricken from the Grant Agreement as if it had never been incorporated herein, but all other provisions shall continue in full force and effect.

Notwithstanding any expiration or termination of this Grant Agreement, the rights and obligations pertaining to the grant close-out, maximum liability of OOG, cooperation and provision of additional information, return of grant funds, audit rights, records retention, public information, disclaimers and limitation of liability, indemnification, and any other provision implying survivability shall remain in effect after the expiration or termination of this Grant Agreement.

1.2 Legal authority to apply

The grantee certifies that it possesses legal authority to apply for the grant. A resolution, motion or similar action will be, before the award is accepted by the grantee, been duly adopted or passed as an official act of the applicant's governing body, authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative, or their designee of the organization to act in connection with the application and to provide such additional information as may be required. State agencies are not required to adopt a resolution.

1.3 Amendments and changes to the Grant Agreement

OOG and grantee may agree to make adjustments to the grant budget and detailed budget as documented in eGrants. Adjustments include, but are not limited to, modifying the scope of the grant project, adding funds to previously un-awarded cost items or categories, or changing funds in any awarded cost items or category or changing grant officials. OOG, at its sole discretion, and upon written notice by OOG to the grantee of any proposed adjustment, and after the grantee has had an opportunity to respond to the proposed adjustment, may adjust the grantee's Budget, Grant Narrative, Special Conditions, and/or any other items as deemed appropriate by OOG, at any time, during the term of this Grant Agreement.

The grantee has no right or entitlement to reimbursement with grant funds. OOG and grantee agree that any act, action or representation by either Party, their agents or employees that purports to waive or alter the terms of the Grant Agreement or increase the maximum liability of OOG is void unless a written amendment to this Grant Agreement is first executed and documented in eGrants. The grantee agrees that nothing in this Grant Agreement will be interpreted to create an obligation or liability of OOG in excess of the "Maximum Liability of the OOG" as set forth in the Statement of Grant Award (SOGA).

Any alterations, additions, or deletions to the terms of this Grant Agreement must be documented in eGrants to be binding upon the Parties.

1.4 General responsibility

The grantee is responsible for the integrity of the fiscal and programmatic management of the grant project; accountability for all funds awarded; and compliance with OOG administrative rules, policies and procedures, and applicable federal and state laws and regulations.

Grant funds may be used only for the purposes in the grantee's approved application. The recipient shall not undertake any work or activities that are not described in the grant application, and that use staff, equipment, or other goods or services paid for with grant funds, without prior written approval from OOG.

The grantee will maintain an appropriate grant administration system to ensure that all terms, conditions and specifications of the grant are met. The Texas Uniform Grant Management Standards has more guidance on this topic.

1.5 Terms and conditions

The grantee will comply with the terms and conditions as set forth and required in the funding announcement under which the approved application was submitted, the application, and award in eGrants. Notwithstanding the imposition of corrective actions, financial hold, and/or sanctions, the grantee remains responsible for complying with these terms and conditions. Corrective action plans, financial hold and/or sanctions do not excuse or operate as a waiver of prior failure to comply with the grant agreement. The failure of OOG to insist upon strict performance of any of the terms or conditions herein, irrespective of the length of time of such failure, shall not be a waiver of OOG's right to demand strict compliance in the future. No consent or waiver, express or implied, to or of any breach or default in the performance of any obligation under this grant agreement shall constitute a consent or waiver to or of any breach or default in the performance of the same or any other obligation of this grant agreement.

To the extent the terms and conditions of this grant agreement do not address a particular circumstance or are otherwise unclear or ambiguous, such terms and conditions are to be construed consistent with the general objectives, expectations and purposes of this grant agreement and in all cases, according to its fair meaning. The parties acknowledge that each party and its counsel have reviewed this grant agreement and that any rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this grant agreement. Any vague, ambiguous or conflicting terms shall be interpreted and construed in such a manner as to accomplish the purpose of the grant agreement.

1.6 Special conditions

Special Conditions may be imposed by OOG, at its sole discretion and at any time, without amending this Grant Agreement. Failure by OOG to provide notice does not absolve grantee of compliance with any special conditions. OOG may place grantee on immediate financial hold, without further notice, until all Special Conditions, if any, are met.

1.7 Remedies for non-compliance

If OOG determines that the grantee materially fails to comply with any term of this grant agreement, whether stated in a federal or state statute or regulation, an assurance, in a state plan or application, a notice of award, or any other applicable requirement, OOG, in its sole discretion and consistent with any applicable OOG Administrative Rules, may take actions including:

1. Temporarily withholding cash payments pending correction of the deficiency or more severe enforcement action by OOG;
2. Disallowing or denying use of funds for all or part of the cost of the activity or action not in compliance;
3. Disallowing claims for reimbursement;
4. Wholly or partially suspending or terminating this grant;
5. Requiring return or offset of previous reimbursements;
6. Prohibiting the grantee from applying for or receiving additional funds for other grant programs administered by OOG until repayment to OOG is made and any other compliance or audit finding is satisfactorily resolved;
7. Reducing the grant award maximum liability of OOG;
8. Terminating this Grant Agreement;
9. Imposing a corrective action plan;
10. Withholding further awards; or
11. Taking other remedies or appropriate actions.

The grantee costs resulting from obligations incurred during a suspension or after termination of this grant are not allowable unless OOG expressly authorizes them in the notice of suspension or termination or subsequently.

OOG, at its sole discretion, may impose sanctions without first requiring a corrective action plan.

1.8 False statements by grantee

By signature of this grant agreement, the grantee makes all the statements, representations, warranties, guarantees, certifications and affirmations included in this grant agreement. If applicable, the grantee will comply with the requirements of 31 USC § 3729, which set forth that no grantee of federal payments shall submit a false claim for payment.

If any of the statements, representations, certifications, affirmations, warranties, or guarantees are false or if the grantee signs or executes the grant agreement with a false statement or it is subsequently determined that the grantee has violated any of the statements, representations, warranties, guarantees, certifications or affirmations included in this grant agreement, then OOG may consider this act a possible default under this grant agreement and may terminate or void this grant agreement for cause and pursue other remedies available to OOG under this grant agreement and applicable law. False statements or claims made in connection with OOG grants may result in fines, imprisonment, and debarment from participating in federal grants or contract, and/or other remedy available by law, potentially including the provisions of 38 USC §§ 3801-3812, which details the administrative remedies for false claims and statements made.

1.9 Fraud, waste, and abuse

The grantee understands that OOG does not tolerate any type of fraud, waste, or misuse of funds received from OOG. OOG's policy is to promote consistent, legal, and ethical organizational behavior, by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, OOG policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. The grantee understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal and state grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

In the event grantee becomes aware of any allegation or a finding of fraud, waste, or misuse of funds received from OOG that is made against the grantee, the grantee is required to immediately notify OOG of said allegation or finding and to continue to inform OOG of the status of any such on-going investigations. The grantee must also promptly refer to OOG any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has -- (1) submitted a claim for award funds that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving award funds. Grantees must also immediately notify OOG in writing of any misappropriation of funds, fraud, theft, embezzlement, forgery, or any other serious irregularities indicating noncompliance with grant requirements. Grantees must notify the local prosecutor's office of any possible criminal violations. Grantees must immediately notify OOG in writing if a project or project personnel become involved in any litigation, whether civil or criminal, and the grantee must immediately forward a copy of any demand, notices, subpoenas, lawsuits, or indictments to OOG. If a federal or state court or administrative agency renders a judgement or order finding discrimination by a grantee based on race, color, national origin, sex, age, or handicap, the grantee agrees to immediately forward a copy of the judgement or order to OOG.

The grantee is expected to report any possible fraudulent or dishonest acts, waste, or abuse to OOG's Fraud Coordinator or Ethics Advisor at (512) 463-1788 or in writing to: Ethics Advisor, Office of the Governor, P.O. Box 12428, Austin, Texas 78711.

These provisions apply to all grantees and subgrantees or subcontractors.

1.10 Dispute resolution

The Parties' representatives will meet as needed to implement the terms of this Grant Agreement and will make a good faith attempt to informally resolve any disputes.

