

STREET CONDITION ASSESSMENT

RS-19-045

May 21, 2019

Background

2

- The Street Maintenance Fee Ordinance adopted by City Council in December 2018 mandates that a road condition survey be conducted every three (3) years.
 - ▣ The most recent Street Condition Assessment was authorized in April 2013 and finalized in March 2014.
- The Street Condition Assessment would assess the overall condition of the road network and provide a five (5) year maintenance strategy.
 - ▣ The results of this assessment will be used to determine the street maintenance schedule for future years.
- Transmap Corporation was selected to perform the Street Condition Assessment based on their qualifications.

Alternatives

3

- ❑ Defer Street Condition Assessment to future fiscal years.
- ❑ Perform Street Condition Assessment in-house with City employees and equipment.
- ❑ Enter into a professional services agreement for the Street Condition Assessment with Transmap Corporation.
 - ▣ Funding in the amount of \$184,056 is available in the current fiscal year.

Recommendation Summary

4

- City staff recommends that City Council authorize the City Manager or designee to enter into a Professional Services Agreement with Transmap Corporation and to execute any and all changes within the amounts set by State and Local law.