Notwithstanding any other provision of this Grant Agreement to the contrary, unless otherwise requested or approved in writing by OOG, the grantee shall continue performance and shall not be excused from performance during the period any breach of Grant Agreement claim or dispute is pending.

The laws of the State of Texas govern this Grant Agreement and all disputes arising out of or relating to this Grant Agreement, without regard to any otherwise applicable conflict of law rules or requirements.

Venue for any grantee-initiated action, suit, litigation or other proceeding arising out of or in any way relating to this Grant Agreement shall be commenced exclusively in the Travis County District Court or

the United States District Court, Western District of Texas - Austin Division. Venue for any OOG-initiated action, suit, litigation or other proceeding arising out of or in any way relating to this Grant Agreement may be commenced in a Texas state district court or a United States District Court selected by OOG in its sole discretion.

The grantee hereby irrevocably and unconditionally consents to the exclusive jurisdiction of the courts referenced above for the purpose of prosecuting and/or defending such litigation. The grantee hereby waives and agrees not to assert by way of motion, as a defense, or otherwise, in any suit, action or proceeding, any claim that the grantee is not personally subject to the jurisdiction of the above-named courts; the suit, action or proceeding is brought in an inconvenient forum; and/or the venue is improper.

1.11 Funds limited by agreement and subject to availability

The grantee agrees that nothing in this grant will be interpreted to create an obligation or liability of OOG in excess of the funds delineated in this grant. The grantee agrees that funding for this grant is subject to the actual receipt by OOG of grant funds (state and/or federal) appropriated to OOG for the grant program. The grantee agrees that the grant funds, if any, received from OOG may be limited by the term of each state biennium and by specific appropriation authority to and the spending authority of OOG for the purpose of this grant. The grantee agrees that notwithstanding any other provision of this grant, if OOG is not appropriated the funds or if OOG does not receive the appropriated funds for this grant program, or if the funds appropriated to OOG for this grant program are required to be reallocated to fund other federal or state programs or purposes, OOG is not liable to pay the grantee the maximum liability mount specified in the SOGA or any other remaining balance of unpaid funds. If OOG or the program fund becomes subject to legislative change, revocation of statutory authority, lack of appropriated funds, or unavailability of funds which would render performance under this grant agreement impossible, this grant agreement may be immediately terminated without recourse, liability, or penalty against OOG upon written notice to grantee.

1.12 Termination of the agreement

OOG may, at its sole discretion, terminate this Grant Agreement, without recourse, liability or penalty against OOG, upon thirty (30) calendar days' written notice to grantee. In the event grantee fails to perform or comply with an obligation or a term, condition or provision of this Grant Agreement, OOG may, upon written notice to grantee, terminate this agreement for cause, without further notice or opportunity to cure. Such notification of Termination for Cause will state the effective date of such termination, and if no effective date is specified, the effective date will be the date of the notification.

OOG and grantee may mutually agree to terminate this Grant Agreement. OOG in its sole discretion will determine if, as part of the agreed termination, grantee is required to return any or all of the disbursed grant funds.

Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law, or under this Grant Agreement. Following termination by OOG, grantee shall continue to be obligated to OOG for the return of grant funds in accordance with applicable provisions of this Grant Agreement. In the event of termination under this Section, OOG's obligation to reimburse grantee is limited to allowable costs incurred and paid by the grantee prior to the effective date of termination, and any allowable costs determined by OOG in its sole discretion to be reasonable and necessary to cost-effectively wind up the grant. Termination of this Grant Agreement for any reason or expiration of this Grant Agreement shall not release the Parties from any liability or obligation set forth in this Grant Agreement that is expressly stated to survive any such termination or expiration.

1.13 Communication with grantee

Notice may be given to the grantee via eGrants, email, hand-delivery, or United States Mail. Notices to the grantee will be sent to the name and address supplied by grantee in eGrants.

1.14 Limitation of liability

The grantee agrees to indemnify and hold harmless OOG, the State of Texas and its employees, agents, officers, representatives, contractors, and/or designees from any and all liability, actions, claims, demands or suits whatsoever, including any litigation costs, attorneys' fees, and expenses, relating to tax liability, unemployment insurance and/or workers' compensation in grantee's performance under this grant agreement. The grantee shall be liable to pay all costs of defense including attorneys' fees. The defense shall be coordinated by grantee with OOG and the Office of the Attorney General when OOG, the State of Texas or its employees, agents, officers, representatives, contractors and/or designees are named defendants in any lawsuit and grantee may not agree to any settlement without first obtaining the concurrence from OOG and the Office of the Attorney General. The grantee and OOG agree to furnish timely written notice to each other of any such claims.

The grantee further agrees to indemnify and hold harmless OOG, the State of Texas and its employees, agents, officers, representatives, contractors, and/or designees from any and all liability, actions, claims, demands, or suits, whatsoever, including any litigation costs, attorneys' fees, and expenses, that arise from any acts or omissions of grantee or any of its officers, employees, agents, contractors, and assignees, relating to this grant agreement regardless of whether the act or omission is related to this grant agreement. The defense shall be coordinated by grantee OOG and the Office of the Attorney General when OOG, the State of Texas or its employees, agents, officers, representatives, contractors and/or designees are named defendants in any lawsuit and grantee may not agree to any settlement without first obtaining the concurrence from OOG and the Office of the Attorney General. The grantee and OOG agree to furnish timely written notice to each other of any such claims.

The grantee agrees that no provision of this Grant Agreement is in any way intended to constitute a waiver by OOG, its officers, employees, agents, or contractors or the State of Texas of any privileges, rights, defenses, remedies, or immunities from suit and liability that OOG or the State of Texas may have by operation of law.

1.15 Liability for taxes

The grantee agrees and acknowledges that grantee shall be entirely responsible for the liability and payment of grantee's and grantee's employees' taxes of whatever kind, arising out of the performances in this Grant Agreement. The grantee agrees to comply with all state and federal laws applicable to any such persons, including laws regarding wages, taxes, insurance, and workers' compensation. OOG and/or the State of Texas shall not be liable to the grantee, its employees, agents, or others for the payment of taxes or the provision of unemployment insurance and/or workers' compensation or any benefit available to a state employee or employee of OOG.

1.16 Force majeure

Neither the grantee nor OOG shall be required to perform any obligation under this Grant Agreement or be liable or responsible for any loss or damage resulting from its failure to perform so long as performance is delayed by force majeure or acts of God, including but not limited to strikes, lockouts or labor shortages, embargo, riot, war, revolution, terrorism, rebellion, insurrection, flood, natural disaster, or interruption of utilities from external causes. Each Party must inform the other in writing, with proof

of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.

1.17 Debt to State

The grantee agrees, to the extent grantee owes any debt (child support or other obligation) or delinquent taxes to the State of Texas, any payments grantee is owed under this Grant Agreement may be applied by the Comptroller of Public Accounts toward any such debt or delinquent taxes until such debt or delinquent taxes are paid in full.

1.18 Grantee an independent contractor

The grantee expressly agrees that it is an independent contractor and under no circumstances shall any owner, incorporator, officer, director, employee, or volunteer of grantee be considered an employee, agent, servant, joint venturer, joint enterpriser or partner of OOG or the State of Texas. The grantee is not a “governmental body” solely by virtue of this Grant Agreement or receipt of grant funds under this Grant Agreement. All persons furnished, used, retained, or hired by or on behalf of the grantee or any of the grantee’s contractors shall be considered to be solely the employees or agents of the grantee or the grantee’s contractors. The grantee or grantee’s contractors shall be responsible for ensuring that any and all appropriate payments are made, such as unemployment, workers compensation, social security, any benefit available to a state employee as a state employee, and other payroll taxes for such persons, including any related assessments or contributions required by law. The grantee agrees to take such steps as may be necessary to ensure that each contractor of the grantee will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, joint enterpriser or partner of OOG or the State of Texas. The grantee is responsible for all types of claims whatsoever due to actions or performance under this Grant Agreement, including, but not limited to, the use of automobiles or other transportation, taken by its owners, incorporators, officers, directors, employees, volunteers or any third parties.

1.19 No assignment of rights or obligations

The grantee may not assign this Grant Agreement or any of its rights or obligations under this Grant Agreement to any third party or entity. Any attempted assignment without OOG's prior written consent is void and may result in the termination of this Grant Agreement.

1.20 Funds are for sole benefit of grantee

It is expressly agreed that any solicitation for or receipt of funds of any type by the grantee is for the sole benefit of the grantee and is not a solicitation for or receipt of funds on behalf of OOG or the Governor of the State of Texas.

The performance period for this Grant is listed on the Statement of Grant Award. All goods must be obligated and all services must be received within the performance period. OOG will not be obligated to reimburse expenses incurred after the performance period.

The grantees must take reasonable steps to commence project activities upon receiving notice of a grant award:

- **Commencement within 60 days.** If a project is not operational within 60 days of the original start date of the award period or grant award date as noted on this memorandum, whichever is

later, the grantee must report by letter to OOG the steps taken to initiate the project, the reasons for delay, and the expected revised start date.

- **Commencement within 90 days.** If a project is not operational within 90 days of the original start date of the award period or grant award date as noted on this memorandum, whichever is later, the grantee must submit a second statement to OOG explaining the implementation delay. Upon receipt of the 90-day letter, OOG may cancel the project and redistribute the funds to other project areas. OOG may also, where extenuating circumstances warrant, extend the implementation date of the project past the 90-day period.

1.22 Close out

OOG will close-out the grant award when it determines that all applicable administrative actions and all required work of the Grant have been completed by the grantee.

The grantee must submit all financial, performance, and other reports as required by the terms and conditions of the grant award. Submission of the final Financial Status Report will initiate grant close out with OOG.

The grantee must promptly refund any balances of unobligated cash that OOG paid in advance or paid and that are not authorized to be retained by the grantee for use in other projects.

4. Violence Against Women Act (VAWA) relevant statutory and regulatory requirements, including the Violence Against Women Act of 1994 (P.L., 103-322), the Violence Against Women Act of 2000 (P.L. 106-336), the Violence Against Women and Department of Justice Reauthorization Act of 2005 (P.L. 109-162), the Violence Against Women Reauthorization Act of 2013 (P.L. 113-4), the Office on Violence Against Women's (OVW) implementing regulations at 28 CFR Part 90, OVW's general terms and conditions available at <http://www.justice.gov/ovw/grantees> (these do not supersede any specific conditions in the grant agreement), and the financial and administrative requirements set forth in the current edition of the Office on Violence Against Women (OVW) Financial Grants Management Guide;
5. The provisions of the current edition of the Department of Justice Grants Financial Guide; and
6. All other applicable Federal laws, orders, circulars, or regulations.

1.24 Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 CFR Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 CFR Part 2800 (the "Part 200 Uniform Requirements") apply to any grants funded through Department of Justice awards made after their adoption by DOJ on December 26, 2014. They supersede, among other things, the provisions of 28 CFR Parts 66 and 70, as well as those of 2 CFR Parts 215, 220, 225, and 230. If any grant is funded through an earlier Department of Justice award supplemented by an award made after December 26, 2014, the Part 200 Uniform Requirements apply with respect to all award funds (whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of the supplemental award.

Potential availability of grace period for procurement standards: Under the Part 200 Uniform Requirements, a time-limited grace period may be available under certain circumstances to allow for transition from policies and procedures that complied with previous standards for procurements under federal awards to policies and procedures that comply with the new standards (that is, to those at 2 CFR 200.317 through 200.326).

For more information on the Part 200 Uniform Requirements, including information regarding the potentially-available grace period described above, see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

For grantees receiving a grant from a federal award whose effective date falls within a grantee's fiscal year that begins on or after December 26, 2014, that level is \$750,000. The audit must be completed and the data collection and reporting package described in described in 2 CFR 200.512 must be submitted to the Federal Audit Clearinghouse (FAC) within 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period, whichever is earlier.

The grantees who are not required to have an audit for the grantee's fiscal year in which the state or federal awards were made or expended, shall so certify in writing to OOG. The grantee's chief executive officer or chief financial officer shall make the certification within 60 days of the end of the grantee's fiscal year.

3.3 Cooperation with monitoring, audits, and records requirements

In addition to and without limitation on the other audit provisions of this Grant Agreement, pursuant to Section 2262.154 of the Texas Government Code, the State Auditor's Office or successor agency, may conduct an audit or investigation of the grantee or any other entity or person receiving funds from the State directly under this Grant Agreement or indirectly through a subcontract under this Grant Agreement. The acceptance of funds by the grantee or any other entity or person directly under this Grant Agreement or indirectly through a subcontract under this Grant Agreement acts as acceptance of the authority of the State Auditor's Office, under the direction of the Legislative Audit Committee, to conduct an audit or investigation in connection with those funds. Under the direction of the Legislative Audit Committee, the grantee or another entity that is the subject of an audit or investigation by the State Auditor's Office shall provide the State Auditor's Office with prompt access to any information the State Auditor's Office considers relevant to the investigation or audit. The grantee further agrees to cooperate fully with the State Auditor's Office in the conduct of the audit or investigation, including providing all records requested. The grantee shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the grantee and the requirement to cooperate is included in any subcontract it awards. The State Auditor's Office shall at any time have access to and the right to examine, audit, excerpt, and transcribe any pertinent books, documents, working papers, and records of the grantee related to this Grant Agreement. This Grant Agreement may be amended

unilaterally by OOG to comply with any rules and procedures of the State Auditor's Office in the implementation and enforcement Section 2262.154 of the Texas Government Code.

1. The grantee agrees to comply with the grant monitoring guidelines, protocols, and procedures established by OOG and any federal funding agency, and to cooperate with OOG and any relevant federal agency generally, including on any compliance review or complaint investigation conducted by the Federal sponsoring agency or OOG and on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits.
2. The grantee shall maintain adequate records that enable OOG and any relevant federal agency to complete monitoring tasks, including to verify all reporting measures, requests for reimbursements, and expenditure of match funds related to this Grant Agreement. The grantee shall maintain such records as are deemed necessary by OOG, the State Auditor's Office, other auditors of the State of Texas, the federal government or such other persons or entities designated or authorized by OOG to ensure proper accounting for all costs and performances related to this Grant Agreement.
3. OOG may request documented proof of payment. Acceptable proof of payment includes, but is not necessarily limited to, a receipt or other documentation of a paid invoice, a general ledger detailing the specific revenue and expenditures, a monthly bank statement evidencing payment of the specific expenditure, bank reconciliation detail, copies of processed checks, or a printed copy of an electronic payment confirmation evidencing payment of the specific expenditure to which the reimbursement relates.
4. The grantee authorizes OOG, the State Auditor's Office, the Comptroller General, and any relevant federal agency, and their representatives, the right to audit, examine, and copy all paper and electronic records, books, documents, accounting procedures, practices, and any other requested records, in any form; relevant to the grant, the operation and management of the grantee, and compliance with this grant agreement and applicable state or federal laws and regulations; and will make them readily available upon request. The grantee will similarly permit access to facilities, personnel, and other individuals and information as may be necessary.
5. If requested, the grantee shall submit to OOG a copy of its most recent independent financial audit. If requested, the grantee shall submit to OOG any audited financial statements, related management letters and management responses of grantee, and financial audit documents or portions thereof that are directly related to the grantee's performance of its obligations under this Grant Agreement.
6. OOG may make unannounced monitoring visits at any time but will, whenever practical as determined at the sole discretion of OOG, provide the grantee with up to five (5) business days advance notice of any such examination or audit. Any audit of records shall be conducted at the grantee's principal place of business and/or the location(s) of the grantee's operations during the grantee's normal business hours. The grantee shall provide to OOG or its designees, on the grantee's premises (or if the audit is being performed of a subcontractor, the subcontractor's premises if necessary) private space, office furnishings (including lockable cabinets), telephone services and Internet connectivity, utilities, and office-related equipment and duplicating services as OOG or its designees may reasonably require to perform the audits described in this Grant Agreement.
7. In addition to the information contained in the required reports, other information may be required as requested by OOG, including OOG asking for more information regarding project performance or funds expenditures. In the event OOG requires additional information regarding the information or

data submitted, the grantee will promptly provide the additional information. The grantee also agrees to assist OOG in responding to questions and assisting in providing information responsive to any audit, legislative request, or other inquiry regarding the grant award. Upon the request of OOG, the grantee must submit to OOG any additional documentation or explanation OOG may desire to support or document the requested payment or report submitted under this Grant Agreement.

8. If after a written request by OOG or a relevant federal agency, the grantee fails to provide required reports, information, documentation, or other information within reasonable deadlines set by OOG or the relevant federal agency, as required by this Grant Agreement, or fails to fulfil any requirement in this section, then OOG may consider this act a possible default under this Grant Agreement, and the grantee may be subject to sanctions including but not limited to, withholdings and/or other restrictions on the recipient's access to grant funds; referral to relevant agencies for audit review; designation of the recipient as a high-risk grantee; or termination of awards.
9. The grantee agrees to hold any subcontractors or subgrantees to the provisions of this section and to require and maintain the documentation necessary to complete monitoring tasks performed by any subcontractor or subgrantee. The grantee shall ensure that this section concerning the authority to audit funds received indirectly by subcontractors through grantee and the requirement to cooperate is included in any subcontract it awards related to this grant. The grantee will direct any other entity, person, or contractor receiving funds directly under this Grant Agreement or through a subcontract under this Grant Agreement to likewise permit access to, inspection of, and reproduction of all books, records, and other relevant information of the entity, person, or contractor that pertain to this Grant Agreement.

3.4 Requirement to address audit findings

If any audit, financial or programmatic monitoring, investigations, review of awards, or other compliance review reveals any discrepancies, inadequacies, or deficiencies which are necessary to correct in order to maintain compliance with this Grant Agreement, applicable laws, regulations, or the grantee's obligations hereunder, the grantee agrees to propose and submit to OOG a corrective action plan to correct such discrepancies or inadequacies within thirty (30) calendar days after the grantee's receipt of the findings. The grantee's corrective action plan is subject to the approval of OOG.

OOG, at its sole discretion, may impose remedies as part of a corrective action plan, including, but not limited to: increasing monitoring visits; requiring that additional or more detailed financial and/or programmatic reports be submitted; requiring prior approval for expenditures; requiring additional technical or management assistance and/or making modifications in business practices; reducing the grant award amount; and/or terminating this Grant Agreement. The foregoing are not exclusive remedies, and OOG may impose other requirements that OOG determines will be in the best interest of the State.

The grantee understands and agrees that the grantee must make every effort to address and resolve all outstanding issues, findings, or actions identified by OOG (and/or, in the case of federally funded grant, a relevant federal agency) through the corrective action plan or any other corrective plan. Failure to promptly and adequately address these findings may result in grant funds being withheld, other related requirements being imposed, or other sanctions and penalties. The grantee agrees to complete any corrective action approved by OOG within the time period specified by OOG and to the satisfaction of OOG, at the sole cost of the grantee. The grantee shall provide to OOG periodic status reports regarding the grantee's resolution of any audit, corrective action plan, or other compliance activity for which the grantee is responsible.

3.5 Records retention

The grantee shall maintain appropriate audit trails to provide accountability for all expenditures of grant funds, reporting measures, and funds received from OOG under this Grant Agreement. Audit trails maintained by the grantee will, at a minimum, identify the supporting documentation prepared by the grantee to permit an audit of its accounting systems and payment verification with respect to the expenditure of any funds awarded under this Grant Agreement. The grantee's automated systems, if any, must provide the means whereby authorized personnel have the ability to audit and to verify performance and to establish individual accountability for any action that can potentially cause access to, generation of, or modification of payment information.

The grantee must maintain fiscal records and supporting documentation for all expenditures resulting from this Grant Agreement pursuant to 2 CFR 200.333, UGMS, and state law.

1. The grantee must retain these records and any supporting documentation for a minimum of three (3) years from the later of the completion of this project's public objective, submission of the final expenditure report, any litigation, dispute, or audit.
2. Records related to real property and equipment acquired with grant funds shall be retained for three (3) years after final disposition.
3. For all training and exercises paid for by this Grant, grantee must complete, deliver to the appropriate source, and then retain copies of all after-action reports and certificates of training completion for the time period specified in this Section.
4. OOG or Federal Funding Agency may direct a grantee to retain documents for longer periods of time or to transfer certain records OOG or federal custody when OOG or Federal Funding Agency determines that the records possess long term retention value.
5. The grantee must give the Federal Funding Agency, the Comptroller General of the United States, the Texas State Auditor's Office, OOG, or any of their duly authorized representatives, access to and the right to examine all books, accounts, records, reports, files, other papers, things or property belonging to or in use by grantee pertaining to this Grant including records concerning the past use of grant funds. Such rights to access shall continue as long as the records are maintained.
6. The grantee must include the substance of this Section in all subcontracts.

In the event any federal or state court or federal or state administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin (including limited English proficiency), sex, age, disability, or familial status against the grantee, or the grantee settles a case or matter alleging such discrimination, the grantee must forward a copy of the complaint and findings to OOG and, as applicable, the Office of Justice Programs Office for Civil Rights (OCR), or the DHS awarding office and the DHS Office of Civil Rights and Civil Liberties.

4.2 Limited English Proficiency

The grantee will comply with Title IV of the Civil Rights Act of 1964, which prohibits grantees from discriminating on the basis of national origin in the delivery of services or benefits, entails taking

reasonable steps to ensure that persons with limited English proficiency (LEP) have meaningful access to funded programs or activities. An LEP person is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. Meaningful access may entail providing language assistance services, including oral interpretation and written translation, where necessary. In order to facilitate compliance with Title VI, grantees are encouraged to consider the need for language services for LEP persons served or encountered in developing program budgets.

The grantees of DOJ funds (via CJD grants) should be aware that similar requirements are found in the Omnibus Crime Control and Safe Streets Act of 1968 and may apply to them. More information can be found in the DOJ guidance document available on <http://www.LEP.gov>.

The grantees of DHS funds (via HSGD grants) should see the April 2011, DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 76 Fed. Reg. 21755-21768, (April 18, 2011). The Guidance provides helpful information such as how a grantee can determine the extent of its obligation to provide language services; selecting language services; and elements of an effective plan on language assistance for LEP persons. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance <https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-access-people-limited> and additional resources on <http://www.lep.gov>.

For all applicable CJD grantees

4.3 Explanatory note on the treatment of Faith-Based Organizations for CJD grantees of federal funds:

In 2002, President George W. Bush issued Executive Order 13279 and in 2004, DOJ issued the regulation, Equal Treatment for Faith-Based Organizations, 28 CFR Part 38. In general, the Executive Order and regulation require funding organizations to treat faith-based organizations (FBOs) the same as any other applicant or recipient of DOJ funding, neither favoring nor discriminating against FBOs in making and administering grant awards, and require that FBOs be allowed to retain their independence, autonomy, expression, and religious character when competing for DOJ financial assistance used to support social service programs and participating in the social service programs supported with DOJ financial assistance.

The Executive Order and regulation also prohibit recipient FBOs from using Justice Department funding to engage in inherently religious activities, such as proselytizing, scripture study, or worship. Funded FBOs may, of course, engage in inherently religious activities; however, these activities must be separate in time or location from the federally assisted program. Moreover, funded FBOs must not compel program beneficiaries to participate in inherently religious activities. Funded faith-based organizations must also not discriminate on the basis of religion in the delivery of services or benefits.

Some program statutes, including the Omnibus Crime Control and Safe Streets Act of 1968, the Victims of Crime Act, and the Juvenile Justice and Delinquency Prevention Act, contain express nondiscrimination provisions that prohibit all recipients of funding under these statutes from discriminating on the basis of religion in employment. Despite these nondiscrimination provisions, the Justice Department has concluded that the Religious Freedom Restoration Act (RFRA) is reasonably construed, on a case-by-case basis, to require that its funding agencies permit FBOs applying for funding under the applicable program statutes both to receive DOJ funds and to continue considering religion when hiring staff, even if the statute that authorizes the funding program generally forbids considering of religion in employment decisions by grantees.

If the statute that authorizes a DOJ funding program generally forbids consideration of religion in employment decisions by grantees, an FBO may receive DOJ funds and continue to consider religion when hiring staff if it meets the following criteria:

1. The FBO demonstrates that its program for which it seeks federal funding is an exercise of religion;
2. The FBO demonstrates that requiring it to either forgo its religious preference in hiring or forgo the federal funding would substantially burden its exercise of religion; and
3. The funding entity is unable to demonstrate that applying the nondiscrimination provision to this FBO would both further a compelling government interest and be the least restrictive means of furthering this interest.

The OJP and state administering agencies will grant exemptions to the prohibition against hiring discrimination on the basis of religion in the program statutes on a case-by-case basis to FBOs that certify to the following, unless there is good reason to question its truthfulness:

1. The FBO will offer all federally-funded services to all qualified beneficiaries without regard for the religious or non-religious beliefs of those individuals; and
2. Any activities of the FBO that contain inherently religious content will be kept separate in time or location from any services supported by direct federal funding, and if provided under such conditions, will be offered only on a voluntary basis; and
3. The FBO is a religious organization that sincerely believes that providing the services in question is an expression of its religious beliefs; that employing individuals of particular religious belief is important to its religious exercise; and that having to abandon its religious hiring practice to receive federal funding would substantially burden its religious exercise.

FBOs that are seeking federal financial assistance under the Safe Streets Act, VOCA, and Juvenile Justice and Delinquency Prevention Act as well as an exemption to their prohibition against religious discrimination in hiring, must complete and retain an original, signed document for their records (see Certificate of Exemption for Hiring Practices on the Basis of Religion), certifying to the three provisions set forth above, and then, must submit a copy of the signed Certificate of Exemption to the DOJ through the Grants Management System, after receipt of an award. For more information, please consult the Office for Civil Rights.

4.4 Special Civil Rights provision for all CJD grantees of federal funds

OJP recipients may not discriminate on the basis of age in the delivery of services or benefits; award funds may also not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.

4.5 Special Civil Rights provisions for grantees of VAWA and SASP funds

For grantees of funds from the federal Office on Violence Against Women (grant programs include: Sexual Assault Service Program - SASP and Violence Against Women Act - VAWA):

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all OVW grants issued in FY 2014 or after. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identify, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. The grantee acknowledges that it will comply with this provision.

4.6 Equal Employment Opportunity Plan

All recipients of Department of Justice grants must either 1) develop and file an Equal Employment Opportunity Plan (EEOP) with the Department of Justice; OR 2) file a certification of exemption from EEOP requirements, if eligible. The Department of Justice released a new EEOP Certification Form in late 2015. Every recipient of a federal grant must now complete an EEOP Certification Form, even those that are exempt from filing an EEOP.

If a grantee is required to submit an EEOP, that grantee must also file a Certification Form declaring that submission. The grantee must keep a copy of both the EEOP and the Certification Form on-file and available at any time upon request from CJD. If a grantee is claiming an exemption from filing an EEOP, that grantee must complete the federal Certification Form for that exemption in order to be eligible for federal funds. Grantees must keep a copy of the Certification Form on-file and available at any time upon request from CJD.

EEOP guidance and the Certification Form for both filers and those claiming an exemption is available at: <http://ojp.gov/about/ocr/eeop.htm>.

The grantee acknowledges that failure to submit an acceptable EEOP (if recipient is required to submit one), that is approved by the Office for Civil Rights, is a violation of the Grant Agreement and may result in suspension or termination of funding, until such time as the recipient is in compliance.

For all applicable HSGD grantees

4.7 Reporting accusations of discrimination

If, during the past three years, the recipient has been accused of discrimination on the grounds of race, color, national origin (including limited English proficiency), sex, age, disability, religion, or familial status, the recipient must provide a list of all such proceedings, pending or completed, including outcome and copies of settlement agreements to the DHS financial assistance office and the DHS Office of Civil Rights and Civil Liberties (CRCL) by e-mail at crcl@hq.dhs.gov or by mail at U.S. Department of Homeland Security Office for Civil Rights and Civil Liberties Building 410, Mail Stop #0190 Washington, D.C. 20528.

4.8 Equal Opportunity Clause

The grantee will comply with the requirement that except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

5. Personnel

For all applicable OOG grantees

5.1 Overtime

Overtime is allowable to the extent that it is included in OOG-approved budget, the grantee agency has an overtime policy approved by its governing body, and both grant-funded and non-grant funded personnel are treated the same with regards to the application of overtime policy(ies). In addition, in no case is dual compensation allowable. That is, an employee of a grantee agency may not receive compensation for hours worked (including paid leave) from his/her agency AND from an award for a

single period of time, even though such work may benefit both activities. Overtime payments issued outside of these guidelines are the responsibility of the grantee agency.

5.2 Notification of grant-contingent employees

Staff whose salaries are supported by this award must be made aware that continued funding is contingent upon the availability of appropriated funds as well as the outcome of the annual application review conducted by OOG.

5.3 Minimum wage and maximum hours

The grantees will comply with the minimum wage and maximum hours provisions of the Federal Fair Labor Standards Act and the Intergovernmental Personnel Act of 1970, as applicable.

For all applicable CJD grantees

With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this award may be waived on an individual basis at the discretion of CJD and its federal funding agency.

For all applicable HSGD grantees

5.5 Personnel cost limits

Up to fifty percent (50%) of all federal Homeland Security Grant Program (HSGP) awards may be used for personnel and personnel-related activities as directed by the Personnel Reimbursement for Intelligence Cooperation and Enhancement (PRICE) of Homeland Security Act (Public Law 110-412). In general, use of HSGP funding to pay for staff and/or contractor regular time or overtime/backfill, among other items, are considered personnel-related costs. Subrecipients may request a waiver to the 50% personnel cap by submitting a waiver request through its respective regional council or urban area working group to HSGD at eGrants@gov.texas.gov. Requests for waivers shall be submitted on official grantee letterhead and be signed by the grantee's authorized official. The foregoing is not intended to contravene requirements applicable to Standard Form 312 (which relates 10 classified information), Form 4414 (which relates to sensitive compartmented information), or

any other form issued by a federal department or agency governing the nondisclosure of classified information.

The grantee shall establish a method to secure the confidentiality of any records related to the grant program that are required to be kept confidential by applicable federal or state law or rules. This provision shall not be construed as limiting OOG's access to such records and other information under any provision of this Grant Agreement.

Merely making a blanket claim that the all documents are protected from disclosure because they may contain some proprietary or confidential information may not render the whole of the information confidential. Any information which is not clearly identified as proprietary or confidential is subject to release in accordance with the Act. OOG agrees to notify the grantee in writing within a reasonable time from receipt of a request for information covering the grantee's Confidential Information. OOG will make a determination whether to submit a Public Information Act request to the Attorney General.

The grantee agrees to maintain the confidentiality of information received from OOG or State of Texas during the performance of this Grant Agreement, including information which discloses confidential personal information particularly, but not limited to, personally identifying information, personal financial information and social security numbers.

For all applicable CJD grantees

9.9 Compliance with the Code of Federal Regulations

The grantee will comply with the provisions of 2 CFR 200 and 28 CFR applicable to grants and cooperative agreements including Part 18, Administrative Review Procedure; Part 20, Criminal Justice Information Systems; Part 22, Confidentiality of Identifiable Research and Statistical Information; Part 23, Criminal Intelligence Systems Operating Policies; Part 30, Intergovernmental Review of Department of Justice Programs and Activities; Part 42, Nondiscrimination/ Equal Employment Opportunity Policies and Procedures; Part 61, Procedures for Implementing the National Environmental Policy Act; Part 63, Floodplain Management and Wetland Protection Procedures; and Federal laws or regulations applicable to Federal Assistance Programs.

9.10 Special National Environmental Policy Act requirements for grantees of federal funds

All OJP awards are subject to the National Environmental Policy Act (NEPA) and other related Federal laws, if applicable. DOJ has established procedures to implement NEPA. (See 28 CFR Part 61.) The regulations state that "all federal agencies are required to give appropriate consideration to the environmental effects of their proposed actions in their decision-making and to prepare detailed environmental statements on... major federal actions significantly affecting the quality of the human environment." (28 CFR section 61.2.) Under the regulations, DOJ, among other things, is required to "[c]onsider from the earliest possible point in the process all relevant environmental documents in evaluating proposals for Department action[.]" (28 CFR Section 61.6.) OJP has responsibility to ensure compliance with NEPA and 28 CFR Part 61, including Appendix D. For many projects that are funded by OJP, NEPA may have no applicability. However, if OJP funds will be used, for example, to pay for renovation projects or new construction, programs involving the use of chemicals, or any other activity, including research and technology development, that may have an effect on the environment, at a minimum, the funding recipient must provide a full description of proposed project activities to OOG, and an Environmental Assessment must be prepared. Prior to allowing a recipient to spend OJP funds for such a project, OOG must make a finding that the project does not significantly affect the human environment and that further environmental assessment is not necessary.

For any of the grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from OOG, agrees to cooperate with OOG in any preparation by DOJ of a national or program environmental assessment of that funded program or activity.

Modifications: Throughout the term of this award, the recipient agrees that for any activity that is the subject of a completed Environmental Assessment, it will inform OOG of: (1) any change(s) that it is considering making to the previously assessed activity that may be relevant to environmental impact; or (2) any proposed new activities or changed circumstances that may require assessment as to environmental impact, such as new activities that involve the use of chemicals or involve construction or major renovation. The recipient will not implement a proposed change or new activity until OOG, with the assistance of the recipient, has determined whether the proposed change or activity (or changed circumstances) will require additional review under NEPA. Approval for implementation will not be unreasonably withheld as long as any requested modification(s) is consistent with eligible program

purposes and found acceptable under an OOG-conducted environmental impact review process.

9.11 Special requirements for grantees of VAWA funds

With respect to the VAWA requirement concerning judicial notification, a state or territory must certify: that its judicial administrative policies and practices include notification to domestic violence offenders of the requirements delineated in section 922(g)(8) and (g)(9) of Title 18 of the United States Code, and any applicable related federal, state, or local laws.

The grantee understands and agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on recipient's funds for noncompliance with any of the requirements of 42 USC 379699-4 (regarding rape exam payments), 42 USC 3796e5-4(e) (regarding judicial notification), 42 U.S.C. 379699-5 (regarding certain fees and costs), and 42 USC 379699-8 (regarding polygraphing of sexual assault victims). Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

9.12 Special information for grantees of federal funds

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department of Justice encourages grantees and subgrantees or contractors to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

For all applicable HSGD grantees

9.13 Environmental and historic preservation review

The grantee must assess federally funded projects for potential impact to environmental resources and historic properties and submit any required screening form(s) as soon as possible within the deadlines established by HSGD. Timelines for the Environmental Planning and Historic Preservation (EHP) review process will vary based upon the complexity of the project and the potential for environmental or historical impact. Grantees must include sufficient review time to comply with EHP requirements. Initiation of any activity prior to completion of FEMA's EHP review will result in a non-compliance finding and HSGD will not authorize or release grant funds for non-compliant projects.

As soon as possible upon receiving this Grant, the grantee must provide information to HSGD to assist with the legally-required EHP review and to ensure compliance with applicable EHP laws and Executive Orders (EO) currently using the FEMA EHP Screening Form OMB Number 1660-0115/FEMA Form 024-0-01 and submitting it, with all supporting documentation, to HSGD for review. These EHP requirements include but are not limited to the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, EO 11988 – Floodplain Management, EO 11990 – Protection of Wetlands, and EO 12898 – Environmental Justice. Grantees must comply with all Federal, State, and local EHP requirements and obtain applicable permits and clearances. See FEMA Information Bulletin 329.

The grantee shall not undertake any activity from the project that would result in ground disturbance, facility modification, or purchase and use of sonar equipment without the prior approval of FEMA. These

include but are not limited to communications towers, physical security enhancements involving ground disturbance, new construction, and modifications to buildings. Grantees must comply with all mitigation or treatment measures required for the project as the result of FEMA's EHP review. Any changes to an approved project description will require re-evaluation for compliance with EHP requirements before the project can proceed. Grantees must ensure monitoring of ground disturbance and if any potential archeological resources are discovered the grantee must immediately cease construction in that area and notify FEMA and the appropriate State Historical Preservation Office.

9.14 National Incident Management System (NIMS)

During the performance period of this Grant, the grantee must implement the NIMS in a manner consistent with the NIMS Implementation Objectives outlined by FEMA at <http://www.fema.gov/national-incident-management-system>.

10. Eligible, Prohibited, and Regulated Activities

For all applicable OOG grantees

10.1 Inherently religious activities

A grantee may not use grant funding to engage in inherently religious activities, such as proselytizing, scripture study, or worship. Grantees may, of course, engage in inherently religious activities; however, these activities must be separate in time or location from the federally assisted program. Moreover, grantees must not compel program beneficiaries to participate in inherently religious activities. Grantees must also not discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief in the delivery of services or benefits funded by the grant. These requirements apply to all grantees, not just faith-based organizations.

10.2 Political activities

Grant funds may not be used in connection with the following acts by agencies or individuals employed by grant funds:

1. Unless specifically authorized to do so by federal law, grant recipients or their subgrantees or contractors are prohibited from using grant funds directly or indirectly for political purposes, including lobbying or advocating for legislative programs or changes; campaigning for, endorsing, contributing to, or otherwise supporting political candidates or parties; and voter registration or get-out-the-vote campaigns. Generally, organizations or entities which receive federal funds by way of grants, contracts, or cooperative agreements do not lose their rights as organizations to use their own, private, non-federal resources for "political" activities because of or as a consequence of receiving such federal funds. These recipient organizations must thus use private or other non-federal money, receipts, contributions, or dues for their political activities, and may not charge off to or be reimbursed from federal contracts or grants for the costs of such activities.
2. Grant officials or grant funded employees may not use official authority or influence or permit the use of a program administered by the grantee agency of which the person is an officer or employee to interfere with or affect the result of an election or nomination of a candidate or to achieve any other political purpose.
3. Grant-funded employees may not coerce, attempt to coerce, command, restrict, attempt to restrict, or prevent the payment, loan, or contribution of anything of value to a person or political organization for a political purpose.

4. Grant funds will not be used, either directly or indirectly, in support of the enactment, repeal, modification, or adoption of any law, regulation or policy, at any level of government, without the express prior approval of OOG and applicable federal funding agencies. If any non-grant funds have been or will be used in support of the enactment, repeal, modification, or adoption of any law, regulation or policy, at any level of government, it will notify OOG to obtain the appropriate disclosure form.
5. Grant funds may not be used to employ, as a regular full-time or part-time or contract employee, a person who is required by Chapter 305 of the Government Code to register as a lobbyist. Furthermore, grant funds may not be used to pay, on behalf of the agency or an officer or employee of the agency, membership dues to an organization that pays part or all of the salary of a person who is required by Chapter 305 of the Government Code to register as a lobbyist.
6. State and local government employees of grantees whose principal employment activities are funded in whole or in part with Federal funds must comply with the federal Hatch Act (5 USC §§ 1501- 1508) which restricts the political activity of employees who work in connection with federally funded programs. Covered employees may not: 1) use their official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office; or 2) directly or indirectly coerce, attempt to coerce, command, or advise a State or local officer or employee to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political purposes. State and local government employees of grantees whose salaries are funded completely, directly or indirectly, by federal funds may not be candidates for public office in a partisan election.
7. Grant funds – whether expended by the grantee or by any subgrantee or subcontractor – will not be used for political polling. This prohibition regarding political polling does not apply to a poll conducted by an academic institution as a part of the institution's academic mission that is not conducted for the benefit of a particular candidate or party.
8. As applicable, the grantee will comply with 31 USC § 1352, which provides that none of the funds provided under an award may be expended by the grantee to pay any person to influence, or attempt to influence an officer or employee of any agency, a Member of Congress, an officer of employee of Congress, or an employee of a Member of Congress in connection with any Federal action concerning the award or renewal.
9. Grant funds will not be used for any lobbying costs prohibited by 2 CFR 200.450.

The grantee will include the language of this section in the award documents for all subawards at all tiers and will require all sub-recipients to certify accordingly.

For all applicable CJD grantees

10.3 Protection of human subjects

If the grantee uses grant funds to undertake research involving human subjects, the grantee may be subject to Department of Justice (DOJ) Office of Justice Programs (OJP) policies and requirements adopted by CJD related to human subjects found in 28 CFR Part 46. OJP has developed a decision tree to assist applicants in determining whether an activity they plan to undertake with grant funds constitutes research involving human subjects. DOJ and CJD regulations protect the human subjects of grant-funded research. In brief, 28 CFR Part 46 requires that most research involving human subjects that is conducted or supported by a Federal department or agency - and CJD by adoption – be reviewed and approved by an Institutional Review Board (IRB), in accordance with the regulations, before funds are expended for that research. As a rule, persons who participate in grant-funded research must provide

their “informed consent” and must be permitted to terminate their participation at any time. Funding recipients, before they will be allowed to spend OJP or CJD funds on any research activity involving human subjects, must submit appropriate documentation to CJD showing compliance with 28 CFR Part 46 requirements. General Information regarding data confidentiality and Protection of Human Research Subjects (and Model Privacy Certificate and other forms) can be found at: <http://ojp.gov/funding/forms.htm>.

For grantees receiving funds under programs administered by other Department of Justice Offices, including the Office of Justice Programs, see the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://www.ojp.usdoj.gov/funding/ojptrainingguidingprinciples.htm>.

10.5 Special victim safety requirements for grantees of VAWA and SASP funds

The grantee agrees that grant funds will not support activities that compromise victim safety and recovery, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; pre-trial diversion program not approved by OVW or the placement of offenders in such programs; mediation, couples counseling, family counseling or any other manner of joint victim-offender counseling; mandatory counseling for victims, penalizing victims who refuse to testify, or promoting procedures that would require victims to seek legal sanctions against their abusers (e.g., seek a protection order, file formal complaint); the placement of perpetrators in anger management programs; or any other activities outlined in the solicitation under which the approved application was submitted.

10.6 Special victim’s assistance guidelines for grantees of VOCA funds

11.5 Food, beverage, and conference expenses

CJD does not generally allow grant funds to be used on non-emergency food, meals, beverages or other refreshments, such as those that might be provided at conferences. If the grantee uses grant funds for other expenses related to conferences (e.g. planners and audio/visual expenses), the grantee agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, trainings, and other events), including the costs of attendance at such events. More detailed policies and guidance can be found in the DOJ Office of Justice Programs 2015 Financial Guide, available at <http://ojp.gov/financialguide/DOJ/>. Note that CJD policies are more restrictive than federal guidance, and apply to all grant funds administered by CJD.

13.6 Information sharing

Law enforcement information-sharing system projects: employing existing networks – If a grantee uses JAG funds for law enforcement information-sharing systems that involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the grantee can demonstrate to the satisfaction of CJD and its federal funding agency that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system. The purpose of this requirement is to avoid duplicating similar, exiting networks or IT systems in other initiatives funded by federal grants.

13.7 Special information technology requirements for grantees of JAG funds

State Information Technology Point of Contact: If a grantee uses JAG funds on a technology project, the grantee must notify the State Information Technology Point of Contact of any information technology projects funded by this grant. To reach the Texas Point of Contact at the Department of Public Safety, call 512-424-2524.

Online training required for task force members: If a grantee uses JAG funds to fund any member of a law enforcement task force, the grantee agrees that within 120 days of award acceptance, each current member of the task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (<http://www.ctfli.org>). This training addresses task force effectiveness as well as other key force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's website and the Center for Task Force Integrity and Leadership.

For all applicable HSGD grantees

13.8 National Information Exchange Model

For all applicable CJD grantees

14.2 Special evidence and data requirements for CJD grantees of federal funds

OJP strongly emphasizes the use of data and evidence in policy making and program development in criminal justice, juvenile justice, and crime victim services. OJP is committed to:

1. Improving the quantity and quality of evidence OJP generates;
2. Integrating evidence into program, practice, and policy decisions within OJP and the field; and
3. Improving the translation of evidence into practice.

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence, generally obtaining through one or more outcome evaluations. Causal intended outcome, including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible, alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based. OJP's <http://www.CrimeSolutions.gov> website is one resource that applicants may use to find information about evidence-based programs in criminal justice, juvenile justice, and crime victim services.

15. Financial Requirements

For all applicable OOG grantees

15.1 Financial Status Reports

Financial Status Reports must be submitted to OOG via eGrants. Unless otherwise specified by OOG, Reports may be submitted monthly but must be submitted at least quarterly. Reports are due after each calendar quarter regardless of when the grant was awarded. Due dates are:

2. July 22 (April-June quarter)
3. October 22 (July-September quarter)
4. January 22 (October-December quarter)

A grant liquidation date will be established in eGrants. The final Financial Status Report must be submitted to CJD on or before the liquidation date or the grant funds may lapse and OOG will provide them as grants to others who need the funding. Payments will be generated based on expenditures reported in the reports. Upon OOG approval of the report, OOG will issue a payment through direct deposit or electronic transfer.

15.2 Approval of Financial Status Report

Grant payments will be generated based on expenditures as reported in the Financial Status Reports in eGrants or, if authorized by OOG, through Advance Payment Requests. Upon OOG approval of a Financial Status Report or Advance Payment Request, a payment will issue through direct deposit or electronic transfer, though additional documentation may be required and this statement does not override other rules, laws or, requirements. It is the policy of OOG to make prompt payment on the approval of a properly prepared and submitted Financial Status Report and any other required documentation.

15.3 Reimbursements

OOG will be obligated to reimburse the grantee for the expenditure of actual and allowable allocable costs incurred and paid by the grantee pursuant to this Grant Agreement. Each item of expenditure shall be specifically attributed to the eligible cost category as identified in the Grant Budget. The Grant Budget is established as provided in eGrants and is the approved budget for the planned expenditure of awarded grant funds, with expenditures identified by approved cost category. OOG is not obligated to pay unauthorized costs or to reimburse expenses that were incurred by the grantee prior to the commencement or after the termination of this Grant Agreement.

By submission of a Financial Status Report, the grantee is warranting the following: (1) all invoices have been carefully reviewed to ensure that all invoiced services or goods have been performed or delivered; (2) that the services or goods have been performed or delivered in compliance with all terms of this Grant Agreement; (3) that the amount of each new Financial Status Report added together with all previous Financial Status Reports do not exceed the Maximum Liability of OOG; and (5) the charges and expenses shown on the Request for Reimbursement are reasonable and necessary.

15.4 Generally Accepted Accounting Principles

The grantee shall adhere to Generally Accepted Accounting Principles (GAAP) promulgated by the American Institute of Certified Public Accountants, unless other recognized accounting principles are required by the grantee. The grantee shall follow OOG fiscal management policies and procedures in processing and submitting requests for reimbursement and maintaining financial records related to this Grant Agreement.

15.5 Program income

"Program income" means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. Unless otherwise required under the terms of this Grant Agreement, any program income shall be used by the grantee to further the program objectives of the project or activity funded by this grant, and the program income shall be spent on the same project or activity in which it was generated. Program income shall be used to offset the grant award. The grantee shall identify and report this income in accordance with OOG's reporting instructions. The grantee shall expend program income during the term of this Grant Agreement; program income not expended during the term of this Grant Agreement shall be refunded to OOG.

15.6 Refunds and deductions

If OOG determines that the grantee has been overpaid any grant funds under this Grant Agreement, including payments made inadvertently or payments made but later determined to not be actual and allowable allocable costs, the grantee shall return to OOG the amount identified by OOG as an overpayment. The grantee shall refund any overpayment to OOG within thirty (30) calendar days of the

receipt of the notice of the overpayment from OOG unless an alternate payment plan is specified by OOG.

15.7 Indirect costs

If indirect costs are allowable under an award, the Indirect Cost Budget Category will be available on the Budget tab. With the exception of grantees of federal awards who have never received a negotiated indirect cost rate as described in 2 CFR § 200.414(f), grantees choosing to apply indirect costs to the award must have an approved indirect cost rate agreement with their cognizant agency. A copy of the approval letter from the cognizant agency must be uploaded to the grant application for the grantee to be eligible for the indirect cost rate for the associated award.

In accordance with 2 CFR § 200.414(f), grantees of federal funds that have never received a negotiated indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely. A grantee that is eligible to use the de minimis indirect cost rate, and that elects to use the de minimis indirect cost rate, must advise OOG in writing, in the grant application, before any such funds are obligated of both its eligibility and its election, and must comply with all associated requirements in 2 CFR § 200.414(f).

Indirect cost rates are not generally allowed for state-funded grants, but may be approved by OOG at its sole discretion.

The indirect cost rate cited in the budget denotes the approved indirect rate at the time the grant was awarded. It is the grantee's responsibility to ensure the appropriate indirect rate is charged throughout the term of the grant award even if the approved indirect rate expires or changes during the grant period. Indirect costs are subject to monitoring and the grantee must be able to produce evidence of an approved indirect cost rate upon request.

15.8 Liquidation period

The liquidation date is 90 calendar days after the grant end date, unless otherwise noted in the original grant award or a grant adjustment. Funds not obligated by the end of the grant period and not expended by the liquidation date will revert to OOG.

15.9 Duplication of funding

If grantees receive any funding that is duplicative of funding received under this grant, they will notify OOG as soon as possible. OOG may issue an adjustment modifying the budget and project activities to eliminate the duplication. Further, the grantee agrees and understands that any duplicative funding that cannot be re-programmed to support non-duplicative activities within the program's statutory scope will be de-obligated from this award and returned to OOG.

15.10 Supplanting

Awarded funds must be used to supplement existing funds for program activities and not replace (supplant) funds that have been appropriated, allocated or disbursed for the same purpose. Grant monitors and auditors will look for potential supplanting during reviews. Violations may result in a range of penalties, including suspension of future funds, suspension or debarment from receiving federal or state grants, recoupment of monies provided under the grant, and civil or criminal penalties. For additional information on supplanting, refer to the Guide to Grants at <https://eGrants.gov.texas.gov/updates.aspx>.

15.11 Special requirements for non-profit grantees

Each non-profit corporation receiving funds from OOG must obtain and have on file a blanket fidelity bond that indemnifies OOG against the loss or theft of the entire amount of grant funds, including matching funds. The fidelity bond should cover at least the OOG grant period.

For all applicable CJD grantees

15.12 Special requirements for for-profit CJD grantees

It is CJD and OJP policy that for-profit organizations must agree not to make a profit as a result of an award and not to charge a management fee for the performance of an award. Also, commercial organizations must agree to comply with the contract cost principles of subpart 31.2 of the Federal Acquisition Regulations.

15.13 Special requirements for non-profit CJD grantees

By accepting funds under this award, any non-profit grantee certifies and affirmatively asserts that it is a non-profit organization and that it keeps on file, and is available upon audit, either:

1. A copy of the recipient's 501(c)(3) designation letter;
2. A letter from the State of Texas stating that the recipient is a non-profit organization operating within Texas; or
3. A copy of the grantee's Texas certificate of incorporation that substantiates its non-profit status.

The grantees that are local non-profit affiliates of state or national non-profits should have available proof of (1), (2), or (3), and a statement by the state or national parent organization that the recipient is a local non-profit affiliate.

Non-profit recipients of VOCA funding that are not a 501(c)(3) organization finally certified by the Internal Revenue Service must make their financial statements available online.

Non-profit recipients of funds provided under the Juvenile Justice and Delinquency Prevention Act must have 501(c)(3) status recognized by the Internal Revenue Service.

For all applicable HSGD grantees

16. Required Reports

For all applicable OOG grantees

16.1 Failure to file required reports

Failure to comply with submission deadlines for required reports, Requests for Reimbursement, or other requested information may result in OOG, at its sole discretion, placing the grantee on immediate financial hold without further notice to the grantee and without first requiring a corrective action plan. No reimbursements will be processed until the requested information is submitted. If the grantee is placed on financial hold, OOG, at its sole discretion, may deny reimbursement requests associated with expenses incurred during the time the grantee was placed on financial hold.

16.2 Report formats, submissions, and timelines

The grantee shall provide to OOG all applicable reports in a format specified by OOG. The grantee will submit reports in eGrants as instructed by OOG. The grantee shall ensure that it submits each report or document required by OOG in an accurate, complete, and timely manner to OOG or the Federal sponsoring agency, as specified by this Grant Agreement or OOG, and will maintain appropriate backup documentation to support the reports. Unless filing dates are given herein, all other reports and other documents that the grantee is required to forward to OOG shall be promptly forwarded.

16.4 Special requirements for VAWA and SASP grantees publishing materials

The grantee agrees to submit one copy of all required reports and any other written materials or products that are funded under the project to OOG not less than thirty (30) days prior to public release. If the written material is found to be outside the scope of the program, or in some way to compromise victim safety, it will need to be revised to address these concerns or the grantee will not be allowed to use project funds to support the further development or distribution of the materials.

17. Requirements for Materials Produced with Grant Funds

For all applicable OOG grantees

17.1 Permission for use of OOG name and labeling

Other than the required statements listed in this document, grantee shall not use OOG's name or refer to OOG directly or indirectly in any media release, public service announcement, or public service disclosure relating to this Grant Agreement or any acquisition pursuant hereto, including in any promotional or marketing materials, without first obtaining written consent from OOG. This Section is not intended to and does not limit the grantee's ability to comply with its obligations and duties under the Texas Open Meetings Act and/or the Texas Public Information Act. This Section is not intended to and does not limit OOG's duties and obligations to report this Grant Agreement, any grant payments made under this Grant Agreement, any contract compliance or performance information or other state or federal reporting requirements applicable to OOG.

For all applicable CJD grantees

17.2 Acknowledgement of funding and disclaimer

All publications - including websites - produced in full or in part with grant funds awarded by OOG must include an acknowledgement of the funding and a disclaimer of non-endorsement by the funding agency. In general, no publication may convey CJD or DOJ's official recognition or endorsement of the recipient's project simply based on having received funding. For websites, the acknowledgement should be present somewhere on all major entry pages. Acknowledgement language for grants made through specific fund sources is below.

For any state grant program: "This [website/report/study/project/etc.] is funded [insert "in part", if applicable] through a grant from the Criminal Justice Division of the Texas Office of the Governor. For all applicable OOG grantees

18.1 Royalty-free license

Pursuant to 2 CFR 200.315(b), the grantee may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OOG (and the federal funding agency, if the work is funded with a federal grant) reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use (in whole or in part, including in connection with derivative works), for state (or Federal) purposes:

1. Any work subject to copyright developed under an award or subaward; and
2. Any rights of copyright to which a grantee or subgrantee or subcontractor purchases ownership with state (or Federal) support.

The recipient acknowledges that CJD (and the federal funding agency) have the right to

1. Obtain, reproduce, publish, or otherwise use the data first produced under an award or subaward; and
2. Authorize others to receive, reproduce, publish or otherwise use such data for state (or federal) purposes. "Data" includes data as defined in Federal Acquisition Regulation (FAR) provision 52.22714 (Rights in Data- general).

It is the responsibility of the grantee (and of each subgrantee or subcontractor if applicable) to ensure that this condition is included in any subaward under this award. The grantee has the responsibility to obtain from subgrantees, contractors, and subcontractors (if any) all rights and data necessary to fulfill the recipient's obligations to the Government under this award. If a proposed subgrantee contractor, or subcontractor refuses to accept terms affording the Government such rights, the grantee shall promptly bring such refusal to the attention of the OOG program manager for the award and not proceed with the agreement in question without further authorization from OOG.

18.2 Special requirements for grantees of federal funds regarding intellectual property

If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2(a) and the grantee wishes to enter into a contract with a small business firm or non-profit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," it will comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

The grantee will comply with the specific requirements governing the development, reporting, and disposition of rights to inventions and patents resulting from financial assistance awards (37 CFR Part 401) and the standard patent rights clause in 37 CFR § 401.14.

DOJ reserves certain rights with respect to data, patentable inventions, works subject to copyright, and other intellectual property associated with an award of Federal funds. See 28 CFR §§ 66.34, 70.36, and 37 CFR Part 401.
